The CSSF only approves this Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation and the Luxembourg law dated 16 July 2019 on prospectuses for securities (*loi du 16 juillet 2019 relative aux prospectus pour valeurs mobilières*) (the "**Luxembourg Prospectus Law**"). Such approval should not be considered as an endorsement of the quality of the Notes that are subject to this Prospectus or an endorsement of the Issuer that is subject to this Prospectus. Therefore the investors should make their own assessment as to the suitability of investing in the Notes. In the context of such approval, the CSSF neither assumes any responsibility nor gives any undertaking as to the economic and financial soundness of the transaction and the quality or solvency of the Issuer in line with Article 6(4) of the Luxembourg Prospectus Law. Application has been made to list the Notes on the official list of the Luxembourg Stock Exchange and to be admitted to trade the Notes on the regulated market of the Luxembourg Stock Exchange on 25 March 2024 (the "**Issue Date**"). Each of the Notes in the denomination of GBP 100,000 will be governed by the laws of Germany and will be represented by a global registered note (each a "**Global Note**"), without interest coupons. The Global Notes will not be exchangeable for definitive Notes. The Class A Notes will be deposited on or around 25 March 2024 (the "**Closing Date**") with a Common Safekeeper for Clearstream Luxembourg and Euroclear to be held under the new safekeeping structure ("**NSS**") and which will be registered in the name of a nominee of the Common Safekeeper. The Class B Notes will, on or around the Closing Date, be deposited with a common depositary for Clearstream Luxembourg and Euroclear. The Class A Notes are intended to be held in a

manner which will allow Eurosystem eligibility. This does not mean that the Class A Notes will be recognised as eligible collateral for Eurosystem monetary policy and intra-day credit operations by the Eurosystem either upon issue or at any or all times during their life. Such recognition will depend upon, *inter alia*, satisfaction of the Eurosystem eligibility criteria. See "*ABSTRACT OF THE CONDITIONS OF THE NOTES – Global Notes*" and see "*RISK FACTORS – Eurosystem Eligibility*".

Ratings will be assigned to the relevant Notes by Fitch Ratings Limited ("**Fitch**"), S&P Global Ratings UK Limited ("**S&P**") and Kroll Bond Rating Agency UK Limited ("**KBRA**"). In general, European regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued or endorsed by a credit rating agency established in the European Union "**EU**" and registered or certified under Regulation (EC) No 1060/2009 of the European Parliament (the "**CRA Regulation**"), as amended by Regulation (EU) No 513/2011 and by Regulation (EU) No 462/2013 ("**CRA3**") and UK regulated investors are restricted from using a rating for regulatory purposes if such rating is not issued or endorsed by a credit rating agency established in the UK and registered or certified under CRA3 as it forms part of domestic law of the United Kingdom by virtue of the EUWA and as amended by the Credit Rating Agencies (Amendment, etc) (EU Exit) Regulations 2019 (the "**UK CRA Regulation**"). Each of Fitch, S&P and KBRA is established in the United Kingdom and registered under the UK CRA Regulation. The ratings issued by Fitch, S&P and KBRA have been endorsed by Fitch Ratings Ireland Limited, S&P Global Ratings Europe Limited and Kroll Bond Rating Agency Europe Limited, respectively. Each of Fitch Ratings Ireland Limited, S&P Global Ratings Europe Limited and Kroll Bond Rating Agency Europe Limited is established in the European Union and registered under the CRA Regulation. The assignment of ratings to the Notes or an outlook on these ratings is not a recommendation to invest in the Notes and may be revised, suspended or withdrawn at any time.

## **EU Securitisation Regulation, UK Securitisation Regulation and U.S. Risk Retention Rules**

### **EU Securitisation Regulation and UK Securitisation Regulation**

VWFS is the "**originator**" for the purposes of Article 2(3) of the UK Securitisation Regulation and the EU Securitisation Regulation. VWFS is legally bound to comply with the provisions of the UK Securitisation Regulation and contractually agrees to comply with the provisions of the EU Securitisation Regulation.

All Receivables included in the Portfolio have been originated by VWFS and are sold to the Issuer by VWFS in its capacity as Seller.

VWFS shall, whilst any of the Notes remain outstanding retain for the life of such Notes a material net economic interest of not less than 5 per cent. with respect to the Transaction in accordance with Article 6(3)(d) of the UK Securitisation Regulation and Article 6(3)(d) of the EU Securitisation Regulation.

VWFS undertakes that it will not reduce, hedge or otherwise mitigate its credit exposure to the material net economic interest retained for the purposes of Article 6(1) of the UK Securitisation Regulation and Article 6(1) of the EU Securitisation Regulation:

- (a) with respect to the UK Securitisation Regulation, until such time as UK regulatory technical standards are published jointly by the FCA and PRA, Article 12 of the Commission Delegated Regulation

specifying the risk retention requirements pursuant to the UK Securitisation Regulation (the "**Commission Delegated Regulation**") (BTS 625/2014 as amended by Annex R of The Technical Standards (Capital Requirements) (EU Exit) (No. 3) Instrument 2019) and, pursuant to Article 43(7) of the UK Securitisation Regulation, until regulatory technical standards are adopted jointly by the FCA and PRA, provided that the level of retention may reduce over time in compliance with Article 10 (2) of the Commission Delegated Regulation.

- (b) for the purposes of the EU Securitisation Regulation, Article 7 of the Commission Delegated Regulation (EU) 2023/2175 of 7 July 2023 on supplementing the Securitisation Regulation with regard to regulatory technical standards specifying in greater detail the risk retention requirements for originators, sponsors, original lenders and services (the "**RRTS**") adopted by the Commission pursuant to Article 6(7) of the EU Securitisation Regulation, provided that the level of retention may reduce over time in compliance with Article 10 (2) of the RRTS.

As at the Issue Date, such interest will be comprised of an interest in the first loss tranche equivalent to no less than 5 per cent. of the nominal amount of the securitised exposures pursuant to Article 6(3)(d) of the UK Securitisation Regulation and Article 6(3)(d) of the EU Securitisation Regulation.

After the Closing Date, the Servicer, on behalf of the Issuer, will prepare Monthly Investor Reports wherein relevant information with regard to the Purchased Receivables will be disclosed publicly together with an overview of the retention of the material net economic interest by the Seller for the purposes of which the Seller will provide the Issuer with all information reasonably required in accordance with the Securitisation Regulation (EU) Disclosure Requirements and the Securitisation Regulation (UK) Disclosure Requirements.

Each prospective investor is required to independently assess and determine the sufficiency of the information described in the preceding two paragraphs for the purposes of complying with Article 6 *et seq.* of the Securitisation Regulation. None of the Issuer, VWFS (in its capacity as Seller and Servicer), the Joint Lead Managers, the Arranger or any other Transaction Party makes any representation that the information described above is sufficient in all circumstances for such purposes. In addition, each prospective Noteholder should ensure that it complies with Article 5 of the EU Securitisation Regulation or the UK Securitisation Regulation, to the extent applicable. Investors who are uncertain as to the requirements which apply to them in respect of their relevant jurisdiction should seek guidance from their regulator and/or independent legal advice on the issue.

None of the Joint Lead Managers, the Arranger, their respective Affiliates nor any other person makes any representation, warranty or guarantee that the information provided by any party with respect to the transactions described in the Prospectus are compliant with the requirements the EU Securitisation Regulation or the UK Securitisation Regulation and no such person shall have any liability to any prospective investor or any other person with respect to the insufficiency of such information or any failure of the transactions contemplated by the Prospectus to satisfy or otherwise comply with the requirements of the EU Securitisation Regulation or the UK Securitisation Regulation.

Pursuant to Article 27(1) of the UK Securitisation Regulation as amended by the Securitisation (Amendment) (EU Exit) Regulations 2019, the Seller intends to notify the FCA that the Transaction will meet the requirements of Articles 20 to 22 of the UK Securitisation Regulation (the "**STS Notification**"). The purpose of the UK STS Notification is to set out how in the opinion of the Seller each requirement of Articles 19 to 22 of the Securitisation Regulation has been complied with. The FCA is obliged to maintain on its website a list of all securitisations which the originators and sponsors have notified as meeting the STS requirements in accordance with Article 27(5) of the UK Securitisation Regulation. For this purpose, the FCA has set up a register on an interim basis under <http://data.fca.gov.uk/#/sts/stssecuritisations>.

The Issuer and VWFS as the originator hereby designate this Prospectus as the "transaction summary" for the purposes of Article 7(1)(c) of the UK Securitisation Regulation.

#### *U.S. Risk Retention Rules*

The issuance of the Notes was not designed to comply with the U.S. Risk Retention Rules other than the exemption under Section \_\_.20 of the U.S. Risk Retention Rules and no other steps have been taken by the Issuer, the Seller, Arranger, the Joint Lead Managers or any of their affiliates or any other party to accomplish such compliance.

The Issuer accepts responsibility for the information contained in this Prospectus, notwithstanding that the Seller and Servicer, the Security Trustee, the Swap Counterparty, the Account Bank or any other party expressly accepts responsibility for its own description or information which it provides in this Prospectus, provided that, with respect to any information included herein and specified to be sourced from a third party (i) the Issuer confirms that any such information has been accurately reproduced and as far as the Issuer is aware and is able to ascertain from the information available to it from such third party, no facts have been omitted, the omission of which would render the reproduced information inaccurate or misleading and (ii) the Issuer has not independently verified any such information and accepts no responsibility for the accuracy thereof. The Issuer has taken all reasonable care to ensure that the information given in this Prospectus is to the best of its knowledge in accordance with the facts and does not omit anything likely to affect its import. The Issuer has taken all reasonable care to ensure that the information stated herein is true and accurate in all material respects and that there are no other material facts the omission of which would make misleading any statement herein, whether of fact or opinion.

VWFS as the Seller and Servicer accepts responsibility for any information in this Prospectus relating to the Purchased Receivables, the Security, the disclosure of servicing related risk factors, risk factors relating to the Purchased Receivables, the information contained in "**DESCRIPTION OF THE PORTFOLIO**", "**THE PURCHASED RECEIVABLES POOL**", "**THE SELLER AND THE SERVICER**", "**BUSINESS PROCEDURES OF VOLKSWAGEN FINANCIAL SERVICES (UK) LIMITED**", and "**ADMINISTRATION OF THE PURCHASED RECEIVABLES UNDER THE SERVICING AGREEMENT**".

The Arranger accepts full responsibility for the information contained in "**WEIGHTED AVERAGE LIVES OF THE NOTES**", except to the extent there is any inaccuracy resulting from information provided by VWFS to the Arranger, in which case VWFS is solely responsible for such information.

No person has been authorised to give any information or to make any representations, other than those contained in this Prospectus, in connection with the issue and sale of the Notes and, if given or made, such information or representations must not be relied upon as having been authorised by the Issuer, VWFS, the Security Trustee, the Servicer, the Swap Counterparty, the Arranger, the Joint Lead Managers or the Managers shown on the cover page or any other parties described in this Prospectus.

The Notes have not been and will not be registered under the U.S. Securities Act of 1933, as amended from time to time (the "**Securities Act**"). Subject to certain exceptions, the Notes may not be offered, sold or delivered within the United States or to U.S. persons (within the meaning of Regulation S under the Securities Act).

The Notes sold on the Closing Date may not be purchased by any person except for persons that are not "U.S. persons" as defined in the U.S. Risk Retention Rules ("**Risk Retention U.S. Persons**"). "**U.S. Risk Retention Rules**" means Regulation RR (17 C.F.R Part 246) implementing the risk retention requirements of Section 15G of the U.S. Securities Exchange Act of 1934, as amended. Prospective investors should note that whilst the definition of "U.S. person" in the U.S. Risk Retention Rules is substantially similar to the definition of "U.S. person" in Regulation S, the definitions are not identical and persons who are not "U.S. persons" under Regulation S may be "U.S. persons" under the U.S. Risk Retention Rules. Each Purchaser of Notes, including beneficial interests therein will be deemed, and in certain circumstances will be required, to represent and agree that it (1) is not a Risk Retention U.S. Person (2) is acquiring such Note or a beneficial interest therein for its own account and not with a view to distribute such Note to a U.S. person; and (3) is not acquiring such Note or a beneficial interest therein as part of a scheme to evade the requirements of the U.S. Risk Retention Rules. Each prospective investor will be required to make these representations (a) on or about the time of the announcement of the securitisation transaction involving the issuance of the Notes and (b) if such representations have not been previously made, as a condition to placing any offer to purchase the Notes. The Issuer, VWFS, the Arranger and the Joint Lead Managers will rely on these representations, without further investigation.

The Notes may not be offered, or sold within the United States or to, or for the account or benefit of, U.S. Persons except (i) pursuant to an exemption from, or in a transaction not subject to the registration requirements of, the Securities Act and (ii) in accordance with an exemption from the U.S. Risk Retention Rules.

The issuance of the Notes was not designed to comply with the U.S. Risk Retention Rules other than the exemption under Section \_\_.20 of the U.S. Risk Retention Rules, and no other steps have been taken by the Issuer, the Seller, the Joint Lead Managers or the Arranger, or any of their affiliates or any other party to accomplish such compliance.

The Notes are not intended, to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); (ii) a customer within the meaning of Directive

2016/97/EU (the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (the "**Prospectus Regulation**"). Consequently no key information document required by Regulation (EU) No 1286/2014 (the "**PRIIPs Regulation**") for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law of the United Kingdom by virtue of the European Union (Withdrawal) Act 2018 as amended by the European Union (Withdrawal Agreement) Act 2020 ("**EUWA**"); or (ii) a customer within the meaning of the provisions of the FSMA and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law of the United Kingdom by virtue of the EUWA; or (iii) not a qualified investor as defined in Article 2 of Regulation (EU) 2017/1129 as it forms part of domestic law of the United Kingdom by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law of the United Kingdom by virtue of the EUWA for offering or selling the Notes or otherwise making them available to retail investors in the United Kingdom has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the United Kingdom may be unlawful under Regulation (EU) No 1286/2014 as it forms part of domestic law of the United Kingdom by virtue of the EUWA.

Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

Any person subsequently offering, selling or recommending the Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the "**UK MiFIR Product Governance Rules**") is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

Neither the Issuer nor VWFS has undertaken any target market assessment or assumes responsibility for the results thereof.

## RISK FACTORS

**THE PURCHASE OF THE NOTES MAY INVOLVE SUBSTANTIAL RISKS AND BE SUITABLE ONLY FOR INVESTORS WHO HAVE THE KNOWLEDGE AND EXPERIENCE IN FINANCIAL AND BUSINESS MATTERS NECESSARY TO ENABLE THEM TO EVALUATE THE RISKS AND THE MERITS OF AN INVESTMENT IN THE NOTES. PRIOR TO MAKING AN INVESTMENT DECISION, PROSPECTIVE INVESTORS SHOULD CAREFULLY CONSIDER IN LIGHT OF THEIR OWN FINANCIAL CIRCUMSTANCES AND INVESTMENT OBJECTIVES ALL THE INFORMATION SET FORTH IN THIS PROSPECTUS AND, IN PARTICULAR, THE CONSIDERATIONS SET FORTH BELOW. PROSPECTIVE INVESTORS SHOULD MAKE SUCH INQUIRIES AS THEY DEEM NECESSARY WITHOUT RELYING ON THE ISSUER, THE ARRANGER OR THE JOINT LEAD MANAGERS.**

The Issuer believes that the following factors may affect its ability to fulfil its obligations under the Notes. These factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring.

The Issuer believes that the risks described in this section are the material risks inherent in investing in Notes but the inability of the Issuer to pay interest, principal or other amounts on or in connection with the Notes may occur for other reasons. Accordingly, prospective investors should consider the detailed information set out elsewhere in this Prospectus. Although the Issuer believes that the various structural elements described in this document mitigate some of these risks for Noteholders, there can be no assurance that these measures will be sufficient to ensure payment to Noteholders of interest, principal or any other amounts on or in connection with the Notes on a timely basis or at all. Additional risks and uncertainties not presently known to the Issuer or that the Issuer currently believes to be immaterial could also have a material impact on the Issuer's financial strength.

### **I. Risks factors which are specific and material to the Issuer**

#### **No Recourse to other Compartments and Non-Petition Clause**

The Notes are limited recourse contractual obligations of the Issuer solely in respect of Compartment Driver UK eight within the meaning of the Luxembourg Securitisation Law. Pursuant to Article 62(2) of the Luxembourg Securitisation Law, where an individual compartment's assets are insufficient for the purpose of meeting the Issuer's obligations under a respective issuance, it is not possible for the noteholders in that compartment's issuance to obtain the satisfaction of the debt owed to them by the Issuer from assets belonging to another compartment. Recourse of the Noteholders in respect of claims against the Issuer under or in relation to the Notes will be strictly limited to the net assets allocated to Compartment Driver UK eight (the "**Compartment Driver UK eight Assets**") and shall not extend to the remainder of the Issuer's estate. Furthermore, the other parties to the Transaction Documents are not liable for the obligations of the Issuer and no third party guarantees the fulfilment of the Issuer's obligations under the Notes. Consequently, the Noteholders have no rights of recourse against such third parties.

In this context, it is possible that any proceeds from the realisation by the Security Trustee of the security upon the occurrence of a Foreclosure Event prove insufficient to enable the Issuer to meet all payments due in respect of the Notes, taking into account the Order of Priority and the Noteholders will then have no further claim against the assets of any other compartment or any non-compartmental assets of the Issuer.

Consequently, in case of enforcement of the claims under the Notes, to the extent that the proceeds from the liquidation of the Compartment Driver UK eight Assets proves insufficient to make all payments due in respect of the Notes (the "**Shortfall**"), any claims arising against the Issuer due to such Shortfall shall be extinguished and neither the Noteholders nor any person on their behalf shall have the right to petition for the winding up of the Issuer to recover the Shortfall amount.

Finally, should the Issuer be declared bankrupt, the Luxembourg court will appoint a bankruptcy trustee ("*curateur*") who shall be the sole legal representative of Driver UK Multi-Compartment S.A. and obliged to take such action as he deems to be in the best interests of Driver UK Multi-Compartment S.A. and of all creditors of Driver UK Multi-Compartment S.A. The conditions for opening bankruptcy proceedings are the cessation of payments ("*cessation des paiements*") and the loss of creditworthiness ("*ébranlement du crédit*"). The failure of controlled management proceedings may also constitute grounds for the opening of bankruptcy proceedings. Certain preferred creditors of Driver UK Multi-Compartment S.A. (including the Luxembourg tax authorities) may have a privilege that ranks senior to the rights of the Noteholders in such circumstances. This may further reduce the available assets of Compartment Driver UK eight, therefore increasing the risk of the Issuer not being able to meet in full its payment obligations against the Noteholders under Luxembourg law. As a result, the Noteholders may face the risk of not being able to receive any income in respect of their investment or, at worst, of being unable to recover their initial investment.

Furthermore, the enforcement of the payment obligations under the Notes shall solely be effected by the Security Trustee in accordance with the Trust Agreement.

### **Risk in respect of payments made and Security provided during the "suspect period"**

Driver UK Multi-Compartment S.A. is a public limited liability company (*société anonyme*) incorporated under the laws of Luxembourg, has its registered office in Luxembourg and is managed by its Board of Directors, professionally residing in Luxembourg. Accordingly, bankruptcy proceedings with respect to Driver UK Multi-Compartment S.A. would likely proceed under, and be governed by, the bankruptcy laws of Luxembourg. Driver UK Multi-Compartment S.A. can be declared bankrupt upon petition by a creditor of Driver UK Multi-Compartment S.A. or at the initiative of the court or at the request of Driver UK Multi-Compartment S.A. in accordance with the relevant provisions of Luxembourg insolvency law. Under Luxembourg law, a company is bankrupt ("*en faillite*") when it is unable to meet its current liabilities and when its creditworthiness is impaired. The conditions for opening bankruptcy proceedings are the cessation of payments ("*cessation des paiements*") and the loss of creditworthiness ("*ébranlement du crédit*"). Other insolvency proceedings under Luxembourg law include moratorium of payments ("*sursis de paiement*") of the Issuer, administrative dissolution without liquidation ("*dissolution administrative sans liquidation*"), judicial liquidation proceedings ("*liquidation judiciaire*"), judicial reorganisation ("*réorganisation judiciaire*"), or any reorganisation pursuant to the Luxembourg law dated 7 August 2023 on business continuity and the modernisation of bankruptcy.

Under Luxembourg bankruptcy law, certain acts deemed to be abnormal if carried out by the bankrupt party during the so-called "suspect period" or ten days preceding the "suspect period" may be unenforceable against the bankruptcy estate of such party. Whilst the unenforceability is compulsory in certain cases, it is optional in other cases. The "suspect period" is the period that lapses between the date of cessation of payments ("*cessation de paiements*"), as determined by the bankruptcy court, and the date of the court order declaring the bankruptcy. The "suspect period" cannot exceed six months.

Under Article 445 of the Luxembourg Code of Commerce, (a) a contract for the transfer of movable or immovable property entered into or carried out without consideration, or a contract or transaction entered into or carried out with considerably insufficient consideration for the insolvent party; (b) a payment, whether in cash or by transfer, assignment, sale, set-off or otherwise for debts not yet due, or a payment other than in cash or bills of exchange for debts due or (c) a contractual or judiciary mortgage, pledge, or charge on the debtor's assets for previous debts, would each be unenforceable against the bankruptcy estate if carried out during the "suspect period" or ten days preceding the "suspect period".

Under Article 448 of the Luxembourg Code of Commerce, transactions entered into by the bankrupt debtor with the intent to deprive its creditors are null and void, regardless of the date on which they were made.

Under Article 446 of the Luxembourg Code of Commerce, any payments made by the bankrupt debtor in the "suspect period" may be rescinded if the creditor was aware of the cessation of payment of the debtor.

If the Issuer is declared bankrupt, a competent court in Luxembourg may consider that the Issuer's entry into the Transaction and the Transaction Documents has been carried out within the so-called "suspect period". In such case, any payment of principal or interest in respect of the Notes could be unenforceable against the Issuer, in application of sub (b) of Article 445 of the Luxembourg Code of Commerce and Noteholders could face the risk of non-recovery of payments due under the Notes.

According to Article 61(4) second paragraph of the Luxembourg Securitisation Law and without prejudice to the provisions of the law of 5 August 2005 on financial collateral arrangements, the validity and perfection of each of the security interests mentioned under item (c) of Article 445 of the Luxembourg Code of Commerce cannot be challenged by a bankruptcy receiver with respect to Article 445 of the Luxembourg Code of Commerce and such security interests are enforceable even if they were granted by the company during the suspect period or ten days preceding the "suspect period", if (i) the articles of incorporation of the company granting the security interests are governed by the Luxembourg Securitisation Law and (ii) the company granted the respective security interest no later than the issue date of the securities or at the conclusion of the agreements secured by such security interest. In other words, the Security Documents entered into in accordance with Article 61(4) second paragraph of the Luxembourg Securitisation Law and hence no later than the date of the issue of the Notes or the conclusion of the agreements secured by the security could not be challenged by a bankruptcy receiver even if granted by the Issuer during the "suspect period" or ten days preceding such "suspect period".

## **II. Risks related to the nature of the Notes**

### **Liability and Limited Recourse under the Notes and the Subordinated Loan**

All payment obligations of the Issuer acting for and on behalf of its Compartment Driver UK eight under the Notes and the Subordinated Loan constitute limited recourse obligations to pay only the respective Available Distribution Amount which includes, *inter alia*, amounts received by the Issuer from the Purchased Receivables and under the other Transaction Documents. The Available Distribution Amount may not be sufficient to pay amounts accrued under the Notes, which may result in an Interest Shortfall as defined in the Incorporated Terms Memorandum, however, an Interest Shortfall other than non-payment of interest on the most senior Class of the Notes will not constitute a Foreclosure Event in accordance with clause 17 (*Foreclosure on the Security; Foreclosure Event*) of the Trust Agreement. The Notes shall not give rise to any payment obligation in addition to the foregoing. The enforcement of the payment obligations under the Notes and the Subordinated Loan shall only be effected by the Security Trustee in accordance with the Trust Agreement. A Foreclosure Event will, following the service of an Enforcement Notice by the Security Trustee, result in the enforcement of the collateral held by the Security Trustee. If the Security Trustee enforces the claims under the Notes and/or the Subordinated Loan, such enforcement will be limited to those assets which were transferred to the Security Trustee and to any other assets of the Issuer. To the extent that such assets, or the proceeds of the realisation thereof, prove ultimately insufficient to satisfy the claims of all Noteholders or the Subordinated Lender in full, then any shortfall arising shall be extinguished and neither any Noteholder, nor the Security Trustee shall have any further claims against the Issuer. Such assets and proceeds shall be deemed to be "ultimately insufficient" at such time when no further assets are available and no further proceeds can be realised therefrom to satisfy any outstanding claims of the Noteholders, and neither assets nor proceeds will be so available thereafter.

If any of the events which require the Security Trustee to take action should occur, the Security Trustee will have legal access to the Security only. The Security Trustee itself is not a guarantor, nor have any guarantees been given by other Transaction Parties, with respect to which the Security Trustee could assert claims on behalf of the Noteholders and/or the Subordinated Lender.

### **Subordination of Notes**

Holders of Class B Notes will bear more credit risk with respect to the Issuer than holders of Class A Notes and will incur losses, if any, prior to holders of the Class A Notes because of the subordination of the Class B Notes in relation to the Class A Notes.

Upon the occurrence of a Foreclosure Event, no payment of interest will be made on the Class B Notes until all of the Issuer's senior expenses (including applicable fees for Agents), and all interest on the Class A Notes are paid in full and no payment of principal will be made on the Class B Notes until the principal amount of the Class A Notes is paid in full.

A Foreclosure Event will occur *inter alia* if the Issuer defaults in the payment of any interest on the most senior Class of Notes when the same becomes due and payable, and such default continues for a period of five (5) Business Days. If a Foreclosure Event has occurred, the Issuer will not pay interest or principal on any Notes other than the Class A Notes until all of the Issuer's expenses and all interest and principal on the Class A Notes are paid in full.

### **Interest Rate Risk / Risk of Swap Counterparty Insolvency**

*Noteholders may be subject to interest rate risk*

Payments in respect of the Purchased Receivables made to the Seller by an Obligor under a Financing Contract comprise monthly amounts calculated with respect to a fixed interest rate which may be different to Compounded Daily SONIA plus margin, which is the interest rate (being subject to a floor of zero) payable on the Class A Notes and the Class B Notes.

The Issuer will hedge afore-described interest rate risk and will use payments made by the Swap Counterparties to make payments on the Notes on each Payment Date, in each case calculated with respect to the swap notional amount which is equal to the outstanding Nominal Amount on the relevant Class of Notes, following payment on the immediately preceding Payment Date.

During those periods in which the floating rates payable by the Swap Counterparty under the Swap Agreement are substantially greater than the fixed rates payable by the Issuer under the Swap Agreement, the Issuer will be more dependent on receiving payments from the Swap Counterparty in order to make interest payments on the relevant Class of Notes. If the Swap Counterparty fails to pay any amounts when due under the Swap Agreement, the Collections from Receivables and the General Cash Collateral Amount may be insufficient to make the required payments on the respective Class of Notes and the Noteholders may experience delays and/or reductions in the interest and principal payments on the respective Class of Notes.

During periods in which the floating rates payable by the Swap Counterparty under the Swap Agreement (including periods in which the floating amount payable by the Swap Counterparty is a negative number as a result of the quoted negative floating rate exceeding the spread), are less than the fixed rate payable by the Issuer under the Swap Agreement, the Issuer will be obliged to make a payment to the Swap Counterparty. The Swap Counterparty's claims for payment (including certain termination payments required to be made by the Issuer upon a termination of the Swap Agreement) under the Swap Agreement will be higher in priority than all payments on the Notes. If a payment under the Swap Agreement is due to the Swap Counterparty on any Payment Date, the Purchased Receivables and the General Cash Collateral Amount may be insufficient to make the required payments on the Notes and the Noteholders may experience delays and/or reductions in the interest and principal payments under the Notes.

#### *Termination of the Swap Agreement*

The Swap Counterparty may become insolvent or may suffer from a rating downgrade, in which case it would have to be replaced or, in case of a certain rating downgrade would have to provide collateral. The Swap Agreement may also be terminated by either party due to an event of default or a termination event. However, there can be no assurance that a guarantor or replacement Swap Counterparty will be found or that the amount of collateral will be sufficient to meet the Swap Counterparty's obligations. In such events the Noteholders may experience delays and/or reductions in the interest and principal payments due in respect of such Class of Notes.

The enforceability of a contractual provision which alters the priorities of payments to subordinate the claim of the Swap Counterparty (to the claims of other creditors of its counterparty) upon the occurrence of an insolvency of or other default by the Swap Counterparty has been challenged in the English and U.S. courts. However this is an aspect of cross border insolvency law which remains untested. Whilst the priority issue is considered largely resolved in England and Wales, concerns still remain that the English and U.S. courts will diverge in their approach which, in the case of an unfavourable decision in the U.S., may adversely affect the Issuer's ability to make payments on the Notes. If a creditor of the Issuer (such as the Swap Counterparty) or a related entity becomes subject to insolvency proceedings in any jurisdiction outside England and Wales (including, but not limited to, the US), and it is owed a payment by the Issuer, a question arises as to whether the insolvent creditor or any insolvency official appointed in respect of that creditor could successfully challenge the validity and/or enforceability of subordination provisions included in the Transaction Documents (such as a provision of the relevant Order of Priority which refers to the ranking of the Swap Counterparty's rights in respect of certain amounts under the Swap Agreement). In particular there is a risk that such subordination provisions would not be upheld under US bankruptcy law. Such laws may be relevant in certain circumstances with respect to a range of entities which may act as the Swap Counterparty, including US established entities and certain non-US established entities with assets or operations in the US (although the scope of any such proceedings may be limited if the relevant non-US entity is a bank with a licensed branch in a US state). In general, if a subordination provision included in the Transaction Documents was successfully challenged under the insolvency laws of any relevant jurisdiction outside England and Wales and any relevant foreign judgment or order was recognised by the English courts, such actions may adversely affect the rights of the Noteholders, the rating and/or the market value of the Notes and/or the ability of the Issuer to satisfy its obligations under the Notes.

#### **Risks in connection with the application of the German Debenture Act (*Gesetz über Schuldverschreibungen aus Gesamtemissionen (Schuldverschreibungsgesetz - SchVG)*)**

A Noteholder is subject to the risk to be outvoted and to lose rights towards the Issuer against his will in the case that the Noteholders agree pursuant to the Conditions to amendments of the Conditions by majority vote according to the German Debenture Act (*Gesetz über Schuldverschreibungen aus Gesamtemissionen (Schuldverschreibungsgesetz - SchVG)*). In the case of an appointment of a Noteholder's representative for all Noteholders a particular Noteholder may lose, in whole or in part, the possibility to enforce and claim his rights against the Issuer regardless of other Noteholders.

#### **Modification of Conditions of the Notes**

The Conditions of the Notes which are governed by German law may be modified through contractual agreement to be concluded by a Noteholder's resolution adopted pursuant to sections 5 to 22 of the German Debenture Act (*Gesetz über Schuldverschreibungen aus Gesamtemissionen (Schuldverschreibungsgesetz - SchVG)*).

#### **Weighted average lives of Class A Notes and Class B Notes**

The weighted average lives of each of the Class A Notes and the Class B Notes is volatile. In the event that the Purchased Receivables are prematurely terminated, in arrear, or otherwise settled early, the principal repayment of the Class A Notes and the Class B Notes may be earlier or later than expected and, therefore, the yield on the Notes may be adversely affected by a higher or lower than anticipated rate of prepayment of the Purchased Receivables. The rate of prepayment of the Purchased Receivables cannot be predicted and

is influenced by a wide variety of economic and other factors, including prevailing interest rates, the buoyancy of the auto finance market, the availability of alternative financing and local and regional economic conditions. Therefore, no assurance can be given as to the level of prepayment that the Purchased Receivables will experience. Based on assumed rates of prepayment the approximate average lives and principal payment windows of each Class of Notes are set out in the section entitled "**WEIGHTED AVERAGE LIVES OF THE NOTES**".

However, the actual characteristics and performance of the Purchased Receivables will differ from such assumptions and any difference will affect the percentages of the initial amount outstanding of the Notes which are outstanding over time and the weighted average lives of the Notes. See the sections "**WEIGHTED AVERAGE LIVES OF THE NOTES**" and "**THE PURCHASED RECEIVABLES POOL**".

#### **Ratings of each Class of Notes**

The Issuer has not requested a rating of any Class of Notes by any rating agency other than the Rating Agencies. Rating organisations other than the Rating Agencies may seek to rate any Class of Notes and, if such "shadow ratings" or "unsolicited ratings" are lower than the comparable ratings assigned to such Class of Notes by the Rating Agencies, such shadow or unsolicited ratings could have an adverse effect on the value of any Class of Notes.

A security rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time by the rating organisation. There is no assurance that the ratings will continue for any period of time or that they will not be lowered, reviewed, suspended or withdrawn by the Rating Agencies. In the event that the ratings initially assigned to any Class of Notes by the Rating Agencies are subsequently withdrawn or lowered for any reason, no person or entity is obliged to provide any additional support or credit enhancement to the Notes

### III. Risks related to the Purchased Receivables

#### Credit Risk of the Parties

The ability of the Issuer to make any principal and interest payments in respect of the Notes depends to a large extent upon the ability of the parties to the Transaction Documents to perform their contractual obligations. In particular, and without limiting the generality of the foregoing, the timely payment of amounts due in respect of the Notes depends on the ability of the Servicer to collect the Purchased Receivables and on the maintenance of the level of interest rate protection offered by the Swap Agreement.

#### Risk of Late Payment of Monthly Instalments

In the event of late payment (which could be caused by the Obligor's financial or personal reasons, including loss or reduction of earnings, illness (including any illness arising in connection with an epidemic or a pandemic), divorce and other similar factors, which may, individually or in combination lead to in change in the economic situation of such Obligor) made in relation to Purchased Receivables becoming due in the respective Monthly Period, the risk of late payment under the Notes is in part mitigated for the Noteholders by payments from the General Cash Collateral Amount to the extent that funds are available therein. The Obligors' failure to make timely payments in relation to Purchased Receivables may adversely affect the Issuer's ability to make payments on the Notes. See also "**RISK FACTOR – Risks related to the Purchased Receivables – Future developments in the Corona Pandemic may have a material negative impact on the performance of the Issuer under the Notes**".

#### **Future developments in the Corona Pandemic may have a material negative impact on the performance of the Issuer under the Notes**

In December 2019, a novel strain of coronavirus which causes a respiratory disease in humans ("**COVID-19**") was reported in Wuhan, China. The World Health Organization declared COVID-19 to constitute a global pandemic (the "**Corona Pandemic**"). Governments worldwide had implemented measures to contain the spread of the virus including domestic and international travel bans, quarantines and restrictions on public gatherings and commercial activity.

#### *Risk of late payment or non-payment of monthly instalments and Residual Values*

##### UK Government initiatives

In response to the Corona Pandemic a number of governments had taken steps to mandate or encourage payment holidays or provide other relief for consumers in direct or indirect financial difficulty as a result of the effects of the Corona Pandemic.

In the UK, the FCA published a package of measures to support motor finance consumers through the Corona Pandemic (as amended from time to time, the "**FCA Guidance**"). These included, without limitation, payment deferrals for certain customers and restriction on repossessions of motor vehicles. Although the majority of this guidance has now expired, the Tailored Support Guidance ("**TSG**") still remains in place. The TSG supplements the FCA's temporary guidance, and whilst the TSG was originally issued in the context of the Corona Pandemic, the FCA clarified that the TSG remains also relevant in the case of borrowers in financial difficulty due to other circumstances, such as the rising cost of living (see the FCA's June 2022 "Dear CEO" letter). There are proposals to incorporate aspects of the TSG into the FCA Handbook, and to introduce targeted additional changes to support consumers in financial difficulty (see the "*Vulnerable Customers and Borrowers in Financial Difficulty*" section below).

#### Financing Contracts

The Issuer does not have any rights in, over or to the vehicles that are financed by the Financing Contracts - it only has rights in connection with the sale proceeds of those vehicles. Accordingly, in the event of any insolvency of VWFS, the Issuer is reliant on any administrator or liquidator of VWFS taking appropriate steps to sell such vehicles. Because the sale proceeds have been transferred to the Issuer, this will be of no value to VWFS' creditors as a whole and therefore an administrator or liquidator will not have any financial incentive to take such steps. This risk is mitigated by the inclusion of a provision in the Servicing Agreement providing that the Issuer (or the Servicer on behalf of the Issuer) will pay, in accordance with the Order of Priority, any administrator or liquidator's costs and expenses in selling such vehicles and an Administrator Recovery Incentive fee; however there can be no certainty that any administrator or liquidator would take such actions and no contractual obligations on VWFS to do so that would be enforceable against VWFS or an administrator or liquidator thereof after the commencement of the administration or liquidation of VWFS.

Furthermore, following an Insolvency Event which occurs in respect of VWFS it will no longer be required to repurchase Redelivery Purchased Receivables pursuant to the Redelivery Repurchase Agreement. The

realisation proceeds relating to Vehicles which are the subject of Redelivery Financing Contracts may be lower than the Redelivery Repurchase Price paid by VWFS under the Redelivery Repurchase Agreement.

### **Right to Vehicles and reliance on residual value**

Under Financing Contracts which are PCP Agreements, at the end of the term of the PCP Agreement, an Obligor may either settle the contract by paying the balloon payment (and thereby purchase the Vehicle) or, subject to the Vehicle being in a condition acceptable to VWFS and within the agreed mileage, return the Vehicle to VWFS in full and final settlement of the PCP Agreement. Where the Obligor chooses not to return the Vehicle, title in the Vehicle passes to the Obligor when the Obligor pays the additional "option to purchase" fee to VWFS (which does not form part of the Receivables). Where the Obligor chooses to return the Vehicle, VWFS then acts as the Obligor's agent in selling the Vehicle and the sale proceeds of the Vehicle are applied to settle the Final Rental Amount. The Issuer will be exposed to the risk that due to economic, market and social factors in the used vehicle market, including industry specific effects such as the potential impact of an increasingly negative sentiment around diesel vehicles, the residual value of the Vehicle may be less than anticipated at the outset of the Financing Contract and thus less than the Final Rental Amount. In such cases, the Issuer's ability to make payments on the Notes may be affected.

### **Market Value of Purchased Receivables**

There is no assurance that the market value of the Purchased Receivables will at any time be equal or greater than the Nominal Amount outstanding for any Class of Notes.

### **Commingling Risk**

VWFS, as the Servicer, is entitled to commingle funds representing Collections with its own funds during each Monthly Period in accordance with the following procedure:

- (a) if and so long as the Monthly Remittance Condition is satisfied, VWFS will be entitled to commingle funds representing Collections with its own funds during each Monthly Period and will be required to make a single deposit of such monthly Collections to the Distribution Account on each Payment Date; and
- (b) if and so long as the Monthly Remittance Condition is not satisfied, VWFS will be entitled to commingle funds representing Collections with its own funds during each Monthly Period only in accordance with the procedure outlined in detail in "**ADMINISTRATION OF THE PURCHASED RECEIVABLES UNDER THE SERVICING AGREEMENT - Commingling**".

Commingled funds may be used or invested by VWFS at its own risk and for its own benefit until the next relevant Payment Date. If VWFS were unable to remit those funds or were to become insolvent, losses or delays in distributions to Noteholders may occur.

### **Risk of Change of Servicer**

In the event VWFS is replaced as Servicer, there may be losses or delays in processing payments or losses on the Purchased Receivables due to a disruption in servicing during a transfer to a successor Servicer, or because the successor Servicer is not as experienced as VWFS. This may cause delays in payments or losses under the Notes. There is no guarantee that a successor Servicer will provide the servicing at the same level as VWFS. The Servicer will, however, not be released from its obligations under the Servicing Agreement until a successor Servicer has entered into a new servicing agreement with the Issuer.

### **Risk of Non-Existence of Receivables**

If any of the Receivables have not come into existence at the time of their transfer to the Issuer under the relevant Receivables Purchase Agreement or belong to another Person other than the Seller, such transfer would not result in the Issuer acquiring title to such Receivable. The Issuer would not receive adequate value in return for its purchase price payment. This risk, however, will be mitigated by contractual representations and warranties and the contractual obligation that (i) if such Receivable had not come into existence, VWFS shall pay to the Issuer an amount equal to the amount paid by the Issuer for such non-existent Receivable on the relevant Purchase Date or (ii) if such Receivable belongs to another person, VWFS shall pay to the Issuer an amount equal to the Settlement Amount for such non-existing Receivable on the Repurchase Date. Such Settlement Amount will be equal to the present value of the Purchased Receivable on the last calendar day of the month prior to the Repurchase Date in which the buying back shall become effective using, as applicable, the Discount Rate.

## Equitable Assignment

Assignment by VWFS to the Issuer of the benefit of the Receivables derived from Financing Contracts governed by the laws of England and Wales will take effect in equity only because no notice of the assignment will be given to Obligor.

The giving of notice to the Obligor of the assignment (whether directly or indirectly) to the Issuer would have the following consequences:

- (a) notice to the Obligor would "perfect" the assignment so that the Issuer would take priority over any interest of a later encumbrance or assignee of VWFS' rights who has no notice of the assignment to the Issuer;
- (b) notice to an Obligor would mean that the Obligor should no longer make payment to VWFS as creditor under the Financing Contract but should make payment instead to the Issuer. If the Obligor were to ignore a notice of assignment and pay VWFS for its own account, the Obligor might still be liable to the Issuer for the amount of such payment. However, for so long VWFS remains the Servicer under the Servicing Agreement, VWFS also is the agent of the Issuer for the purposes of the collection of the Receivables and will, accordingly, be accountable to the Issuer for any amount paid to VWFS in respect of the Receivables;
- (c) notice to the Obligor would prevent VWFS and the Obligor amending the relevant Financing Contract without the involvement of the Issuer. However, VWFS will undertake for the benefit of the Issuer that VWFS will not waive any breach under, or amend the terms of, any of the Financing Contracts, other than in accordance with VWFS' Customary Operating Practices; and
- (d) lack of notice to the Obligor means that the Issuer will have to join VWFS as a party to any legal action which the Issuer may want to take against any Obligor. VWFS as Seller will, however, undertake for the benefit of the Issuer that VWFS will lend its name to, and take such other steps as may be required by the Issuer or the Security Trustee in relation to any action in respect of the Purchased Receivables and VWFS grants the Issuer a power of attorney in this regard.

Until notice is given to the Obligor, equitable set-off rights (such as for misrepresentation or breach of contract as referred to in "*Liability For Misrepresentations And Breach Of Contract*" below) may accrue in favour of an Obligor in respect of his obligation to make payments under the relevant Financing Contract. Exercise of such rights by the Obligor may, therefore, result in the Issuer receiving less money than anticipated from the Receivables, which may in turn lead to reduced amounts being available to pay the Noteholders. The assignment of any Receivables to the Issuer will be subject both to any prior equities which have arisen in favour of the Obligor and to any equities which may arise in the Obligor's favour after the assignment until such time (if ever) as he receives actual notice of the assignment.

Notification Events have been put in place in the transaction to mitigate the risk deriving from the equitable assignment but there can be no certainty as to the timing and effectiveness of such Notification Events.

## Changes to the UK regulatory structure

The FCA is responsible for the consumer credit regime in the UK. The FCA regulates firms in the sector both prudentially and through extensive conduct of business requirements ensuring that business across the sector is conducted in a way which advances the interests of all users and participants. HM Treasury oversees the regime and is responsible for the legislative framework. In June 2022 HM Treasury announced its intention to reform consumer credit regime. It plans to modernise the regime to cut costs for businesses and simplify rules for consumers. In a consultation response published in July 2023, HM Treasury confirmed that the reform will aim to be proportionate, aligned with current and future regulatory frameworks, forward-looking, deliverable and simplified, and that HM Treasury will consult further on the detail of the reforms in 2024. The timetable for reform is likely to be two to three years.

The FCA has been the regulator since April 2014 and it is still evolving its practices in connection with the consumer credit regime. In light of this it is possible that it will take further action to impose stricter rules on current practices of regulated firms. It is possible that through the actions it takes as regulator it will have an effect on the Financing Contracts, the Seller, and the Issuer and their respective businesses and operations, which may, in turn, affect the Issuer's ability to make payments in full on the Notes when due.

## Regulatory framework

The regulatory framework for consumer credit in the UK consists of the Financial Services and Markets Act 2000 ("**FSMA**") and its secondary legislation, including the Financial Services and Markets Act (Regulated Activities) Order 2001 (the "**RAO**"), retained provisions in the Consumer Credit Act 1974, as amended by the Consumer Credit Act 2006, and its retained associated secondary legislation (the "**CCA**"), and rules and

guidance in the FCA Handbook, including the Consumer Credit Sourcebook ("**CONC**"). Article 60B of the RAO defines a regulated credit agreement as an agreement between an individual ("**A**") and any other person ("**B**") under which B provides A with credit of any amount and which is not an exempt agreement under articles 60C to 60HA of the RAO. Article 60C of the RAO contains an exemption for consumer credit contracts exceeding the value of £25,000, which are entered into wholly or predominantly for the debtor's business purposes.

The application of the CCA to the Financing Contracts which are regulated by the CCA (the "**Regulated Financing Contracts**") will have several consequences including the following:

(a) Voluntary Terminations

At any time before the last payment falls due in respect of the relevant Regulated Financing Contract, the Obligor may, pursuant to sections 99 and 100 of the CCA, terminate the relevant Regulated Financing Contract. Obligors do not have to state a reason for exercising their rights under this section. Generally Obligors may take advantage of the right of voluntary termination when they are in financial difficulty, or when the residual value of the Vehicle on part-exchange is less than the amount that would be payable on Early Settlement. In order to terminate the Regulated Financing Contract, the Obligor is required to notify VWFS. On and upon notification the Obligor must return the vehicle, at its own expense, to an address as reasonably required by VWFS, together with everything supplied with the vehicle.

In such a case VWFS is entitled to:

- (i) all arrears of payments due and damages incurred for any other breach of the Regulated Financing Contract by the Obligor prior to such termination;
- (ii) the amount (if any) by which one half of the total amount which would have been payable under the Regulated Financing Contract if it had run its course exceeds the aggregate of sums already paid by the Obligor and amounts due from the Obligor under the Regulated Financing Contract immediately before exercise by the Obligor of its statutory right of termination;
- (iii) possession of the relevant vehicle subject to the Regulated Financing Contract being terminated; and
- (iv) any other sums due but unpaid by the Obligor under the Regulated Financing Contract.

Following the Voluntary Termination of a Financing Contract, VWFS will take possession of the relevant vehicle and will sell such Vehicle in accordance with its Customary Operating Practices. VWFS will apply (a) any amounts received per paragraphs (i) and (ii) above and (b) any proceeds from the sale of the vehicle to reduce the receivables balance of the Financing Contract that remains outstanding following the Voluntary Termination. Following such application, any remaining amounts of receivables balance on the Financing Contract that has been the subject of the Voluntary Termination will be written-off and reduced to zero.

Following the end of the Revolving Period, if an Obligor exercises its rights to terminate a Financing Contract pursuant to sections 99 and 100 of the CCA, it is possible that the Notes may be redeemed earlier than anticipated.

Furthermore if an Obligor terminates a Financing Contract pursuant to sections 99 and 100 of the CCA, it is possible that the Issuer will not receive the full amount of the principal amount outstanding on the relevant Purchased Receivable and an amount of principal will accordingly be written-off. This in turn could trigger losses in respect of the Notes.

(b) Early Settlement of Regulated Financing Contracts

The Obligor has a statutory right to discharge his payment liability, and obtain title to the Vehicle, under the Regulated Financing Contract in advance of its scheduled final repayment date by paying VWFS all unpaid scheduled payments through to the scheduled final repayment date together with all other amounts due and payable under the relevant Regulated Financing Contract less a rebate calculated pursuant to the provisions of the Consumer Credit (Early Settlement) Regulations 2004 (the "**Early Settlement Regulations**") (see sub-paragraph (d) below).

In addition, from 1 February 2011 the Obligors under a Regulated Financing Contract entered into after 11 June 2010 have a right to make partial early repayments of the Regulated Financing Contract. One or more partial early repayment(s) may be made at any time during the life of the relevant Regulated Financing Contract, subject to the Obligor taking certain steps as outlined in Section 94 of the CCA. The provisions on partial early settlement are largely the same as those for full early settlement and the framework operates in much the same way.

(c) Termination of Regulated Financing Contracts

VWFS has the right to terminate the Regulated Financing Contract in the event of an unremedied material breach of agreement by the Obligor. In such case VWFS is entitled to repossess the vehicle (however, where the Obligor has paid at least one-third of the total amount payable, the vehicle becomes "protected" under the CCA with the consequences described in "Protected Goods" below) and recover either:

(i)

- (1) all arrears of payments due and damages incurred for any breach of the Regulated Financing Contract by the Obligor prior to such termination;
- (2) all VWFS' expenses of recovering or trying to recover the Vehicle, storing it and tracing the Obligor and any shortfall relating to the sale or other disposal of vehicle (including all expenses of sale); and
- (3) any other sums due but unpaid by the Obligor under the Regulated Financing Contract less a rebate calculated pursuant to the provisions of the Early Settlement Regulations (see below).

(ii) or such lesser amount as a court considers will compensate VWFS for its loss.

Court decisions have conflicted on whether the amount payable by the obligors on termination by the lender (for example, for repudiatory breach by the Obligor) is restricted to the amount calculated by the one-half formula for termination by the Obligor. The Financing Contracts provide that the amount payable by the Obligor on termination by VWFS is the outstanding balance of the total amount payable under the Financing Contract less any statutory rebate for early settlement and less any proceeds of sale or estimated value of the vehicle so the Financing Contracts reflect those court decisions favourable to VWFS on this point.

(d) Rebate on Early Settlement or on Termination of a Regulated Financing Contract by VWFS

In the case of Regulated Financing Contracts, a rebate of credit charges may be due on early settlement. The amount of the rebate is calculated in accordance with the Early Settlement Regulations. The rebate is available only in the circumstances specified in the Early Settlement Regulations. No such rebate is required where the Obligor exercises his right to terminate a Regulated Financing Contract as described in (a) above, as the Obligor may terminate the relevant Regulated Financing Contract, without discharging in full the total amount payable under the Regulated Financing Contract.

(e) Time Orders

If, with regards to a Regulated Financing Contract, certain default or enforcement proceedings are taken or notice of early termination is served on an Obligor, the Obligor can apply to the court for a time order to change the timing of payments under his Regulated Financing Contract or to repay the outstanding sum by lower instalments than provided for in his Regulated Financing Contract. Under the provisions of the CCA the court has a wide discretion to make an order incorporating such amendments to the relevant Regulated Financing Contract as it considers fit, in order to achieve the objectives of the time order.

(f) Bona fide purchaser

A disposition of the vehicle by the Obligor to a bona fide private purchaser without notice of the Financing Contract will transfer to the purchaser VWFS' title to the vehicle.

(g) Interpretation of technical rules

VWFS has interpreted certain technical rules under the CCA in a way common with many other lenders in the vehicle finance market. If such interpretation were held to be incorrect by a court or other dispute resolution authority, then the Financing Contract would be unenforceable without a court order. If such interpretation were challenged by a significant number of Obligor, then this could lead to significant disruption and shortfall in the income of the Issuer. Court decisions have been made on technical rules under the CCA against certain lenders, but such decisions are very few and are generally county court decisions which are not binding on other courts. Where agreements are unenforceable without a court order due to minor documentary defects, lenders have historically pursued such debts as though they are simply enforceable, until such time as those defects were raised by the borrower and/or the court in any claim. To mitigate the risks associated with this approach, lenders currently rely on the decision in *McGuffick v Royal Bank of Scotland* [2010] 1 All ER 634, in which the High Court ruled that, in relation to agreements which were unenforceable by reason of failures to provide copies under sections 77 and 78 of the CCA, steps which fell short of obtaining a court judgment against the borrower were not "enforcement" within the meaning of the CCA.

(h) Enforcement of improperly executed or modified Regulated Financing Contracts

If a Regulated Financing Contract has been "improperly executed" (as such term is used in the CCA) or improperly modified in accordance with the provisions of the CCA, it may be unenforceable unless a court order has been obtained. A Regulated Financing Contract may be completely unenforceable in circumstances where (i) there is no Regulated Financing Contract signed by the Obligor; and/or (ii) the form and content of certain prescribed pre-contract information and the agreement do not conform to the relevant detailed provisions of the CCA.

(i) "Unfair relationship"

The court has power under section 140A of the CCA to determine that the relationship between a lender and a customer arising out of the credit agreement (whether alone or with any related agreement) is unfair to the consumer. In applying the new unfair relationship test, the courts are able to consider a wider range of circumstances surrounding the transaction, including the lender's conduct before and after making the agreement. There is no statutory definition of "unfair" as the intention is for the test to be flexible and subject to judicial discretion. The Supreme Court has given general guidance in respect of unfair relationships in *Plevin v Paragon Personal Finance Ltd* [2014] 1 WLR 4222. Whilst the court acknowledged that it is not possible to state a precise or universal test for an unfair relationship, which must depend on the court's judgment of all the relevant facts, the court did give guidance on the nature of the test which should be applied. The Supreme Court acknowledged that what must be unfair is the relationship between the debtor and the creditor. Although the court is concerned with hardship to the debtor, there may be features which operate harshly against the debtor but it does not necessarily follow that the relationship is unfair because the features in question may be required in order to protect a legitimate interest of the creditor. The FCA principles are also relevant and apply to the way contract terms are used in practice and not just the way they are drafted. Once an Obligor alleges that an unfair relationship exists, the burden of proof is on the lender to prove the contrary.

(j) Financial Ombudsman Service

The Financial Ombudsman Service is an out-of-court dispute resolution scheme with jurisdiction to determine complaints against authorised persons under the FSMA relating to conduct in the course of specified regulated activities including in relation to consumer credit.

Under FSMA, the Financial Ombudsman Service is required to make decisions on, among others, complaints relating to the terms in agreements on the basis of what, in the Ombudsman's opinion, would be fair and reasonable in all the circumstances of the case, taking into account, among others, law and guidance. Complaints brought before the Financial Ombudsman Service for consideration must be decided on a case-by-case basis, with reference to the particular facts of any individual case. Each case would first be adjudicated by an adjudicator. Either party to the case may appeal against the adjudication. In the event of an appeal, the case proceeds to a final decision by the Ombudsman. The Financial Ombudsman Service may order a money award to an Obligor, which may adversely affect the value at which the Financing Contracts in the Receivables could be realised and accordingly the ability of the Issuer to meet its obligations under the Notes. From 1 April 2023, the compensation limit for complaints referred to the Financial Ombudsman Service on or after 1 April 2023 is £415,000 where the complaint relates to an

act or omission arising on or after 1 April 2019 and £190,000 for complaints relating to acts or omissions arising before that date. The jurisdiction of the Financial Ombudsman Service has applied since 6 April 2007.

(k) Private rights of action under the FSMA

An Obligor who is a private person may be entitled to claim damages for loss suffered as a result of any contravention by an FCA authorised person of a rule under the FSMA. From 1 April 2014, such rules include rules in the FCA Consumer Credit Sourcebook (CONC), which transposes certain requirements previously made under the CCA and in OFT guidance. The Obligor may set off the amount of the claim for contravention of CONC against the amount owing under the Regulated Financing Contract or any other credit agreement he has taken with the authorised person (or exercise analogous rights in Scotland). Any such set-off may adversely affect the Issuer's ability to make payments in full when due on the Notes.

(l) Enforcement action by the FCA

The FCA has a broad range of enforcement powers under the FSMA which it can take against authorised firms where the firm breaches a requirement of the FSMA. These powers include the ability to order restitution and implement consumer redress schemes under Section 404 of FSMA. In addition where a lender or broker does not have the relevant permission an agreement will be unenforceable against the customer without an order of the FCA.

(m) Servicing Requirements

VWFS has to comply with certain post contract information requirements under the CCA. Failure to comply with these requirements can have a significant impact. For example: (a) the credit agreement is unenforceable against the customer for any period when the lender fails to comply with requirements as to periodic statements, arrears notices or default notices (although any such unenforceability may be cured prospectively by the lender complying with requirements as to periodic statements, arrears notices and default notices); (b) the customer is not liable to pay interest or default fees for any period when the lender fails to comply with requirements as to periodic statements or arrears notices; and (c) interest on default fees is restricted to nil until the 29<sup>th</sup> day after the day on which a notice of default fees is given and then to simple interest (i.e. interest may only be calculated on the principal amount of the default fee).

## **Liability for misrepresentations and breach of contract**

(a) Regulated Financing Contracts

Under section 75 of the CCA, an Obligor may make a claim against VWFS as well as a supplier in respect of any misrepresentations made by the supplier in a transaction between the supplier and the Obligor during negotiations between them before execution of the relevant Regulated Financing Contract or for a breach of contract. This liability arises in relation to, for example, insurance products where the creditor can be liable to the Obligor for misrepresentation or breach of contract by an insurer (or a dealer on its behalf) in relation to an insurance contract between the insurer and the Obligor and financed by a Regulated Finance Contract.

In all the above circumstances, VWFS normally has a right to be reimbursed by the supplier for any amount paid to the Obligor in respect of the Obligor's claim and any costs (including legal costs) incurred in defending the claim.

Equitable (or equivalent or analogous) set-off rights (such as for misrepresentation or breach of contract) may accrue in favour of an Obligor in respect of its obligation to make payments under the relevant Financing Contract. Exercise of such rights by the Obligors may, therefore, result in the Issuer receiving less money than anticipated from the Receivables, which may in turn lead to reduced amounts being available to pay the Noteholders.

In addition under section 56 of the CCA where a credit broker, such as a dealer, carries out antecedent negotiations with an Obligor those negotiations will be deemed to be carried out in the capacity of agent of the creditor as well as in his actual capacity. As a result VWFS will be potentially liable in respect of any misrepresentations made by any credit broker involved in introducing an Obligor to VWFS. This liability arises in relation to the Vehicle, and applies for example, to the dealer's promise to the Obligor on the quality or fitness of the Vehicle, and can extend, for example, to the dealer's promise to apply a part-exchange allowance to discharge an existing credit agreement. If any such pre-contractual statement is a misrepresentation or implied condition in the regulated

consumer credit contract, then the Obligor is entitled to, amongst other things, rescind the contract and return the goods, and to treat the contract as repudiated by VWFS and accept such repudiation by notice, and is not liable to make any further payments, and may claim repayment of the amounts paid by the Obligor under the contract and damages such as the cost of hiring an alternative vehicle. The Obligor may set-off the amount of any such money claim against the amount owing by the Obligor under the credit agreement or any other credit agreement he has taken with VWFS (or exercise analogous rights in Scotland).

(b) All Financing Contracts including Regulated Financing Contracts

Under the Supply of Goods (Implied Terms) Act 1973 an Obligor may also make a claim for breach of contract against VWFS or, potentially, terminate the Financing Contract for repudiatory breach if the vehicle the subject of the Financing Contract is not of satisfactory quality (which includes an assessment of whether it is fit for its intended purpose) or as described. Under the terms of each Financing Contract, there is one clause which purports to restrict VWFS' liability for any loss, injury or damage (other than death or personal injury) caused by VWFS' negligence or breach of contract. This clause is expressly stated to be subject to the relevant implied terms of the Supply of Goods (Implied Terms) Act 1973 in relation to title, conformity of the vehicles in question as to description, sample, quality and fitness for a particular purpose.

For Financing Contracts entered into on or after 1 October 2015 by Obligors (acting wholly or mainly outside that Obligor's trade, business, craft or profession) equivalent protections are contained in the Consumer Rights Act 2015 (the "**CRA15**"). Where the Obligor makes the contract other than in the course of a business this exclusion does not affect the Obligor's statutory rights, either under the Supply of Goods (Implied Terms) Act 1973 or the CRA15, that the goods be of satisfactory quality fit for their intended purpose and as described. Where the Obligor makes the contract in the course of a business the exclusion of liability will only be binding if it meets a statutory test of reasonableness.

In the above circumstances, VWFS will normally have a right to claim against the dealer or supplier for any amount paid to the Obligor in respect of the Obligor's claim and any costs (including legal costs) incurred in defending the claim. If any such case arises and the Obligor's claim is successful, VWFS would also ordinarily seek to sell the Vehicle back to the dealer.

## **Protected Goods**

If, under a Regulated Financing Contract, the Obligor has paid VWFS one-third or more of the total amount payable under the relevant Regulated Financing Contract, the vehicle becomes "protected" pursuant to section 90 of the CCA and VWFS is not entitled to repossess it, unless VWFS first obtains an order from the court to this effect. If, however, the Obligor terminates the Regulated Financing Contract, the vehicle ceases to be "protected" and VWFS may effect repossession unless the court grants the Obligor a "time order" rescheduling the Obligor's outstanding liabilities under the Regulated Financing Contract, or otherwise exercises any other discretion which it may have under the CCA. In the event any of the vehicles owned by Obligors are protected, this could potentially cause delays in recovering amounts due from the Obligors and consequently may reduce amounts available to Noteholders.

### **1. Other Risks Resulting from Consumer Legislation**

(a) Consumer Rights Act 2015 ("**CRA15**")

For transactions entered into on and after 1 October 2015, the CRA15 applies to all Financing Contracts involving consumers. A term shall be regarded as unfair if, contrary to the requirement of good faith, it causes a significant imbalance in the parties' rights and obligations arising under the contract to the detriment of the consumer. It should be noted that there is no strict definition as to what will constitute an "unfair" term, although Schedule 2 of the CRA15 provides a (non-exhaustive) list of terms that may potentially be deemed to be unfair. The assessment of unfairness will take into account all the circumstances attending the conclusion of the contract. In addition there is a requirement for terms to be transparent and prominent.

Ultimately, only a court can decide whether a term is fair; however, it will take into account any relevant guidance published by the Competition and Markets Authority or the FCA.

The CRA15 also extends protection to announcements or other communications, whether or not in writing, that may be seen by the consumer that are related to the Financing Agreement. The CRA15 makes both consumer contracts and consumer notices unenforceable if they fail the fairness test; introduces a more stringent test for fairness by making main subject matter of the contract or terms which set the price subject to the fairness test if they are not both transparent and prominent; and introduces new terms into the list of potentially unfair clauses in consumer contracts.

No assurance can be given that the implementation of the CRA15 or changes to FCA guidance will not have an adverse effect on the Receivables, VWFS, the Servicer, the Issuer and their respective businesses and operations. The broad and general wording of the CRA15 makes any assessment of the fairness of terms largely subjective and makes it difficult to predict whether or not a court would find a term to be unfair. It is therefore possible that any agreements made with consumers may contain unfair terms, which may result in the possible unenforceability of those unfair terms. This may adversely affect the ability of the Issuer to dispose of Receivables, or any part thereof, in a timely manner and/or the realisable value of the Receivables, or any part thereof, and accordingly affect the ability of the Issuer to meet its obligations under the Notes when due.

No assurance is given that future changes to the CRA15, the manner in which the CRA15 is applied, interpreted or enforced, or changes to guidance relating to the CRA15 will not have an adverse effect on the Receivables, VWFS, the Servicer, the Issuer and their respective businesses and operations. This may adversely affect the ability of the Issuer to dispose of Receivables, or any part thereof, in a timely manner and/or the realisable value of the Receivables, or any part thereof, and accordingly affect the ability of the Issuer to meet its obligations under the Notes when due.

(b) Unfair Commercial Practices Directive 2005

On 11 May 2005, the European Parliament and the Council adopted the Unfair Commercial Practices Directive (SI 2005/29/EC) (the "**UCPD**"). The UCPD is a maximum harmonisation Directive, which means that (except for financial services and immovable property) Member States may not impose more stringent provisions than those provided for by the UCPD.

The UCPD seeks to harmonise unfair trading laws in all Member States by: (i) introducing a general prohibition on traders not to treat consumers unfairly; (ii) obliging businesses not to mislead consumers through acts or omissions or through subjecting them to aggressive commercial practices such as high pressure selling techniques; and (iii) introducing a prohibition of specified practices that will be deemed unfair in all circumstances. The UCPD has a wide scope in that it prohibits unfair business-to-consumer practices in all sectors, however, it only focuses on the protection of economic interests. Other interests such as health, safety, taste or decency are outside its scope.

The UCPD is intended to protect only the collective interests of consumers; it does not seek to provide individual consumers with a private right of action.

The Consumer Protection from Unfair Trading Regulations 2008 (SI 2008/1277) (the "**Consumer Protection Regulations**"), which implement the UCPD, came into force on 26 May 2008.

The Consumer Protection Regulations are comprised of three key restrictions:

- (i) Regulation 3 sets out a general prohibition of unfair commercial practices, so as to catch all practices which do not fall into the specific prohibitions of misleading and aggressive practices or the specifically banned practices. In accordance with Regulation 3, a commercial practice is "unfair" if:
  - (1) the practice contravenes the requirements of "professional diligence" (which is the special skill and care a trader may be reasonably expected to exercise commensurate with honest market practice or the general principle of good faith in its field of activity); and
  - (2) the practice materially distorts or is likely to materially distort the economic behaviour of the average consumer with regard to the product in question.
- (ii) Regulations 5 to 7 set out specific prohibitions in respect of misleading actions or omissions, and aggressive practices, respectively.
- (iii) Schedule 1 to the Consumer Protection Regulations contains a list of 31 specified commercial practices that are in all circumstances to be deemed unfair. Evidence of their effect, or likely effect, on the average consumer is not required in order to prove a breach under the Consumer Protection Regulations.

Enforcers (such as the Competition and Markets Authority and local trading standards authorities) may take civil enforcement action in respect of a breach of the Consumer Protection Regulations and consumers also have a right to redress for prohibited practices, including a right to unwind agreements, claim damages or obtain a discount.

The Consumer Protection Regulations have been incorporated into the Digital Markets, Competition and Consumers Bill which is currently passing through the Houses of Parliament. The Bill provides ministers with

regulation making powers to amend the list of automatically unfair practices set out in Schedule 18 of the bill. The Government issued a consultation paper in September 2023 seeking views on practices which should be added to Schedule 18 and also seeking input on extending the private right of action to other elements of the Consumer Protection Regulations including misleading omissions, breaches of professional diligence and the listed automatically unfair practices.

The Consumer Protection Regulations require the Competition and Markets Authority and local trading standards authorities to enforce the Consumer Protection Regulations by prosecution or by seeking an enforcement order to prevent a business from carrying on unfair practices. In addition, the FCA addresses unfair practices in its regulation of consumer finance. No assurance can be given that any regulatory action or guidance in respect of the Consumer Protection Regulations will not have a Material Adverse Effect on the Financing Contracts and accordingly on the Issuer's ability to make payments in full when due on the Notes.

### **FCA ongoing work in the motor finance market sector**

The FCA has been looking at the motor finance market to develop its understanding of the relevant products and how they are sold, and to assess whether the products cause harm to consumers and if the market is functioning as well as it could. The FCA published its final findings in March 2019. In particular, the FCA found that commission models allowing broker discretion on interest rates have the potential for significant customer harm in terms of higher interest charges. The FCA refers in particular to Increasing Difference in Charges (DiC) and Reducing Difference in Charges commission models, which 'can provide strong incentives' for brokers to arrange finance at higher interest rates. With DiC models, brokers are paid a fee which is linked to the interest rate payable by the customer. The contract between the lender and broker sets a minimum (for Increasing DiC) or maximum (for Decreasing DiC) interest rate and the fee is a proportion of the difference in interest charges between the actual interest rate and the minimum/maximum interest rate. On 15 October 2019, the FCA published a consultation paper (CP 19/28) proposing a ban on motor finance discretionary commission models where the amount of the commission is linked to the interest rate the customer pays and which the dealer or broker has the power to set. This includes Increasing DiC and Reducing DiC models, as well as scaled commission models. Such a prohibition aims to address consumer harm by removing the financial incentive for brokers or dealers to increase a customer's interest rate. The FCA has also prepared draft amendments to its rules and guidance on commission disclosure to customers. The FCA's final rule changes, and new rules introducing a ban on discretionary commission models have applied since 28 January 2021.

The FCA has announced, on 11 January 2024 that it is using its powers under section 166 of FSMA to review historical motor finance commission arrangements and sales across several firms. VWFS has, as of 11 January 2024, received notice from the FCA that VWFS has been included in a review to be undertaken by the FCA using a skilled person under section 166 of FSMA (the "**Section 166 Review**") into its historic practices with respect to discretionary commission arrangements with dealers. Discretionary commission arrangements are those arrangements in which the amount the broker receives as commission is linked to the rate that the customer pays and which the broker has the power to set or adjust.

VWFS understands that the purpose of the Section 166 Review is for the FCA to review and consider how VWFS has designed and operated motor finance products and its approach to commission disclosure prior to the PS20/8 banning of discretionary commission models in January 2021.

In its press release accompanying the Section 166 Review, the FCA confirmed it plans to set out its next steps in Q3 2024.

No assurance can be given that changes will not be made to the regulatory regime and developments described above in respect of the vehicle finance market in the United Kingdom generally, the Seller's particular sector in that market or specifically in relation to the Seller, whether arising from the FCA review into the motor finance industry or otherwise. Additionally, this may have a Material Adverse Effect on the Seller, the Issuer and/or the Servicer and their respective businesses and operations and may in turn adversely affect the Issuer's ability to make payments in full when due on the Notes.

### **Breathing Space Regulations**

On 17 November 2020, the Debt Respite Scheme (Breathing Space Moratorium and Mental Health Crisis Moratorium) (England and Wales) Regulations 2020 (the "**Breathing Space Regulations**") were made which implemented a new breathing space scheme from 4 May 2021. The scheme allows individuals in England and Wales struggling with problem debt an extra 60 days to get their finances under control, while they receive debt advice via professional debt advice providers in order to enter an appropriate debt solution. The scheme also provides for an alternative means to access the protections of a moratorium where individuals are receiving mental health crisis treatment, which enables the protections to be in place for the duration of their crisis treatment. No interest and fees on debts can be charged and almost all enforcement action is paused during the moratorium period. However individuals are not protected from enforcement action on any debts arising from failure to pay ongoing household liabilities, such as rent or mortgage payments.

On 24 December 2020, the Government published guidance to provide support to creditors and debt advisors in understanding the Breathing Space Regulations. On 26 February 2021 the FCA published a policy statement (PS 21/1) outlining changes to the FCA Handbook as a result of the Breathing Space Regulations. The changes amend certain parts of CONC to clarify how the rules apply where the Breathing Space Regulations also apply.

The breathing space includes almost all personal debts and therefore the Seller is required to implement the requirements of the scheme for customers that meet the eligibility criteria for entry into the scheme, therefore this could result in adverse consequences for Noteholders' investment in the Notes including reduced or delayed payments on the Notes or a reduction in the credit quality or credit rating of the Notes.

On 13 May 2022, HM Treasury published a consultation and draft regulations (the Debt Respite Scheme (Statutory Debt Repayment Plan etc) (England and Wales) Regulations 2022) ("**the Draft DRS Regulations**"). The Draft DRS Regulations would introduce statutory debt repayment plans ("**SDRPs**"), a new form of debt solution complementing the debt respite scheme provided by the Financial Guidance and Claims Act 2018. The aim of an SDRP is to enable a person in problem debt to repay their debts under a single statutory agreement to a manageable timetable (up to ten years), while being protected from creditor action. SDRPs will only be accessible through the debt advice function of a local authority or from private debt advice providers authorised by the FCA. Any debt or liability owed by the debtor when applying for the SDRP will be a "qualifying debt" unless it is a "non-eligible debt". Some types of non-eligible debts are mandatorily excluded from an SDRP but this is not expected to include motor finance agreements as the scope is likely to be the same as the Breathing Space Regulations. While an SDRP is in effect, creditors cannot take enforcement steps in respect of a qualifying debt. The draft regulations also create "priority debts" which benefit from a prioritised payment allocation. The current proposal is that this will include hire-purchase payments. If at least 25% by value of creditors object to a provisional SDRP, the Insolvency Service will review whether it is fair and reasonable before making it final. In November 2022, HM Treasury published a consultation response which stated that the government would base further decisions on the future of the SDRP on the outcomes of the government's review of the personal insolvency framework, noting that no decision on reform has been made. The breathing space moratoria and, if implemented, the SDRPs could result in adverse consequences for Noteholders, including reduced or delayed payments on the Notes or a reduction in the credit quality or credit rating of the Notes.

In Scotland, eligible individuals are currently afforded similar legal protection as set out above under the Bankruptcy (Scotland) Act 2016 although the moratorium period of 6 months is longer than in England and Wales and does not make any accommodation for mental health crisis. The Scottish Government has however introduced The Bankruptcy and Diligence (Scotland) Bill which, if enacted, will permit regulations to be made for the introduction of a similar form of moratorium in Scotland as currently exists under the Breathing Space Regulations. It is anticipated that the Bill will come into force by summer 2024, although regulations on the proposed moratorium will likely follow later.

### **Vulnerable Customers and Borrowers in Financial Difficulty**

In February 2021, the FCA published final guidance on the fair treatment of vulnerable customers (the "**VC Guidance**"). The VC Guidance reflects the FCA's focus on firms understanding the needs of their target market and customer base, ensuring that staff have the right skills and capability to recognise and respond to the needs of vulnerable customers and monitoring and assessing whether they are meeting and responding to the needs of customers with characteristics of vulnerability. The VC Guidance outlines the FCA's expectations on how firms can comply with the FCA's Principles for Business as regards vulnerable customers.

During the Coronavirus pandemic the FCA issued guidance to firms in the context of treatment of customers who were experiencing payment difficulties in the form of the credit payment deferral guidance on 24 April 2020 and updated with effect from 17 July 2020 and the tailored support guidance published in draft on 2 November 2020 and updated on 19 November 2020. In addition, the FCA also launched the Borrowers in Financial Difficulty Project ("**BiFD Project**") in March 2021 to ensure firms continue to support customers in financial difficulty. The findings from the BiFD Project will shape the FCA's work and enforcement activity in relation to any firm who is not meeting the FCA's requirements.

Furthermore, the FCA published a "Dear CEO" letter on 16 June 2022 entitled "The rising cost of living – acting now to support consumers" reminding firms of the requirement to treat borrowers fairly in accordance with existing principles, rules and guidance (including the VC Guidance). In December 2022 the FCA published its report into Borrowers in Financial Difficulty and followed this up in May 2023 with a consultation which proposes amendments to the FCA Handbook (the FCA has stated that it does not propose to transfer parts of the TSG into the FCA Handbook which are not relevant outside the context of the pandemic) to strengthen the protections for borrowers in financial difficulty. The proposals include incorporating aspects of the existing FCA guidance introduced during the Coronavirus pandemic into the FCA Handbook and to support firms acting to deliver good outcomes for customers as required by the Consumer Duty principle (See Consumer Duty below).

VWFS has, as of 1 November 2023, received notice from the FCA of its intention to commence an investigation under section 168 of FSMA (the "**Section 168 Investigation**") into its non-current practices with respect to the treatment of customers in default or in arrears difficulties during the period from 1 January 2017 to 31 July 2023 (the "**Relevant Period**"). The details of the investigation are confidential, but VWFS is permitted to provide this disclosure in accordance with its contractual obligations.

VWFS understands from the FCA that the Section 168 Investigation stems from a series of workstreams which VWFS has undertaken with assistance from an external audit firm (the "**External Advisors**") in response to concerns raised by the FCA in the context of the BiFD Project.

VWFS believes that its policies and procedures are generally fit for purpose noting that some enhancements should be made to better align with regulatory expectations and many of those enhancements have already been delivered.

VWFS has already undertaken a data-led approach with respect to the analysis of 5.5 million customer contracts included in the Relevant Period and, together with its external advisers, proposed a remediation pool of approximately 95,000 customer contracts (comprising both current customer contracts with live balances and terminated customer contracts) (the "**Remediation Pool**") in respect of which it will make a distress and inconvenience payment based on the arrears status of the contract to the affected customers (the "**Remediation Exercise**"). No Purchased Receivables in the Remediation Pool will be sold to the Issuer.

Whilst VWFS does not seek to, and cannot, pre-judge the outcome of the Section 168 Investigation, if the Section 168 Investigation is adversely determined VWFS does not believe that the Section 168 Investigation will impact the any corporate warranty.

The requirements in both the VC Guidance and the BiFD Project and any changes to the FCA Handbook may impose additional compliance costs, which may have an adverse effect on the Servicer and its businesses and operations, which may in turn adversely affect the Issuer's ability to make payments of interest and/or principal due on the Notes.

### **Consumer duty**

The FCA's new rules and guidance relating to "consumer duty" ("**Consumer Duty**") have applied since 31 July 2023. The Consumer Duty establishes higher expectations for the standard of care that firms provide to retail clients which apply to all retail customers and which includes all customers who are within the scope of the CONC.

The Consumer Duty has three key elements: (1) the Consumer Principle, which states that a firm must act to deliver good outcomes for retail customers; (2) 'Cross-cutting Rules', which develop and clarify the Consumer Principle's overarching expectations of firm conduct and set out how it should apply in practice; and (3) the 'Four outcomes', a suite of rules and guidance that set more detailed expectations for firm conduct in relation to four specific outcomes for the key elements of the firm-customer relationship – Products and Services, Price and Value, Consumer Understanding and Customer Support. The FCA has been clear that it sees the introduction of this Consumer Duty as a paradigm shift in the expectations of firms setting a higher standard than Principle 6 (Treating Customers Fairly) of the FCA's Principles for Businesses.

The FCA had also previously said (in Feedback Statement 19/02) that they would consider the potential merits and unintended consequences of introducing a private right of action for breaches of the FCA's Principles, including any new Principles the FCA might propose. Currently, section 138D of FSMA allows the FCA to determine, for each of their rules, whether individuals have a right of action for damages for loss caused by a breach of that rule (subject to some limited exceptions). This right applies to most FCA rules, but does not currently apply for breaches of FCA Principles. The FCA has noted that it could allow the right for private persons to bring private action for breaches of FCA Principles, including the Consumer Principle, and the wider Consumer Duty, through an amendment to the FCA Handbook.

The FCA views a private right of action as part of a wider range of mechanisms through which firms are accountable for their breaches of FCA rules, and consumers can access redress. The FCA has stated that, whilst there are potential benefits to a private right of action for a breach of the Consumer Duty Principle, it is not currently intending to provide for a private right of action for breaches of any part of the Consumer Duty although this will be kept under review.

Principles-based regulation presents many challenges to firms – introducing a Consumer Duty to this regime will likely act to intensify these challenges but any more specific effect that this will have on the Notes will only become clearer once the new rules are published. The implementation of these new rules may impose additional compliance and business costs, which may have a material adverse effect on the Servicer and/or the Issuer and their respective businesses and operations, which may in turn adversely affect the Issuer's ability to make payments of interest and/or principal due on the Notes.

## Scottish Receivables

Certain of the Financing Contracts have been entered into with Obligors who are (a) consumers and (b) located in Scotland and certain of the vehicles financed pursuant to the Financing Contracts are located in Scotland. In such circumstances, there is a risk that the Scottish courts could apply Scots law based on regulations 5 and 8 of the Unfair Terms in Consumer Contracts Regulations 1999 and from 1 October 2015 the CRA15.

If a Scottish court were to declare that a Financing Contract was in fact governed by Scots law (a "**Scottish Financing Contract**"), the Scots court may declare that such Scottish Financing Contract had always been governed by Scots law, and that the Scottish Financing Contract should therefore be interpreted as a matter of Scots law. There is therefore a risk that the transfer under English law of Receivables derived from Scottish Financing Contracts ("**Scottish Receivables**") sold by VWFS to the Issuer may not be considered to be a valid transfer by the Scots courts.

To mitigate this risk, VWFS will declare trusts (each a "**Scottish Trust**") in favour of the Issuer over the Scottish Receivables and the Vehicles relating thereto and the Issuer will be the beneficiary under each Scottish Trust. To the extent a Scots court considers the Financing Contract to be governed by Scots law, legal title to the relevant Scottish Receivable will remain with VWFS because no formal assignation of the Scottish Receivable duly intimated to the relevant Obligor(s) will have been made. The legal position of the Issuer under each Scottish Trust is substantially in accordance with that set out above in relation to the holding of an equitable interest in the Purchased Receivables governed by the laws of England and Wales.

The fixed charge granted by the Issuer in favour of the Security Trustee over the Issuer's assets provides for, among other things, an Assignation in Security of the Issuer's interest in Scottish Trusts.

## Reliance on Warranties

Under the Receivables Purchase Agreement, in the event of a breach of a warranty given by VWFS in relation to a Receivable and such breach materially and adversely affects the interests of the Issuer, the Seller shall have until the end of the Monthly Period which includes the sixtieth (60th) day (or, if the Seller elects, an earlier date) after the date that the Seller became aware or was notified of such breach to cure or correct such breach (the "**Cure Period**"). The Issuer's sole remedy will be to require the Seller to take one of the following remedial actions:

- (a) remedy the matter giving rise to such breach if such is capable of remedy provided that, if a remedy within the relevant Cure Period (as defined above) is not practicable, the Seller may remedy such breach by the last day of the following calendar month; or
- (b) repurchase the relevant Purchased Receivable at a price equal to, or, in case of a breach of clause 9.1(h) (*Warranties and Representations*) of the Receivables Purchase Agreement, pay to the Issuer the Settlement Amount of such Purchased Receivable at the end of the calendar month immediately preceding such repurchase provided that, if it is not practicable to repurchase such Purchased Receivable within the relevant Cure Period (as defined above), the Seller may repurchase such Purchased Receivable on the immediately following Payment Date.

The Servicer shall immediately notify the Issuer and the Security Trustee if the Servicer becomes aware of any breach of the Seller's representations and warranties set out in clause 9.1 or 9.2 (*Warranties and Representations*) of the Receivables Purchase Agreement.

Additionally, each of the Issuer and Security Trustee agree to notify VWFS promptly upon becoming aware of any breach of representation or warranty set out in clause 9.1 (*Warranties and Representations*) of the Receivables Purchase Agreement in relation to a Purchased Receivable. This will not constitute an obligation of the Issuer and/or the Security Trustee to investigate whether any such breach has occurred.

If the Seller breaches any warranty given in respect of itself in the Receivables Purchase Agreement as at each Additional Purchase Date and the breach materially and adversely affects the interests of the Issuer or the Noteholders, the Issuer may require VWFS to remedy the matter giving rise to such breach if such matter is capable of remedy provided that, if a remedy within the relevant Cure Period (as defined above) is not practicable, the Seller may remedy such breach by the last day of the following calendar month. The Seller also agrees, subject to certain exclusions and limitations, to indemnify the Issuer and the Security Trustee for any breach of its obligations under the Receivables Purchase Agreement and the other Transaction Documents to which it is a party, its failure to comply with any applicable law, rule or regulation imposed upon it by the laws of England and Wales or Scotland or the non-conformity of any Financing Contract with such law, rule or regulation or any product liability claim for damages for personal injury or damage to property or other similar or related claim, liability or action proceedings in respect of which are commenced in the courts of England and Wales or Scotland, arising in connection with any Receivable or Vehicle related thereto or Financing Contract.

## **Reliance on Servicing and Collection Procedures**

VWFS, in its capacity as Servicer, will carry out the servicing, collection and enforcement of the Receivables, including foreclosure on the Receivables in accordance with the Servicing Agreement (see "**ADMINISTRATION OF THE PURCHASED RECEIVABLES UNDER THE SERVICING AGREEMENT**"). Accordingly, the Noteholders are relying on the business judgment and practices of VWFS as they exist from time to time, in its capacity as Servicer to collect and enforce claims against the Obligors.

## **Conflicts of Interest**

VWFS, the Arranger, the Joint Lead Managers, the Security Trustee and the Swap Counterparty are acting in a number of capacities in connection with the transaction. These parties will have only those duties and responsibilities expressly agreed to by them in the relevant agreement and will not, by virtue of their or any of their Affiliates' acting in any other capacity, be deemed to have any other duties or responsibilities or be deemed to be held to a standard of care other than as expressly provided with respect to each agreement to which they are a party. The aforementioned parties in their various capacities in connection with the Transaction may enter into business dealings from which they may derive revenues and profits without any duty to account therefore in connection with the transaction.

VWFS, in particular, may hold and/or service claims against the Obligors other than the Purchased Receivables. The interests or obligations of the aforementioned parties in their respective capacities with respect to such other claims may in certain aspects conflict with the interests of the Noteholders. In addition, VWFS and/or its affiliates will purchase some or all of the Class A Notes and the Class B Notes on or after the Closing Date for their own account with an intention to hold to maturity or to trade. Such Notes held by VWFS and/or its affiliates will not be disregarded for any purpose and VWFS and/or its affiliates will be free to act in their own commercial interests in all matters relating to such Notes without regard to whether their interests conflict with those of any other Noteholders. Such holding or future sale of the Class A Notes and the Class B Notes may adversely affect the liquidity of the Notes and may also affect the prices of the Notes in the secondary market.

The aforementioned parties may engage in commercial relationships, in particular, be lender, provide general banking, investment and other financial services to the Obligors and other parties. In such relationships the aforementioned parties are not obliged to take into account the interests of the Noteholders.

In the event that any of the above parties were to fail to perform their obligations (including any failure to deliver reports that it is required to prepare) under the respective agreements to which they are a party (including any failure arising from circumstances beyond their control such as epidemics or pandemics), Noteholders may be adversely affected.

## **Fixed Charges may take effect as Floating Charges**

Pursuant to the terms of the Deed of Charge and Assignment, the Issuer has purported to grant fixed charges over, among other things, its interests in the Purchased Receivables and their Ancillary Rights, its rights and benefits in the Accounts from time to time.

English law relating to the characterisation of fixed charges is unsettled. The fixed charges purported to be granted by the Issuer (other than by way of assignment in security) may take effect under English law as floating charges only if, for example, it is determined that the Security Trustee has not been provided sufficient control over the charged assets (although it should be noted that there is no equivalent concept of recharacterisation of fixed security as floating security under Scots law). If the charges take effect as floating charges instead of fixed charges, then, as a matter of law, certain claims would have priority over the claims of the Security Trustee in respect of the floating charge assets.

The interest of the Transaction Creditors in property and assets over which there is a floating charge will rank behind the expenses of any administrator or liquidator and the claims of certain preferential creditors on enforcement of the Security. Section 251 of the Enterprise Act 2002 abolishes Crown Preference in relation to all insolvencies (and thus reduces the categories of preferential debts that are to be paid in priority to debts due to the holder of a floating charge) but a new Section 176A of the Insolvency Act 1986 and article 150A of the Insolvency (Northern Ireland) Order 1989, requires a "prescribed part" (up to a maximum amount of £600,000, or £800,000 in relation to floating charges which have come into existence on or after 6 April 2020 or, 800,000 under Northern Irish law pursuant to Insolvency (Northern Ireland) Order 1989 (Prescribed Part) (Amendment) Order (Northern Ireland) 2022) of the floating charge realisations available for distribution to be set aside to satisfy the claims of unsecured creditors and from 1 December 2020 HMRC obtained preferential status as a secondary preferential creditor in respect of certain taxes (eg, VAT, PAYE, employee NICs, student loan deductions and construction industry scheme deductions). This means that the expenses of any administration, the claims of preferential creditors and the beneficiaries of the prescribed part will be paid out of the proceeds of enforcement of the floating charge ahead of amounts due to Noteholders. The prescribed

part will not be relevant to property subject to a valid fixed security interest or to a situation in which there are no unsecured creditors.

### **Termination for Good Cause (Kündigung aus wichtigem Grund)**

As a general principle of German law, a contract may always be terminated for good cause (*Kündigung aus wichtigem Grund*) and such right may not be totally excluded nor may it be subject to unreasonable restrictions or consent from a third party. This may also have an impact on several limitations on the right of the parties to terminate any of the German Transaction Documents for good cause.

### **Employees**

Some Obligors may be employees of VWFS. Consequently, they may have a right of set-off against amounts due under the Purchased Receivables against unpaid wages or other cash benefits. Any such set-off may adversely affect the Issuer's ability to make payments in full when due on the notes.

### **Historical and Other Information**

The historical information set out in particular in "**DESCRIPTION OF THE PORTFOLIO**" is based on the historical experience and present procedures of the Seller. None of the Issuer, the Swap Counterparty, the Arranger, the Joint Lead Managers, the Security Trustee, the Agents, or the Corporate Services Provider has undertaken or will undertake any investigation or review of, or search to verify the historical information. There can be no assurances as to the future performance of the Purchased Receivables. Any deterioration of the future performance of the Purchased Receivables may result in the Issuer not receiving sufficient Collections to redeem part or all of the Notes.

#### **IV. Legal, Macro-economic and regulatory risks relating to the Notes**

##### **General market volatility**

Developments such as the UK's departure from the European Union, consumer energy price inflation and disruption to global supply chains, alongside elevated global demand for goods and supply shortages of specific goods have led to recent inflationary pressure and rises in UK interest rates. Continuing inflationary pressure may result in further interest rate increases over time. There are also geopolitical risks, for example around the conflict in Ukraine, which could impact the UK economy, in particular by further increasing energy and oil prices (and therefore petrol and diesel retail prices) and which could lead to further impacts on supply chains and further increases in the cost of living and inflation.

No assurance can be given that any of the matters outlined above would not adversely affect the ability of the Issuer to satisfy its obligations under the Notes and/or the market value and/or liquidity of the Notes in the secondary market.

##### **Adverse macroeconomic and geopolitical developments may have a material negative impact on the performance of the Issuer under the Notes**

The ongoing geopolitical developments, including the current uncertainty in the banking sector, the war in Ukraine and the sanctions imposed by the United States, the United Kingdom, the European Union, in particular, against Russia, may result in an adverse impact on global economic, financial, political, social or government conditions which may result or already resulted in (including but not limited to) limited access to workplaces, and limited availability of key personnel, higher inflation, higher interest rates, higher cost of living, declining access to credit, lower or stagnating wages, increasing unemployment, changes in government regulatory, fiscal or tax policies, including changes in applicable tax rates and the modification of existing or adoption of new tax legislation, sanctions regimes, removal of subsidies, reduced public spending, increases in fuel prices, weakness in energy markets or a loss of consumer confidence. Such conditions may have an adverse impact on both the operational business of VWFS and the financial performance of the Purchased Receivables, which may in turn adversely affect the Issuer's ability to make payments of interest and/or principal due on the Notes.

##### **Market and Liquidity Risk for the Notes**

The secondary markets in general are currently experiencing severe disruptions resulting from reduced investor demand for asset-backed securities and increased investor yield requirements for those securities. As a result, the secondary market for asset-backed securities is experiencing extremely limited liquidity. These conditions may continue or worsen in the future. Limited liquidity in the secondary market for asset-backed securities has had a severe adverse effect on the market value of asset-backed securities and may continue to have a severe adverse effect on the market value of asset-backed securities, especially those securities that are more sensitive to prepayment, credit or interest rate risk and those securities that have been structured to meet the investment requirements of limited categories of investors. Consequently, any purchaser of the Notes must be prepared to hold such Notes for an indefinite period of time or until final redemption or maturity of such Notes. The market values of the Notes are likely to fluctuate and could decrease. Any such fluctuation or decrease may be significant and could result in significant losses to investors in the Notes.

Investors should be aware that the market continues to develop in relation to the Sterling Overnight Index Average (SONIA) as a reference rate in the capital markets and its adoption as an alternative to interbank offered rates such as Sterling LIBOR. In particular, market participants and relevant working groups are exploring alternative reference rates based on SONIA, including term SONIA reference rates (which seek to measure the market's forward expectation of an average SONIA over a designated term). As a result, the market or a significant part thereof may adopt an application of SONIA that differs significantly from that set out in the Notes Conditions and used in relation to Notes that reference a SONIA rate issued under this Prospectus. Equally in such circumstances it may be difficult for the Issuer to find any future required Swap Counterparty to properly hedge its interest rate exposures should the Swap Counterparty need to be replaced and the Notes at that time use an application of SONIA that differs from products then prepared to be hedged by such swap providers. Interest on Notes which reference a SONIA rate is only capable of being determined at the end of the relevant Observation Period and immediately prior to the relevant Payment Date. It may be difficult for investors in Notes which reference a SONIA rate to reliably estimate the amount of interest which will be payable on such Notes. In addition, the manner of adoption or application of SONIA reference rates in the bond markets may differ materially compared with the application and adoption of SONIA in other markets, such as the derivatives and loan markets. Investors should carefully consider how any mismatch between the adoption of SONIA reference rates across these markets may impact any hedging or other financial arrangements which they may put in place in connection with any acquisition, holding or disposal of Notes referencing SONIA. Investors should carefully consider these matters when making their investment decision with respect to any such Notes.

## Changes or uncertainty in respect of SONIA may affect the value and payment of interest under the Notes

Various interest rates and other indices which are deemed to be "benchmarks", including SONIA, are the subject of recent national and international regulatory reforms and proposals for reform. Some of these reforms are already effective whilst others are still to be implemented including the EU Benchmarks Regulation.

Under the EU Benchmarks Regulation, which applied as from 1 January 2018 in general, new requirements apply with respect to the provision of a wide range of benchmarks (including Compounded Daily SONIA), the contribution of input data to a benchmark and the use of a benchmark within the European Union. In particular, the EU Benchmarks Regulation, among other things, (i) requires benchmark administrators to be authorised or registered (or, if non-EU-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and to comply with extensive requirements in relation to the administration of benchmarks and (ii) prevent certain uses by EU-supervised entities of benchmarks of administrators that are not authorised or registered (or, if non-EU based, deemed equivalent or recognised or endorsed). The scope of the EU Benchmarks Regulation is wide and applies to many interest rates, foreign exchange rate indices and other indices where used to determine the amount payable under or the value or performance of certain financial instruments traded on a trading venue (EU regulated market, EU multilateral trading facility, EU organised trading facility) or via a systematic internaliser, certain financial contracts and investment funds.

The UK Benchmarks Regulation contains similar requirements with respect to the UK, in particular the requirement for benchmark administrators to be authorised or registered (or, if non-UK-based, to be subject to an equivalent regime or otherwise recognised or endorsed) and to comply with extensive requirements in relation to the administration of benchmarks and prevent certain uses by UK-supervised entities of benchmarks of administrators that are not authorised or registered (or, if non-UK based, deemed equivalent or recognised or endorsed). Pursuant to section 20 of the Financial Services Act 2021, the transitional period for third country benchmarks has been extended from 31 December 2022 to 31 December 2025.

Based on the foregoing, investors should be aware that any of these reforms or pressures described above or any other changes to a relevant interest rate benchmark could affect the level of the published rate, including to cause it to be lower and/or more volatile than it would otherwise be, or may cause such benchmarks to be discontinued entirely or to perform differently than in the past (as a result of a change in methodology or otherwise), create disincentives for market participants to continue to administer or participate in certain benchmarks or have other consequences which cannot be predicted.

The Class A Notes Interest Rate and the Class B Notes Interest Rate will be determined on the basis of Compounded Daily SONIA (as defined in the Conditions). Compounded Daily SONIA differs from LIBOR for Sterling deposits in a number of material respects, including (without limitation) that Compounded Daily SONIA is a backwards-looking, compounded, risk-free overnight rate, whereas LIBOR is expressed on the basis of a forward-looking term and includes a risk-element based on inter-bank lending. As such, investors should be aware that LIBOR and Compounded Daily SONIA may behave materially differently as interest reference rates for the Notes and under the Swap Agreement. The use of Compounded Daily SONIA as a reference rate for debt securities is nascent, and is subject to change and development, both in terms of the substance of the calculation and in the development and adoption of market infrastructure for the issuance and trading of bonds referencing Compounded Daily SONIA.

These reforms, benchmarks reforms at a European or UK level and other pressures may cause one or more interest rate benchmarks to disappear entirely or to perform differently than in the past (as a result of a change in methodology or otherwise), create disincentives for market participants to continue to administer or participate in certain benchmarks or have other consequences which cannot be predicted. In particular, investors should be aware that:

- (a) any of these reforms or pressures described above or any other changes to a relevant interest rate benchmark (including Compounded Daily SONIA) could affect the level of the published rate, including to cause it to be lower and/or more volatile than it would otherwise be;
- (b) if SONIA is discontinued and an amendment as described in paragraph (c) below has not been made, then the rate of interest on the Notes will be determined for each applicable interest period by the fall-back provisions provided for under the definition of SONIA, although such provisions, being dependent in part upon the provision by the Bank of England's Bank Rate (the "**Bank Rate**"), may not operate as intended (depending on market circumstances and the availability of rates information at the relevant time) and may result in the effective application of a fixed rate based on the rate which applied in the previous period when SONIA was available;
- (c) while an amendment may be made under Condition 12 (*Amendments to Conditions and Benchmark Rate Modification*) to change the Compounded Daily SONIA rate on the Notes to an alternative base rate under certain circumstances broadly related to SONIA disruption or discontinuation and subject

to certain conditions, there can be no assurance that any such amendment will be made or, if made, that it (i) will fully or effectively mitigate all relevant interest rate risks or result in an equivalent methodology for determining the interest rates on the Notes or (ii) will be made prior to any date on which any of the risks described in this risk factor may become relevant; and

- (d) if SONIA is discontinued or is otherwise unavailable, and whether or not an amendment is made under Condition 12 (*Amendments to Conditions and Benchmark Rate Modification*) to change the Compounded Daily SONIA rate on the Notes as described in paragraph (b) above there can be no assurance that the applicable fall-back provisions under the Swap Agreement would operate to allow the transactions to effectively mitigate interest rate risk in respect of the Notes and may in certain circumstances result in the effective application of a fixed rate based on the rate which applied in the previous period when SONIA was available.

Investors should note the various circumstances under which a Benchmark Rate Modification may be made, which are specified in Condition 12 (*Amendments to Conditions and Benchmark Rate Modification*). As noted above, these events broadly relate to SONIA's disruption or discontinuation, but also include, inter alia, any public statements by the regulatory supervisor of the administrator of the Applicable Benchmark Rate to that effect, and a Benchmark Rate Modification may also be made if the Issuer (or the Servicer) reasonably expects any of these events to occur. Investors should also note the various options permitted as an Alternative Benchmark Rate as set out in Condition 12 (*Amendments to Conditions and Benchmark Rate Modification*).

Moreover, any of the above matters (including an amendment to change the SONIA rate as described in paragraph (2) above) or any other significant change to the setting or existence of SONIA could affect the ability of the Issuer to meet its obligations under the Notes and/or could have a Material Adverse Effect on the value or liquidity of, and the amount payable under, the Notes. Changes in the manner of administration of SONIA could result in adjustment to the Conditions, early redemption, delisting or other consequences in relation to the Notes. No assurance may be provided that relevant changes will not occur with respect to SONIA or any other relevant interest rate benchmark and/or that such benchmarks will continue to exist. Investors should consider these matters when making their investment decision with respect to the Notes.

#### **Risk Retention and Due Diligence Requirements**

Regulation (EU) No 2017/2402 dated 12 December 2017 and any relevant regulatory and/or implementing technical standards adopted by the European Commission in relation thereto, any relevant regulatory and/or implementing technical standards applicable in relation thereto pursuant to any transitional arrangements made pursuant to the EU Securitisation Regulation, and in each case, any relevant guidance published by the European Banking Authority, the European Securities and Markets Authority (or, in either case, any predecessor authority), the European Commission and by national competent authorities (the "**EU Securitisation Regulation**") applies from 1 January 2019 subject to certain transitional and grandfathering provisions.

Regulation (EU) No 2017/2402 dated 12 December 2017, as it forms part of domestic law of the United Kingdom by virtue of the EUWA, and any implementing laws or regulations in force in the United Kingdom in relation to the EU Securitisation Regulation or amending the EU Securitisation Regulation as it applies in the United Kingdom (together with applicable directions, secondary legislation, guidance, binding technical standards and related documents published by the FCA and the PRA of the United Kingdom) (the "**UK Securitisation Regulation**") applies in the UK from 11pm (London time) on 31 December 2020. The UK's financial services regulators, being the Bank of England, PRA and FCA, have been granted temporary transitional powers to delay or modify firms' regulatory obligations where they have changed as a result of a statutory instrument made under Section 8 of the EUWA and standstill directions have been issued for a temporary period with respect to a number of provisions of the UK Securitisation Regulation.

Investors, to which the EU Securitisation Regulation or UK Securitisation Regulation is applicable, should make themselves aware of the requirements of Articles 5 et seq. of the EU Securitisation Regulation or UK Securitisation Regulation, in addition to any other regulatory requirements applicable to them with respect to their investment in the Notes.

#### *Risk Retention*

Article 6 of the EU Securitisation Regulation provides for a direct obligation on originators to retain a net economic interest. Article 5 (1)(c) of the EU Securitisation Regulation requires institutional investors as defined in Article 2 (12) of the EU Securitisation Regulation, which term also includes an insurance or reinsurance undertaking as defined in the EU Solvency II Regulation and an alternative investment fund manager as defined in the EU AIFM Regulation, to verify that, if established in the European Union, the originator, sponsor or original lender retains on an ongoing basis a material net economic interest in accordance with Article 6 of the EU Securitisation Regulation and the risk retention is disclosed to the institutional investor in accordance with Article 7(1)(e) of the EU Securitisation Regulation. The originator is

not established in the European Union but has contractually agreed to comply with Article 6 of the EU Securitisation Regulation.

Article 6 of the UK Securitisation Regulation provides for a direct obligation on originators to retain a net economic interest. Article 5 (1)(c) of the UK Securitisation Regulation requires institutional investors as defined in Article 2 (12) of the UK Securitisation Regulation, which term also includes an insurance or reinsurance undertaking as defined in the UK Solvency II Regulation and an alternative investment fund manager as defined in the UK AIFM Regulation, to verify that, if established in the United Kingdom, the originator, sponsor or original lender retains on an ongoing basis a material net economic interest in accordance with Article 6 of the UK Securitisation Regulation and the risk retention is disclosed to the institutional investor in accordance with Article 7(1)(e) of the UK Securitisation Regulation.

With respect to the commitment of the originator to retain a material net economic interest with respect to the Transaction, VWFS is the "**originator**" for the purposes of Article 2(3) of the UK Securitisation Regulation and the EU Securitisation Regulation. VWFS is legally bound to comply with the provisions of the UK Securitisation Regulation and contractually agrees to comply with the provisions of the EU Securitisation Regulation. VWFS shall, whilst any of the Notes remain outstanding retain for the life of such Notes a material net economic interest of not less than 5 per cent. with respect to the Transaction in accordance with:

- (a) in the case of the EU Securitisation Regulation, Article 6(3)(d) of the EU Securitisation Regulation and Article 7 of the Commission Delegated Regulation (EU) 2023/2175 of 7 July 2023 on supplementing the Securitisation Regulation with regard to regulatory technical standards specifying in greater detail the risk retention requirements for originators, sponsors, original lenders and services (the "**RRTS**") adopted by the Commission pursuant to Article 6(7) of the EU Securitisation Regulation, provided that the level of retention may reduce over time in compliance with Article 10(2) of the RRTS, and
- (b) in the case of the UK Securitisation Regulation, Article 6(3)(d) of the UK Securitisation Regulation and Article 43(7) of the UK Securitisation Regulation until such time as UK regulatory technical standards are published jointly by the FCA and PRA, the Commission Delegated Regulation (BTS 625/2014 as amended by Annex R of The Technical Standards (Capital Requirements) (EU Exit) (No. 3) Instrument 2019),

through retention of the first loss tranche being the sum of (i) amounts required for overcollateralisation purposes (which shall include, for the avoidance of doubt, amounts standing to the credit of the Accumulation Account from time to time), (ii) the amount standing to the credit of the Cash Collateral Account and (iii) the Subordinated Loan, such being equivalent to no less than 5 per cent. of the nominal value of the securitised exposures as at the Closing Date. The Seller has prepared a table as set out in the section "**THE PURCHASED RECEIVABLES POOL**" of this Prospectus with a view to reflect that it complies with Article 6(3)(d) of the UK Securitisation Regulation and Article 6(3)(d) of the EU Securitisation Regulation. The first loss tranche retained by the Seller will have the characteristics set out in the table titled "**Retention according to Article 6(3)(d) of the UK Securitisation Regulation and Article 6(3)(d) of the EU Securitisation Regulation**" in the section "**THE PURCHASED RECEIVABLES POOL**".

The Monthly Investor Reports will also set out monthly confirmation as to the Seller's continued holding of the original first loss tranche.

It should be noted that there is no certainty that references to the retention obligations of the Seller in this Prospectus will constitute explicit disclosure (on the part of the Seller) or adequate due diligence (on the part of the Noteholders) for the purposes of Article 5 of the EU Securitisation Regulation or the UK Securitisation Regulation.

#### *Due diligence*

Article 5 of the EU Securitisation Regulation and the UK Securitisation Regulation places an obligation on institutional investors (as defined in the EU Securitisation Regulation and the UK Securitisation Regulation) before investing in a securitisation and thereafter, to analyse, understand and stress test their securitisation positions and monitor on an ongoing basis in a timely manner performance information on the exposures underlying their securitisation positions. After the Closing Date, the Servicer (on behalf of the Issuer) will prepare investor reports wherein relevant information with regard to the Purchased Receivables will be disclosed publicly together with an overview of the retention of the material net economic interest by the Seller in accordance with Article 7(1)(e) of the EU Securitisation Regulation and the UK Securitisation Regulation.

Prospective investors should note that there can be no assurance that the information in this Prospectus or to be made available to investors in accordance with Article 7 of the EU Securitisation Regulation or the UK Securitisation Regulation will be adequate for any prospective institutional investors to comply with their due diligence obligations under the EU Securitisation Regulation or the UK Securitisation Regulation.

Where the relevant retention requirements are not complied with in any material respect and there is negligence or omission in the fulfilment of the due diligence obligations on the part of a credit institution that is investing in the Notes, a proportionate additional risk weight of no less than 250 per cent. of the risk weight (with the total risk weight capped at 1250 per cent.) which would otherwise apply to the relevant securitisation position will be imposed on such credit institution, progressively increasing with each subsequent infringement of the due diligence provisions. Noteholders should make themselves aware of the provisions of the CRD IV Package and make their own investigation and analysis as to the impact of the CRD IV Package on any holding of Notes.

If the Seller does not comply with its obligations under Article 6 of the EU Securitisation Regulation or Article 6 of the UK Securitisation Regulation, the ability of the Noteholders to sell and/or the price investors receive for, the Notes in the secondary market may be adversely affected.

Relevant investors, to which the EU Securitisation Regulation or the UK Securitisation Regulation is applicable, are required to independently assess and determine the sufficiency of the information described above for the purposes of complying with the CRD IV Package or Article 5 of the EU Securitisation Regulation and Article 5 of the UK Securitisation Regulation and none of the Issuer, the Seller, the Joint Lead Managers nor the Arranger makes any representation that the information described above is sufficient in all circumstances for such purposes.

Noteholders should take their own advice and/or seek guidance from their regulator on compliance with, and the application of, the provisions of the CRD IV Package and Article 6 of the EU Securitisation Regulation and Article 6 of the UK Securitisation Regulation in particular.

### **Edinburgh Reforms**

On 9 December 2022, the Chancellor of the Exchequer of the United Kingdom set out a series of reforms, the "Edinburgh Reforms", that will reshape the UK's financial services regulatory framework, repeal retained EU law ("**REUL**") and deliver a "Smarter Regulatory Framework" for financial services tailored to the UK.

The Financial Services and Markets Act 2023 ("**FSMA 2023**"), which received Royal Assent on 29 June 2023, establishes a framework for the revocation of REUL relating to financial services. REUL will be revoked and replaced, with much of the detailed rules being transposed into rules to be overseen by the FCA and/or the PRA. The UK Government is taking a phased approach to the revocation of REUL, with policy areas organised by tranches, such that individual areas will not be revoked until the FCA and/or the PRA have consulted on and put in place new rules.

Legislative reforms affecting the UK Securitisation Regulation regime will be effected through a combination of a statutory instrument made under the Financial Services and Markets Act 2023 (a near-final draft of which was laid before Parliament on 11 July 2023); the Securitisation Regulations 2024 (SI 2024/102) made on 29 January 2024 ("**2024 UK SR SI**") with some of its provisions now being in force; amendments to the PRA Rulebook to, amongst other things, introduce a new section on securitisation, in relation to which a consultation (CP15/23) was published by the PRA on 27 July 2023 (the "**PRA Consultation**"); and a set of rules to be implemented by the FCA into the FCA Handbook (such rules to be known as the Securitisation Sourcebook), in relation to which a consultation (FCA CP23/17) was published by the FCA on 7 August 2023 (the "**FCA Consultation**").

Each of the PRA Consultation and the FCA Consultation is currently expected to be finalised and become applicable in Q2 2024, when the 2024 UK SR SI comes into force and Regulation (EU) 2017/2402 is repealed under the Financial Services and Markets Act 2023. In addition to the changes in the 2024 UK SR SI and the proposed changes to be implemented pursuant to, the PRA Consultation and the FCA Consultation, further consultations and reforms relating to the UK securitisation regime (including a review of the reporting templates required under the UK Securitisation Regulation) are expected throughout the course of 2024 and into 2025.

Therefore, at this stage, the timing and all of the details for the implementation of these reforms are not yet fully known and the outcome of ongoing and any new consultations on such reforms will be unfolding in the course of this year and beyond.

Some divergence between the EU and UK regimes exist already and the risk of more divergence in the future between EU and UK regimes may therefore be likely.

It is not certain whether the impact of a possible change to law (including as a result of the implementation of the Edinburgh Reforms), or their interpretation or administration, or the published practices of the United Kingdom tax authorities or tax authorities of any other relevant taxing jurisdiction, or any divergence of English law from EU law over time, after the date of this Prospectus could adversely affect the ability of the Issuer to make payments under the Notes, the market value of the Notes, and/or VWFS's ability to perform its obligations under the Transaction Documents.

## Securitisation Regulation and simple, transparent and standardised securitisation

The UK Securitisation Regulation makes provision for a securitisation transaction to be designated a simple, transparent and standardised transaction in the UK (a "**UK STS securitisation**"). In order to obtain this designation, a transaction is required to comply with the requirements set out in Articles 20, 21 and 22 of the UK Securitisation Regulation (the "**UK STS Criteria**") and one of the originator or sponsor in relation to such transaction is required to file a STS notification to the FCA confirming the compliance of the relevant transaction with the UK STS Criteria.

The EU Securitisation Regulation also makes provision for a securitisation transaction to be designated a simple, transparent and standardised transaction (an "**EU STS securitisation**"). In order to obtain this designation, a transaction is required to comply with the requirements set out in Articles 20, 21 and 22 of the EU Securitisation Regulation (the "**EU STS Criteria**"). As at the Closing Date the originator is not established in the EU and so the Transaction will not qualify as an EU STS securitisation on the basis that the requirements of Article 18 of the EU Securitisation Regulation are not fulfilled. The Notes will not be eligible as high quality liquid assets for the purposes of Liquidity Coverage Ratio as it applies in the EU from such date. The Transaction is not intended to be designated as an EU STS securitisation for the purposes of the EU Securitisation Regulation.

Although the Transaction has been structured to comply with the requirements for simple, transparent and standardised securitisations transactions as set out in Articles 20, 21 and 22 of the UK Securitisation Regulation and will be certified as such by Prime Collateralised Securities Limited ("**PCS**"), in its capacity as third party verification agent authorised pursuant to Article 28 of the UK Securitisation Regulation, no guarantee can be given that it maintains this status throughout its lifetime. Noteholders and potential investors should verify the current status of the Transaction on the website of the FCA. Non-compliance with such status may result in higher capital requirements for investors as an investment in the Notes would not benefit from Articles 243, 260, 262 and 264 of the UK CRR. Furthermore, non-compliance could result in various administrative sanctions and/or remedial measures being imposed on the Issuer which may be payable or reimbursable by the Issuer. As the Order of Priority does not foresee a reimbursement of the Issuer for the payment of any of such administrative sanctions and/or remedial measures the repayment of the Notes may be adversely affected.

The Servicer (on behalf of the Seller as the originator for the purposes of the UK Securitisation Regulation), and the Issuer, (as SSPE for the purposes of the UK Securitisation Regulation), have used the services of PCS, a third party authorised pursuant to Article 28 of the UK Securitisation Regulation, to verify whether the securitisation transaction described in this Prospectus complies with Articles 19 to 22 of the UK Securitisation Regulation and the compliance with such requirements will be verified by PCS.

However, none of the Issuer, VWFS (in its capacity as the Seller and the Servicer), the Arranger, the Joint Lead Managers or the Swap Counterparty gives any explicit or implied representation or warranty as to (i) inclusion in the list administered by the FCA within the meaning of Article 27 of the UK Securitisation Regulation, (ii) that the securitisation transaction described in this Prospectus does or continues to comply with the UK Securitisation Regulation, (iii) that this securitisation transaction does or continues to be recognised or designated as 'STS' or 'simple, transparent and standardised' within the meaning of Article 18 of the UK Securitisation Regulation after the date of this Prospectus.

The verification by PCS does not affect the liability of the Seller, as originator and the Issuer, as SSPE in respect of their legal obligations under the UK Securitisation Regulation. Furthermore, the use of such verification by PCS shall not affect the obligations imposed on institutional investors as set out in Article 5 of the UK Securitisation Regulation. Notwithstanding PCS' verification of compliance of a securitisation with Articles 19 to 22 of the UK Securitisation Regulation, such verification by PCS does not ensure the compliance of a securitisation with the general requirements of the UK Securitisation Regulation. A verification does not remove the obligation placed on investors to assess whether a securitisation labelled as 'STS' or 'simple, transparent and standardised' has actually satisfied the criteria. Investors must not solely or mechanically rely on any UK STS notification or PCS' verification to this extent.

Prospective investors should carefully consider (and, where appropriate, take independent advice) in relation to the capital charges associated with an investment in the Notes. In particular, investors should carefully consider the effects of the change (and likely increase) to the capital charges associated with an investment in the Notes for credit institutions and investment firms, depending on the particular exposure. These effects may include, but are not limited to, a decrease in demand for the Notes in the secondary market, which may lead to a decreased price for the Notes. It may also lead to decreased liquidity and increased volatility in the secondary market. Prospective investors are themselves responsible for monitoring and assessing changes to the UK risk retention rules and their regulatory capital requirements.

## Litigation in connection with the NOx issue in the UK

Certain claims are being brought in England & Wales against various entities in the Volkswagen group, including VWFS, in relation to certain diesel vehicles leased or sold in England, Wales and Northern Ireland since 2009 which contain various diesel engine types. The proceedings relate to allegations that the relevant vehicles contain prohibited defeat devices. These claims are all at a very early stage. Certain Claim Forms were served on the Defendants (including VWFS) on 29 September and 12 October 2023. It remains the case that no finalised Generic Particulars of Claim have been served and a number of the Claimants' claims remain unparticularised. As such it is not practicable at present to assess the liability position in respect of this litigation nor provide an estimate of what the financial effect of these future proceedings may be. Volkswagen Group are defending such proceedings.

Volkswagen Aktiengesellschaft, VWFS and other Volkswagen Group entities have also been notified of other threatened claims in Scotland in relation to certain diesel vehicles leased or sold in Scotland since 2009. No claims have been served yet on any Volkswagen Group entity and the claims are uncertain in scope. As such, it is not possible at present to accurately assess the liability position in respect of these claims.

See the section "RISK FACTORS – Other Risks Resulting from Consumer Legislation – (2) Unfair Commercial Practices Directive 2005", and "RISK FACTORS – Unfair Relationship" and "RISK FACTORS – Liability for misrepresentations and breach of contract".

## U.S. Risk Retention

The Transaction will not involve risk retention by the Seller for the purposes of the U.S. Risk Retention Rules, but rather will be made in reliance on an exemption provided for in Section \_\_.20 of the U.S. Risk Retention Rules regarding non-U.S. transactions. Such non-U.S. transactions must meet certain requirements, including that (1) the transaction is not required to be and is not registered under the Securities Act; (2) no more than 10 per cent. of the dollar value (or equivalent amount in the currency in which the securities are issued) of all classes of securities issued in the securitisation transaction are sold or transferred to U.S. persons (in each case, as defined in the U.S. Risk Retention Rules) or for the account or benefit of U.S. persons (as defined in the U.S. Risk Retention Rules and referred to in this Prospectus as "**Risk Retention U.S. Persons**"); (3) neither the sponsor nor the issuer of the securitisation transaction is organised under U.S. law or is a branch located in the United States of a non-U.S. entity; and (4) no more than 25 per cent. of the underlying collateral was acquired from a majority-owned affiliate or branch of the sponsor or issuer organised or located in the United States.

There can be no assurance that the exemption provided for in Section \_\_.20 of the U.S. Risk Retention Rules regarding non-U.S. transactions will be available. Failure of the offering of the Notes to comply with the U.S. Risk Retention Rules (regardless of the reason for such failure to comply) could give rise to regulatory action which may adversely affect the Notes. Furthermore, the impact of the U.S. Risk Retention Rules on the securitisation market generally is uncertain, and a failure by a transaction to comply with the risk retention requirements of the U.S. Risk Retention Rules could negatively affect the market value and secondary market liquidity of the Notes.

## Basel Capital Accord and regulatory capital requirements

Investors should note that the Basel Committee on Banking Supervision (the "**BCBS**") has approved a series of significant changes to the Basel framework for prudential regulation (such changes being referred to by the BCBS as Basel III, and referred to, colloquially, as Basel III in respect of reforms finalised prior to 7 December 2017 and Basel IV in respect of reforms finalised on or following that date). The Basel III reforms have now been incorporated into EU law (which will apply in stages, the latest of which will apply from 2025). Some but not all of this EU law has been implemented in the UK. The UK authorities have stated that they intend to amend UK regulation to implement the remaining Basel III and Basel IV standards. The BCBS continues to work on new policy initiatives.

The European Commission adopted legislative proposals in October 2021 for a regulation and a directive to implement the Basel IV standards by way of an amendment to Regulation (EU) 2019/876 (such updated regulation referred to below as "**CRR III**") and an amendment to Directive 2019/878 (such updated directive referred to below as the "**CRD VI**"). The CRR III will apply, in large part, from 1 January 2025, subject to a transitional implementation of the output floor. Measures implementing the CRD VI are expected to be adopted 18 months from the date of its entry into force.

In the UK, the PRA announced its intention to move the implementation date of the Basel IV standards to 1 July 2025, with a corresponding transitional implementation of the output floor. On 12 December 2023 the PRA published a policy statement containing near-final standards implementing some of the Basel IV standards (including market risk, credit valuation adjustment and operational risk). In Q2 2024, the PRA intends to publish the second policy statement containing near-final standards for the remaining standards (including credit risk, credit risk mitigation and the output floor).

There is expected to be regulatory divergence between the EU and the UK as a result of these measures, including capital requirements relating to the holding of securitisation positions.

The implementation of the Basel III and Basel IV reforms may result in increased regulatory capital and/or other prudential requirements in respect of securitisation positions (including, but not limited to, the imposition of the output floor for banks using internal models). These prudential requirements may also impact the eligibility of the Notes as liquid assets for the liquidity coverage ratio and the net stable funding ratio. It should also be noted that changes to prudential requirements may be made for insurance and reinsurance undertakings through participating jurisdiction initiatives, such as the Solvency II framework in Europe and the UK. In particular, it is noted that the UK authorities have announced that the Solvency II framework in the UK will be reformed and that the EU Commission has announced a legislative proposal to amend the Solvency II Directive as it applies in the EU, and a legislative proposal for a new Insurance Recovery and Resolution Directive, each of which is subject to review by the European Parliament and the Council. In connection with the reform of the UK Solvency II framework, the PRA published a policy statement on 28 February 2024 for the review of the Solvency II regime to make it more adaptable to the UK insurance market. Prospective investors should therefore make themselves aware of the requirements described above (and any corresponding implementing rules of their regulator), where applicable to them, in addition to any other applicable regulatory requirements with respect to their investment in the Notes. Investors in the Notes are responsible for analysing their own regulatory position and prudential regulation treatment applicable to the Notes and should consult their own advisers in this respect. No predictions can be made as to the precise effects of such matters on any investor or otherwise.

In addition, Regulation (EU) No 2015/61 of 10 October 2014 (the "**EU LCR Regulation**" and, as onshored in the UK by virtue of EUWA, the "**UK LCR Regulation**" and, together, the "**LCR Regulations**") sets out assumed asset inflow and outflow rates to better reflect actual experience in times of stress. On 19 November 2018, Delegated Regulation (EU) 2018/1620 amending the EU LCR Regulation (the "**Delegated EU LCR Regulation**" and, as onshored in the UK by virtue of EUWA, the "**Delegated UK LCR Regulation**" and, together the "**Delegated LCR Regulations**") entered into force which amended, among other things, the exposure values of securitisations and their eligibility to qualify as Level 2B high quality liquid assets. The Delegated LCR Regulations apply in the EU and the UK from 30 April 2020 (and apply in the UK by virtue of EUWA). The application of the Delegated LCR Regulations may have negative implications on the cost of regulatory capital for certain investors and their ability to use securitisation positions as high quality liquid assets for their liquidity coverage ratio. Therefore, investors should consult their own advisers as to the regulatory capital treatment requirements in respect of the Notes and as to the consequences to and effect on them by the Delegated LCR Regulations. No predictions can be made as to the precise effects of such matters on any investor or otherwise.

### **Recovery and Resolution Proceedings**

As a result of the Banking Recovery and Resolution Directive 2014/59/EU of 15 May 2014 (the "**BRRD**"), it is possible that a credit institution or investment firm with its head office in an EEA state and/or certain group companies (such institution, investment firm or group company could encompass the Swap Counterparty) could be subject to certain resolution actions in that state.

Directive ((EU) 2019/879) ("**BRRD II**") was required to be transposed into national law in the UK and EU by 28 December 2020. BRRD II amends the BRRD by, amongst other matters, providing EU Member States with the power to ensure that their resolution authorities have the power to suspend payment or delivery obligations and enforcement action by secured creditors, including an exemption to include a contractual recognition of bail-in clause in certain circumstances and introducing requirements on the contractual recognition of resolution stay powers.

In respect of the UK, the majority of BRRD II was transposed into the domestic law of the United Kingdom with effect from 28 December 2020, such date falling within the transition period agreed under the Withdrawal Agreement. BRRD II forms part of domestic law of the United Kingdom by virtue of the EUWA and has been amended through the Bank Recovery and Resolution (Amendment) (EU Exit) Regulations 2020 (2020/1350/EU) to ensure it operates in a UK context. The UK authorities did not implement those BRRD II requirements that did not need to be complied with by firms until after the end of the transition period, and certain requirements will be transposed through FCA rules.

Any such resolution action may affect the ability of any relevant entity to satisfy its obligations under the Transaction Documents (including the Swap Agreement) and there can be no assurance that Noteholders will not be adversely affected as a result.

### **Change of Law**

The structure of the issue of the Notes and the related transaction is based on Luxembourg, English and German law (including tax law) in effect as at the date of this Prospectus. No assurance can be given as to the impact of any possible judicial decision or changes to any relevant law, the interpretation thereof or

administrative practice after the date of this Prospectus. Any negative judicial decision or change to any relevant law, the interpretation thereof or administrative practice could negatively affect payment under the Notes.

## V. Risks related to Taxation

### The Common Reporting Standard

Directive 2014/107/EU on Administrative Cooperation in the Field of Taxation ("**DAC II**") implements the Common Reporting Standard ("**CRS**") in a European context and creates a mandatory obligation for all EU Member States to exchange financial account information in respect of residents in other EU Member States on an annual basis.

For the purposes of complying with its obligations under CRS and DAC II, if any, the Issuer shall be entitled to require Noteholders to provide any information regarding their and, in certain circumstances, their controlling persons' tax status, identity or residence in order to satisfy any reporting requirements which the Issuer may have as a result of CRS and DAC II and Noteholders will be deemed, by their holding, to have authorised the automatic disclosure of such information by the Issuer (or any nominated service provider) or any other person to the relevant tax authorities who will exchange the information with the tax authorities of other participating jurisdictions, as applicable. Failure by the Issuer to comply with its CRS and DAC II obligations, if any, may result in the Issuer being deemed to be non-compliant in respect of its CRS obligations and monetary penalties may be imposed as a result under applicable law. Such monetary penalties may lead to an inability of the Issuer to pay fully or partially interest on the Notes and or to redeem part or all of the Notes.

### Transactions on the Notes could be subject to the European financial transaction tax, if adopted

On 14 February 2013, the EU Commission adopted a proposal (the "**Commission's Proposal**") for a Council Directive on a common financial transaction tax ("**FTT**") in Austria, Belgium, Estonia, France, Germany, Greece, Italy, Portugal, Spain, Slovakia and Slovenia (the "**participating Member States**"). However, Estonia has since stated that it will not participate.

The Commission's Proposal has very broad scope and could, if introduced, apply to certain dealings in the Notes (including secondary market transactions) in certain circumstances. The issuance and subscription of Notes should, however, be exempt.

Under the Commission's Proposal the FTT could apply in certain circumstances to persons both within and outside of the participating Member States. Generally, it would apply to certain dealings in the Notes where at least one party is a financial institution, and at least one party is established in a participating Member State. A financial institution may be, or be deemed to be, "established" in a participating Member State in a broad range of circumstances, including (a) by transacting with a person established in a participating Member State or (b) where the financial instrument which is subject to the dealings is issued in a participating Member State.

However, the FTT is still subject to negotiation between participating Member States. It may therefore be altered prior to any implementation, the timing of which remains unclear. Additional EU Member States may decide to participate.

### U.S. Foreign Account Tax Compliance Act

Pursuant to certain provisions of the U.S. Internal Revenue Code of 1986, commonly known as FATCA, a "foreign financial institution" may be required to withhold on certain payments it makes ("**foreign passthru payments**") to persons that fail to meet certain certification, reporting or related requirements. The Issuer may be a foreign financial institution for these purposes.

A number of jurisdictions (including Luxembourg and the United Kingdom) have entered into, or agreed in substance to, intergovernmental agreements with the United States to implement FATCA ("**IGAs**"), which modify the way in which FATCA applies in their jurisdictions. Under the provisions of the IGAs as currently in effect, a foreign financial institution in an IGA jurisdiction would generally not be required to withhold under FATCA or an IGA from payments that it makes.

Certain aspects of the application of the FATCA provisions and IGAs to instruments such as the Notes, including whether withholding would ever be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, are uncertain and may be subject to change. Even if withholding would be required pursuant to FATCA or an IGA with respect to payments on instruments such as the Notes, such withholding would not apply prior to the date that is two years after the date on which final regulations defining foreign passthru payments are published in the U.S. Federal Register, and Notes characterised as debt (or which are not otherwise characterised as equity and have a fixed term) for U.S. federal tax purposes that are issued on or prior to the date that is six months after the date on which final regulations defining "foreign passthru payments" are filed with the U.S. Federal Register generally would be "grandfathered" for the purposes of FATCA withholding unless materially modified after such date (including by reason of a substitution of the Issuer). In the event any withholding would be required pursuant to FATCA or an IGA with

respect to payments on the Notes, no person will be required to pay additional amounts as a result of the withholding.

**Prospective holders of the Notes should consult their own tax advisors with respect to the FATCA rules and the application of FATCA to such holder in light of such holder's individual circumstances.**

### **No gross up of payments**

The Notes will not provide for gross-up of payments in the event that the payments on the Notes become subject to withholding taxes, so that if the Issuer would have to withhold or deduct amounts on account of tax from payments due under the Notes, the Noteholders would receive reduced payments only.

### **ATAD Laws and ATAD 3 Proposal**

The Issuer is liable to Luxembourg corporate income tax on its worldwide net profits. The Luxembourg laws of 21 December 2018, which implements the Council Directive (EU) 2016/1164 of 12 July 2016 laying down rules against tax avoidance practices that directly affect the functioning of the internal market (commonly known as "ATAD") and the Luxembourg law of 20 December 2019 implementing the Council Directive (EU) 2017/952 of 29 May 2019 regarding hybrid mismatches with third countries (commonly known as ATAD 2), together known as the "ATAD Laws", introduced new tax measures into Luxembourg law, including among others a limitation as regards so-called "exceeding borrowing costs" and hybrid mismatch rules. Whilst certain exemptions and safe harbor provisions (for example, exceeding borrowing costs up to 3 million euro will always remain deductible) exist in relation to the limitation of exceeding borrowing costs, these new rules may in certain situations result in the limitation respectively the denial of the deduction of payments to investors for Luxembourg tax purposes, which may adversely affect the income tax position of the Issuer and as such affect generally its ability to make payments to the holders of the Notes. According to the December infringement package published by the European Commission on 2 December 2021, the European Commission sent a reasoned opinion to Luxembourg asking it to correctly transpose the ATAD into its local laws regarding the treatment of securitisation vehicles subject to and compliant with the Securitisation Regulation. Under current Luxembourg law and contrary to the wording of the ATAD, securitisation companies covered by the Securitisation Regulation are excluded from the scope of the interest deduction limitation rules. The reasoned opinion follows a formal notice sent to Luxembourg on 14 May 2020. In response, Luxembourg adopted a bill of law on 9 March 2022 to remove securitisation vehicles subject to and compliant with the Securitisation Regulation from the list of financial undertakings that are out of scope of the interest deduction limitation rule as from 1 January 2023. The outcome of such bill of law, and the impacts on the Issuer, if any, as well as whether such outcome/impacts ultimately will or will not have a retroactive effect remain uncertain and may as such negatively impact this Prospectus or alter the tax position of the Issuer.

In any case, clarifications as regards the ATAD Laws and their interpretation may be enacted after the date of this Prospectus, possibly with retroactive effect, and could alter the tax position of the Issuer. In addition, the Issuer may take positions with respect to certain tax issues resulting from the ATAD Laws which may depend on legal conclusions not yet resolved by the courts. Should any such positions be successfully challenged by the applicable tax authority, there could be a materially adverse effect on the Issuer and its ability to make payments to the holders of the Notes.

In addition, on 22 December 2021, the Council of the European Union published the proposal for a Council Directive laying down rules to prevent the misuse of shell entities for tax purposes and amending Directive 2011/16/EU (the "ATAD 3 Proposal"). Under the ATAD 3 Proposal, reporting obligations would be imposed on certain entities resident in a Member State for tax purposes. If these entities qualify as shell entities, they would not be able to access the benefits of the tax treaty network of its Member State nor to qualify for benefits under Council Directive 2011/96/EU of 30 November 2011, as amended (known as the EU parent-subsidiary directive) and/or Council Directive 2003/49/EC of 3 June 2003, as amended (known as the EU interest and royalties directive). Furthermore, they would not be entitled to a certificate of tax residence to the extent that such certificate serves to obtain any of these benefits. Member States are expected to apply the provisions of the ATAD 3 Proposal as from 1 January 2024.

Securitisation companies covered by and compliant with Article 2 point 2 of the Securitisation Regulation are excluded from the scope of the current version of the ATAD 3 Proposal. However, the ATAD 3 Proposal is still subject to negotiation and the final text of the ATAD 3 Proposal as well as its implementation into local laws remain currently uncertain. Consequently, the possible impacts of the ATAD 3 Proposal on the Issuer remain currently unknown.

Therefore, prospective holders of the Notes should make an investment decision only after careful consideration, with its independent advisers, as to the consequences of the ATAD Laws as well as to the evolution of the ATAD 3 Proposal and its potential impacts on the Issuer.

## **DEBRA Directive Proposal**

Further, on 11 May 2022, the Council of the European Union published the proposal for a Council Directive on laying down rules on a debt-equity bias reduction allowance and on limiting the deductibility of interest for corporate income tax purposes ("**DEBRA Directive Proposal**"). The DEBRA Directive Proposal aims, amongst other things, to introduce a limitation on "exceeding borrowing costs", as defined in ATAD, up to 85%. The interest deduction limitation rule under the DEBRA Directive Proposal would be applicable prior to the ATAD interest deduction limitation rule and the taxpayer would only be entitled to deduct the lower of the deductible exceeding borrowing costs under, respectively, the DEBRA Directive Proposal and the ATAD in any tax period. Any difference between the higher and lower amount of exceeding borrowing costs would then be carried forward or back to the extent permitted under ATAD. However, securitisation companies covered by and compliant with Article 2 point 2 of the EU Securitisation Regulation are excluded from the scope of the current version of the DEBRA Directive Proposal.

The Debra Directive Proposal is still subject to negotiation and might be amended in the future. In addition, the implementation into local laws of the final text of the DEBRA Directive Proposal remains unknown. Consequently, the possible impacts of the DEBRA Directive Proposal on the Issuer is currently uncertain.

## PURCHASED RECEIVABLES

### Sale of Receivables

The Receivables will be sold by the Seller pursuant to the Receivables Purchase Agreement and arose from loans granted to Obligors for the financing of the vehicles under the Financing Contracts. See further "**DESCRIPTION OF PORTFOLIO**". Additional Receivables will be sold by VWFS to the Issuer pursuant to the Receivables Purchase Agreement, and arise from loans granted to Obligors for the financing of vehicles under the Financing Contracts. All Financing Contracts and Receivables to be sold under the Receivables Purchase Agreement will meet at the relevant Additional Purchase Date the Eligibility Criteria set forth in the Receivables Purchase Agreement (see "**DESCRIPTION OF THE PORTFOLIO – ELIGIBILITY CRITERIA**").

Although the borrower ("**Obligor**") is the registered keeper of the vehicle, the Seller retains title to the vehicles. The Financing Contracts contain provisions entitling, but not obliging, the Obligor to purchase the vehicle at the end of the hire period, normally on payment of a specified purchase fee.

The Issuer will purchase and accept on the Closing Date the Initial Receivables as of the Initial Cut-Off Date.

The Receivables Purchase Agreement provides that the Issuer will, during the Revolving Period, on any Payment Date (each an "**Additional Purchase Date**") apply the amount standing to the credit of the Accumulation Account to purchase from VWFS any Additional Receivables if and to the extent offered by VWFS subject to the fulfilment of certain conditions. Such conditions include, *inter alia*, the requirement that (a) the Additional Receivables meet the Eligibility Criteria set forth in the Receivables Purchase Agreement and (b) that the Additional Receivables are subject to the first floating charge pursuant to clause 4 (*Floating Charge*) of the Deed of Charge and Assignment. Where the Additional Receivables include Scottish Receivables, pending perfection under Scots law of such sale by duly intimated assignation, VWFS will hold the benefit of the Scottish Receivables and the other Scottish Trust Property in trust for the benefit of the Issuer on the terms of a Scottish Trust.

In addition, at the same time as completion of such sale of Receivables originated by VWFS:

- (a) the Issuer and VWFS will execute a Scottish Declaration of Trust in respect of, *inter alia*, those of the relevant Receivables which are Scottish Receivables and VWFS will intimate and deliver such Scottish Declaration of Trust to the Issuer; and
- (b) the Issuer will assign the benefit of the Scottish Trust so created to the Security Trustee substantially in the form of the assignation in security as set out in the Deed of Charge and Assignment and the Issuer will procure that that assignation is intimated to the Seller and delivered to the Security Trustee.

VWFS will further make certain the representations and warranties on each such Additional Purchase Date (as further described under "**DESCRIPTION OF THE**

**PORTFOLIO – Representations and Warranties of the Seller**). After the Revolving Period, the Issuer will no longer purchase and accept assignment of Additional Receivables.

VWFS warrants to the Issuer in the Receivables Purchase Agreement that all Receivables to be sold under the Receivables Purchase Agreement met the Eligibility Criteria set forth in the Receivables Purchase Agreement.

Assignment by the Seller to the Issuer of the benefit of the Receivables derived from Financing Contracts governed by the laws of England and Wales or Northern Ireland will take effect in equity only because no notice of the assignment will be given to Obligors. The assignment will be perfected following the occurrence of certain Notification Events. As described above, the Seller holds the benefit of the Scottish Receivables in trust for the Issuer prior to the occurrence of a Notification Event. Following the occurrence of a Notification Event the transfer of legal title to any Scottish Receivables to the Issuer would be perfected by assignments in favour of the Issuer entered into pursuant to the Receivables Purchase Agreement perfected by giving notice to the relevant Obligors.

**Remedy for breach of representation and warranty**

Under the Receivables Purchase Agreement, in the event of a breach of a warranty given by VWFS in relation to a Receivable and such breach materially and adversely affects the interests of the Issuer, the Seller shall have until the end of the Monthly Period which includes the sixtieth (60<sup>th</sup>) day (or, if the Seller elects, an earlier date) after the date that the Seller became aware or was notified of such breach to cure or correct such breach (the "**Cure Period**"). The Issuer's sole remedy will be to require the Seller to take one of the following remedial actions:

- (a) remedy the matter giving rise to such breach if such is capable of remedy provided that, if a remedy within the relevant Cure Period (as defined above) is not practicable, the Seller may remedy such breach by the last day of the following calendar month; or
- (b) repurchase the relevant Purchased Receivable at a price equal to, or, in case of a breach of clause 9.1(h) (*Warranties and Representations*) of the Receivables Purchase Agreement, pay to the Issuer the Settlement Amount of such Purchased Receivable at the end of the calendar month immediately preceding such repurchase provided that, if it is not practicable to repurchase such Purchased Receivable within the relevant Cure Period (as defined above), the Seller may repurchase such Purchased Receivable on the immediately following Payment Date.

The Servicer shall immediately notify the Issuer and the Security Trustee if the Servicer becomes aware of any breach of the Seller's representations and warranties set out in clause 9.1 (*Warranties and Representations*) of the Receivables Purchase Agreement as set out in section "**PURCHASED RECEIVABLES – Eligibility Criteria**" below.

Each of the Issuer and the Security Trustee agrees to notify the Seller promptly upon becoming aware of any breach of representation or warranty set out in clause 9.1 (*Warranties and Representations*) of the Receivables Purchase Agreement of a Purchased Receivable. This will not constitute an obligation of the Issuer and/or the Security Trustee to investigate whether any such breach has occurred.

**Initial Cut-off Date**

29 February 2024.

**Applicable Law**

The Financing Contracts are governed by the law of England and Wales, Scots law or Northern Irish law.

**Form of Financing Contracts**

The Financing Contracts take the form of hire purchase agreements ("**HP Agreements**" or "**HP No Balloon**"), personal contract purchase agreements ("**PCP Agreements**" or "**PCP**") and lease purchase agreements ("**Lease Purchase**" or "**LP**") between VWFS and Obligors.

**HP Agreements**

Mainly entered into with retail Obligors, HP Agreements are available for both new and used vehicles. HP Agreements contain standard rental terms where an initial payment is made and then the balance is amortised in substantially equal monthly instalments. At the end of the term of the HP Agreement, after an additional "option to purchase" fee is paid, the Obligor owns the vehicle.

**PCP Agreements**

PCP Agreements are used for the financing of new and used vehicles in the retail market. PCP Agreements are similar to HP Agreements but with an additional larger "balloon" final rental payment at the end of the term of the PCP Agreement, where the Obligor can either settle the contract by paying the balloon payment (and thereby purchase the vehicle) or, subject to the Vehicle being in a condition acceptable to VWFS and within agreed mileage, return the Vehicle to VWFS in full and final settlement of the PCP Agreement.

Where the Obligor chooses not to return the Vehicle, title in the Vehicle passes to the Obligor when the Obligor pays the additional "option to purchase" fee to VWFS (which fee does not form part of the Receivables). Where the Obligor chooses to return the vehicle, VWFS then acts as the Obligor's agent in selling the vehicle and the sale proceeds of the vehicle are applied to settle the Final Rental Amount. Any surplus on sale in excess of the Final Rental Amount is retained by VWFS as a fee for acting as the Obligor's agent and is not passed back to the Obligor. The sale proceeds of the vehicle, including any surplus on sale in excess of the Final Rental Amount, are transferred to the Issuer as PCP Recoveries and Enforcement Proceeds. Any shortfall between the sale proceeds and the Final Rental Amount is not recovered from the Obligor.

**LP Agreements**

Mainly entered into with retail Obligors, LP Agreements are available for both new and used vehicles. LP Agreements contain standard rental terms where an initial payment is made and then the balance is typically amortised in monthly instalments but with an additional larger "balloon" final rental payment at the end of the term of the LP Agreement. At the end of the term of the LP Agreement, after payment of the final balloon rental payment and an additional option to purchase fee, the Obligor will own the vehicle.

**Initial Receivables Purchase Price**

GBP 625,007,501.52 (equal to the Aggregate Discounted Receivables Balance of the Purchased Receivables as of the Initial Cut-Off Date less (i) an amount of GBP 37,556,604.34 for overcollateralisation purposes less (ii) the Cash Collateral Amount).

**Eligibility Criteria**

VWFS represents and warrants to the Issuer and to the Security Trustee, in respect of the Receivables to be sold by it under the Receivables Purchase Agreement, that each Receivable meets each of the following conditions:

- (a) that the purchase of the Receivables may not have the result that the Aggregate Discounted Receivables Balance of all Purchased Receivables exceeds the following concentration limits with respect to the percentage of Discounted Receivables Balance generated under Financing Contracts for (i) used vehicles (concentration limit: 60 per cent.), (ii) PCP used contracts (concentration limit: 55 per cent) and (iii) under Financing Contracts for non-VW group brand vehicles (concentration limit: 10 per cent.);
- (b) that none of the Obligors is an Affiliate of the Seller;
- (c) that the related Financing Contracts have been entered into exclusively with Obligors which, if they are corporate entities have their registered office in England, Scotland, Northern Ireland or Wales or, if they are individuals have their place of residence in England, Scotland, Northern Ireland or Wales;
- (d) that (according to the Seller's records) no pending bankruptcy or insolvency proceedings are initiated against any of the Obligors;
- (e) that such Purchased Receivable is denominated and payable in Sterling;
- (f) that no Purchased Receivable is overdue;
- (g) that the related Financing Contracts shall be governed by the laws of England and Wales, Northern Ireland or Scotland (depending on where the Obligor is resident or incorporated);
- (h) that the relevant Financing Contracts constitute legal valid, binding and enforceable agreements with full recourse to the Obligor;
- (i) that the status and enforceability of the Purchased Receivables is not impaired due to warranty claims or any other rights of the Obligor (even if the Issuer knew or could have known on the Cut-Off Date of the existence of such defences or rights);

## EU AND UK RISK RETENTION AND SECURITISATION REGULATION REPORTING

### Retention Statement

VWFS is the "**originator**" for the purposes of Article 2(3) of the UK Securitisation Regulation and the EU Securitisation Regulation. VWFS is legally bound to comply with the provisions of the UK Securitisation Regulation and contractually agrees to comply with the provisions of the EU Securitisation Regulation.

All Receivables included in the portfolio have been originated by VWFS and are sold to the Issuer by VWFS in its capacity as Seller.

VWFS shall, whilst any of the Notes remain outstanding retain for the life of such Notes a material net economic interest of not less than 5 per cent. with respect to the Transaction in accordance with Article 6(3)(d) of the UK Securitisation Regulation and Article 6(3)(d) of the EU Securitisation Regulation.

VWFS undertakes that it will not reduce, hedge or otherwise mitigate its credit exposure to the material net economic interest retained for the purposes of Article 6(1) of the UK Securitisation Regulation and Article 6(1) of the EU Securitisation Regulation:

- (a) with respect to the UK Securitisation Regulation, until such time as UK regulatory technical standards are published jointly by the FCA and PRA, Article 12 of the Commission Delegated Regulation specifying the risk retention requirements pursuant to the UK Securitisation Regulation (the "**Commission Delegated Regulation**") (BTS 625/2014 as amended by Annex R of The Technical Standards (Capital Requirements) (EU Exit) (No. 3) Instrument 2019) and, pursuant to Article 43(7) of the UK Securitisation Regulation, until regulatory technical standards are adopted jointly by the FCA and PRA, provided that the level of retention may reduce over time in compliance with Article 10 (2) of the Commission Delegated Regulation.
- (b) for the purposes of the EU Securitisation Regulation, Article 7 of the Commission Delegated Regulation (EU) 2023/2175 of 7 July 2023 on supplementing the Securitisation Regulation with regard to regulatory technical standards specifying in greater detail the risk retention requirements for originators, sponsors, original lenders and services (the "**RRTS**") adopted by the Commission pursuant to Article 6(7) of the EU Securitisation Regulation, provided that the level of retention may reduce over time in compliance with Article 10(2) of the RRTS.

As at the Issue Date, such interest will be comprised of an interest in the first loss tranche equivalent to no less than 5 per cent. of the nominal amount of the securitised exposures pursuant to Article 6(3)(d) of the UK Securitisation Regulation and Article 6(3)(d) of the EU Securitisation Regulation.

VWFS has prepared a table as set out in the section "**THE PURCHASED RECEIVABLES POOL**" of this Prospectus with a view to reflect that it complies with Article 6(3)(d) of the UK Securitisation Regulation and Article 6(3)(d) of the EU Securitisation Regulation. The first loss tranche retained by the Seller will have the characteristics set out in the table titled "**Retention according to Article 6(3)(d) of the UK Securitisation Regulation and Article 6(3)(d) of the EU Securitisation Regulation**" in the section "**THE PURCHASED RECEIVABLES POOL**".

The Seller (as originator) confirms that the Purchased Receivables are originated in the ordinary course of the business of VWFS pursuant to underwriting standards which are no less stringent than those which also apply to Financing Contracts which will not be securitised. In particular, the Seller (as originator) represents and warrants that it has in place (i) effective systems to apply its standard criteria for granting the Purchased Receivables and (ii) processes for approving and, where relevant, amending, renewing and re-financing the Purchased Receivables, in order to ensure that granting of the Purchased Receivables is based on a thorough assessment of each Obligor's creditworthiness taking appropriate account of factors relevant to verifying the prospect of the Obligor meeting its obligations under the relevant agreement.

The Servicer, on behalf of the Issuer, has prepared and will continue to prepare Monthly Investor Reports wherein relevant information with regard to the Purchased Receivables will be disclosed publicly together with an overview of the retention of the material net economic interest by the Seller for the purposes of which the Seller will provide the Issuer with all information reasonably required in accordance with the Securitisation Regulation (EU) Disclosure Requirements and the Securitisation Regulation (UK) Disclosure Requirements.

The Joint Lead Managers and the Arranger, to the extent the EU Securitisation Regulation or UK Securitisation Regulation is applicable to it, are required to independently assess and determine the sufficiency of the information described in the preceding two paragraphs for the purposes of complying with Article 5 et seq. of the EU Securitisation Regulation or Article 5 et seq. of the UK Securitisation Regulation and neither the Issuer nor VWFS makes any representation that the information described above is sufficient in all circumstances for such purposes.

Each prospective investor is required to independently assess and determine the sufficiency of the information described in the preceding paragraphs of this section and in this Prospectus generally for the purposes of complying with Article 5 et seq. of the EU Securitisation Regulation or Article 5 et seq. of the UK Securitisation Regulation and none of the Issuer, the Seller (in its capacity as the Seller and the Servicer), the Arranger, the Swap Counterparty, the Joint Lead Managers nor the Transaction Parties makes any representation that the information described above or in this Prospectus generally is sufficient in all circumstances for such purposes. In addition, each prospective investor should ensure that it complies with the implementing provisions in respect of the EU Securitisation Regulation or UK Securitisation Regulation as applicable in its relevant jurisdiction. Prospective investors who are uncertain as to the requirements which apply to them in respect of their relevant jurisdiction should seek guidance from their regulator and/or independent legal advice on the issue.

## ABSTRACT OF THE CONDITIONS OF THE NOTES

### GENERAL ABSTRACT OF THE CONDITIONS OF THE NOTES

The Notes do not represent obligations of VWFS or any other party other than the Issuer.

#### Denomination

The issue in the aggregate nominal amount of GBP 512,700,000 consists of 4,446 registered Class A Notes with a nominal amount of GBP 100,000 each, ranking equally among themselves and senior to the Class B Notes, and of 681 registered Class B Notes with a nominal amount of GBP 100,000 each, ranking equally among themselves but subordinated to the Class A Notes and senior to the Subordinated Loan.

#### Registered Global Notes

The Notes of each Class are, each, issued in registered form and represented by a global note (each a "**Global Note**") without coupons. The Global Note representing the Class A Notes will be deposited with a Common Safekeeper for Clearstream Luxembourg and Euroclear to be held under the new safekeeping structure (NSS); thereafter, the Global Note will be held in book-entry form only. The Global Note representing the Class B Notes will be deposited with a common depository for Clearstream Luxembourg and Euroclear and thereafter, the Global Note will be held in book-entry form only. Each Global Note will bear the personal signature(s) of at least one (1) duly authorised director of Driver UK Multi-Compartment S.A. and will be authenticated by one or more employees of the Registrar. The Global Note representing the Class A Notes will be effectuated by the Common Safekeeper.

For each Class of Notes, the Issuer will cause to be kept at the specified office of the Registrar a register (the "**Register**") on which will be entered the names and addresses of the Noteholders (as defined below) and the particulars of such Notes held by them and all transfers and payments (of interest and principal) of such Notes. The rights of the Noteholders evidenced by the Global Note and title to the relating Notes itself pass by assignment and registration in the relevant Register. The Global Note representing the Class A Notes will be issued in the name of a nominee of the Common Safekeeper and the Global Note representing the Class B Notes will be issued in the name of a nominee of the common depository for Clearstream Luxembourg and Euroclear (each such nominee, respectively, the "**Registered Holder**"). The Registered Holder will be subsequently registered as Noteholder in the relevant Register.

Each person (other than Euroclear or Clearstream Luxembourg) who is for the time being shown in the records of Euroclear and/or Clearstream Luxembourg, as the holder of a particular nominal amount of such Notes shall be treated by the Issuer and any paying agent as the holder of such nominal amount of the Notes for all purposes.

No transfer of Notes will be valid unless entered into the Register, *provided that* the interests in the Notes represented by a Global Note are transferable only according to applicable rules and regulations of Clearstream Luxembourg, and Euroclear, as the case may be. Each of the Global Note will not be exchangeable for definitive Notes.

#### Payments of Principal and Interest

Payments of principal and interest, if any, on the Notes shall be made by the Paying Agent on the Issuer's behalf for further payment to Clearstream Luxembourg and Euroclear. All payments in respect of any Note made by, or on behalf of, the Issuer to, or to the order of Euroclear or Clearstream Luxembourg shall discharge the liability of the Issuer under such Note to the extent of sums so paid.

The first payment shall be made on 25 April 2024. The final payment of the then outstanding principal amount plus interest thereon is expected to be made on the Payment Date relating to the Monthly Period, which includes the last day on which a payment on outstanding Purchased Receivables becomes due, falling in September 2030 for the Class A Notes (the "**Class A Scheduled Repayment Date**") and the Payment Date falling in September 2030 for the Class B Notes (the "**Class B Scheduled Repayment Date**"). All payments of interest on and principal of each Class of Notes will be due and payable at the latest in full on the Final Maturity Date of such Class of Notes (the "**Final Maturity Date**"), which shall be twelve (12) months after the Scheduled Repayment Date and which shall be the Payment Date falling in September 2031 for the Class A Notes (the "**Class A Final Maturity Date**") and the Payment Date (defined below) falling in September 2031 for the Class B Notes (the "**Class B Final Maturity Date**").

On 25 April 2024 and thereafter until the final payment on the 25<sup>th</sup> calendar day of each month or, in the event such day is not a Business Day, on the next following Business Day, unless such day falls in the next calendar month, in which case the date will be the first preceding day that is a Business Day, (the "**Payment Date**") the Issuer shall, subject to Condition 4.3, pay to the Class A Noteholders interest on the nominal amount of the Class A Notes immediately prior to the respective Payment Date, at the Class A Notes Interest Rate, and

thereafter, following the end of the Revolving Period, from the remaining Available Distribution Amount on each Payment Date provided that the payment of interest due and payable on the Class B Notes has been paid (prior to the occurrence of a Foreclosure Event), payment of the Class A Amortisation Amount, which comprises a payment of principal in respect of the Class A Notes until the Note Principal Amount Outstanding of the Class A Notes equals the Targeted Class A Note Balance.

On each Payment Date the Issuer shall, subject to Condition 4.3, pay to the Class B Noteholders interest on the nominal amount of the Class B Notes immediately prior to the respective Payment Date after payment of interest due and payable on the Class A Notes, at the Class B Notes Interest Rate, following the end of the Revolving Period, and shall make repayments of the nominal amount of the Class B Notes by paying to the Noteholders thereof from any amounts remaining from the Available Distribution Amount after payment of interest due on the Notes on such Payment Date and after the payment of principal on the Class A Notes, payment of the Class B Amortisation Amount, which comprises a payment of principal in respect of the Class B Notes until the Note Principal Amount Outstanding of the Class B Notes equals the Targeted Class B Note Balance.

The Available Distribution Amount on each Payment Date shall equal the sum of the following amounts:

- (a) interest accrued on the Distribution Account and the Accumulation Account; plus
- (b) amounts received as Collections received or collected by the Servicer, inclusive, for avoidance of doubt, the Monthly Collateral Part 1 and Monthly Collateral Part 2 (after any relevant netting); plus
- (c) payments from the Cash Collateral Account as provided for in clause 22.2 of the Trust Agreement; plus
- (d) (i) Net Swap Receipts under the Swap Agreement, (ii) where the Swap Agreement has been terminated, any Swap Termination Payments due by the Issuer to the departing Swap Counterparty have been paid (after returning any Excess Swap Collateral to the Swap Counterparty), and no replacement Swap Counterparty has been found, an amount equal to the lesser of (A) the funds standing to the credit of the Counterparty Downgrade Collateral Account received by the Issuer and (B) the Net Swap Receipts that would have been required to be paid under the terminated Swap Agreement had there been no termination of the Swap Agreement; and (iii) where the Swap Agreement has been terminated, amounts allocated in accordance with clause 20.08 of the Trust Agreement; plus
- (e) the amounts standing to the credit of the Accumulation Account after the preceding Payment Date; plus
- (f) any amounts provided for or converted into another currency which are not used and reconverted (if applicable) in accordance with clause 21.7 (*Order of Priority*) of the Trust Agreement; plus
- (g) the Interest Compensation Shortfall Redemption Amount; less
- (h) the Buffer Release Amount to be paid to VWFS, provided that no Credit Enhancement Increase Condition is in effect. For the avoidance of doubt if a Credit Enhancement Increase Condition is in effect, the Buffer Release Amount will remain forming part of the Available Distribution Amount in the form of Collections under limb (b); less
- (i) the Interest Compensation Ledger Release Amount to be paid to VWFS, provided that no Credit Enhancement Increase Condition is in effect. For the avoidance of doubt if a Credit Enhancement Increase Condition is in effect, the Buffer Top-Up Amount and the Interest Compensation Ledger Release Amount will remain forming part of the Available Distribution Amount in the form of Collections under limb (b).

The Issuer is only obliged to make any payments to the Noteholders if it has first received such amounts to freely dispose of them. It is understood that interest and principal on the Notes (other than interest on the most senior Class of Notes outstanding) will not be due on any Payment Date prior to the Legal Maturity Date except to the extent there are sufficient funds in the Available Distribution Amount to pay such amounts in accordance with the Order of Priority. Payments to the holders of Class A Notes of principal will be effected only after the payment to the holders of Class B Notes of interest on the relevant Payment Date. All payment obligations of the Issuer are limited recourse and constitute solely obligations of the Issuer to distribute amounts out of the Available Distribution Amount according to the Order of Priority.

## Order of Priority

**Pre-Foreclosure Event:** Prior to the occurrence of an Enforcement Event, distributions will be made on each Payment Date from the Available Distribution Amount according to the following order of priority (the "**Order of Priority**") as set forth in Clause 21.3 (*Order of Priority*) of the Trust Agreement:

### **Optional Redemption of the Notes / Clean-Up Call Option**

VWFS will have the option but not the obligation, to require the Issuer to exercise the Clean-Up Call Option and to repurchase the outstanding Purchased Receivables from the Issuer at any time when the Aggregate Discounted Receivables Balance for all outstanding Purchased Receivables is less than 10 per cent of the sum of the Aggregate Discounted Receivables Balance as of the Initial Cut-Off Date.

### **Cash Collateral Account**

On the date of the issue of the Notes, the Issuer will deposit GBP 7,434,150 in the Cash Collateral Account. The Issuer has agreed to keep the Cash Collateral Account at all times with a bank that has the Account Bank Required Ratings. In the event that the Account Bank ceases to have the Account Bank Required Ratings, the Account Bank shall, at its own cost (for the avoidance of doubt, it shall cover the legal fees as separately agreed between the Issuer and the Account Bank), within sixty (60) calendar days of the occurrence of such downgrade, do one of the following: (i) procure the transfer of the Accounts held with it to an Eligible Collateral Bank, or (ii) find an irrevocable and unconditional guarantor providing the Account Bank Required Guarantee.

The amount of GBP 7,434,150 serves as the Cash Collateral Amount.

On each Payment Date, amounts payable under item *eighth* of the Order of Priority set out in Clause 21.3 (*Order of Priority*) of the Trust Agreement shall be deposited in the Cash Collateral Account until the relevant balance equals the Specified General Cash Collateral Account Balance. The funds in the Cash Collateral Account (other than the balance standing to the credit of the Interest Compensation Ledger and the Retained Profit Ledger) are referred to as the "**General Cash Collateral Amount**".

On each Payment Date prior to the occurrence of a Foreclosure Event the General Cash Collateral Amount shall be used:

- (a) *first*, to cover any shortfalls in the amounts payable under items first through seventh of the Order of Priority set out in clause 21.3 (*Order of Priority*) of the Trust Agreement;
- (b) *second*, to make payment of the amounts due and payable under clause 21.4 (*Order of Priority*) of the Trust Agreement; and
- (c) *third*, on the earlier of (i) the Final Maturity Date or (ii) the date on which the Aggregate Discounted Receivables Balance has been reduced to zero to make payment of the amounts due and payable under items ninth, tenth, eleventh, twelfth, thirteenth and fourteenth of the Order of Priority set out in clause 21.3 (*Order of Priority*) of the Trust Agreement.

In addition, the Servicer is entitled to utilise the General Cash Collateral Amount to the extent and in the amounts as agreed with its auditors for the purposes of the Clean-Up Call Option. In connection with the exercise of the Clean-Up Call Option, VWFS shall ensure that all amounts outstanding under the Notes and any obligations ranking *pari passu* with or senior to the Notes in the Order of Priority are discharged in full.

On each Payment Date following the occurrence of an Enforcement Event, the General Cash Collateral Amount and the balance standing to the credit of the Interest Compensation Ledger and the Retained Profit Ledger shall be applied in accordance with clause 21.5 (*Order of Priority*) of the Trust Agreement.

Upon the earliest to occur of (i) the Final Maturity Date; (ii) the date on which all then outstanding Notes and the Subordinated Loan have been fully redeemed and repaid respectively, or (iii) of the date on which the Clean-Up Call Option has been exercised, the Cash Collateral Account shall be closed and VWFS shall be entitled to the sums remaining in the Cash Collateral Account together with the interests accrued thereof (except for any Retained Profit Amounts remaining in the Cash Collateral Account, to which the Issuer is entitled). After closing of the Cash Collateral Account, VWFS is entitled to any Purchased Receivables still being collected.

On each Payment Date the Retained Profit Ledger will be credited with the Retained Profit Amount in accordance with the applicable Order of Priority. Amounts may be debited from the Retained Profit Ledger from time to time to pay corporate income taxes in respect of the Retained Profit Amount and for any dividend payments to the Issuer's shareholder.

### **Paying Agent, Registrar**

The Issuer will make payments to the Noteholders through the Paying Agent. Payments shall be made from the Issuer's accounts with the Account Bank. The Bank of New York Mellon, London Branch as Paying Agent does not need to execute an affidavit or fulfil any formalities other than the compliance with tax, currency

exchange or other regulations of the country where the distribution takes place. The Bank of New York Mellon, London Branch is a branch of an independent credit institution and is not affiliated to VWFS or the Issuer and may be substituted as provided for in Condition 8.6 of the Conditions of the Notes.

The Issuer has appointed The Bank of New York Mellon SA/NV, Luxembourg Branch, as Registrar to keep the Register. The Bank of New York Mellon SA/NV, Luxembourg Branch is not affiliated to VWFS or the Issuer and may be substituted as provided for in Condition 8.6 of the Conditions of the Notes.

### **Security, Security Trustee and Enforcement**

The Issuer, acting for and on behalf of its Compartment Driver UK eight, has entered into a Trust Agreement, a Deed of Charge and Assignment and an Assignment in Security and may enter into further Assignations in Security. In respect of the Trust Agreement, the Deed of Charge and Assignment, the Assignations in Security and the security created thereunder, see "**ABSTRACT OF THE OTHER PRINCIPAL TRANSACTION DOCUMENTS**" below.

### **Trust Agreement**

For the benefit of the Transaction Creditors, the Issuer has appointed the Security Trustee pursuant to the Trust Agreement and has instructed and authorised the Security Trustee to act as trustee for the benefit of the Transaction Creditors pursuant to the terms of the Trust Agreement (as *Treuhänder*), the Deed of Charge and Assignment and the Assignment in Security.

Pursuant to the Trust Agreement, the Issuer has assigned or transferred (as applicable) to the Security Trustee for security purposes all its claims and other rights arising from the German Transaction Documents (with the exception of claims and other rights arising from the Trust Agreement) (including the rights to unilaterally alter a legal relationship (*unselbständige Gestaltungsrechte*)) and from all present and future German law contracts the Issuer has entered or may enter into in connection with the Notes, the Subordinated Loan, the Swap Agreement or the Receivables. In addition, the Issuer pledged to the Security Trustee all its present and future claims against the Security Trustee arising under the Trust Agreement.

After the occurrence of an Enforcement Event, the Security Trustee will at its reasonable discretion foreclose or enforce or cause the foreclosure or the enforcement of the Security.

The Issuer, acting for and on behalf of its Compartment Driver UK eight has entered into a Trust Agreement, a Deed of Charge and Assignment and an Assignment in Security.

In the Trust Agreement, the Issuer has undertaken to pay the Security Trustee, under the same terms and conditions, an amount equal to the aggregate of all its undertakings, liabilities and obligations to all the Transaction Creditors (including the holders of the Notes) pursuant to the Transaction Documents (the "**Trustee Claim**").

To provide collateral for the Trustee Claim, the Issuer assigns to the Security Trustee all its claims and other rights arising from the German Transaction Documents (with the exception of claims and other rights arising from the Trust Agreement) for the avoidance of doubt (including the rights to unilaterally alter a legal relationship (*unselbständige Gestaltungsrechte*)) and from all present and future German law contracts the Issuer has entered or may enter into from time to time in connection with the Transaction Documents.

### **Deed of Charge and Assignment and Assignment in Security**

In addition, the Notes are secured and share the same Security with the other Secured Obligations of the Issuer as set out in the Deed of Charge and Assignment (including any supplements) and the Assignment in Security.

The Security granted by the Issuer pursuant to the Deed of Charge and Assignment (including any supplements), includes:

- (a) an assignment by way of first fixed security of the Benefit of all of its present and future right, title and interest to, in and under the English Receivables and the Northern Irish Receivables;
- (b) an assignment by way of first fixed security of the Benefit of all of its present and future right, title and interest to, in and under:
  - (i) the Charged Transaction Documents;
  - (ii) each other contract, agreement, deed and document, present and future, to which the Issuer is or becomes a party, including, without limitation, all rights to receive payment of any amounts which may become payable to the Issuer thereunder and all payments received by

the Issuer thereunder from time to time, all rights to serve notices and/or make demands thereunder and/or to take such steps as are required to cause payments to become due and payable thereunder and all rights of action in respect of any breach thereof and all rights to receive damages or obtain other relief in respect thereof;

- (c) a first fixed charge over the Benefit of the Accounts of the Issuer, other than any such accounts situated outside England and Wales (and any replacement therefor), and all of its other book debts, present and future, the proceeds of the same and all other moneys due and payable to it and the benefit of all rights, securities and guarantees of any nature enjoyed or held by it in relation to any of the foregoing; and
- (d) a first floating charge over the whole of the Issuer's undertaking and all the Issuer's property, assets and rights whatsoever and wheresoever present and future including the Issuer's uncalled capital (excluding any property or assets from time to time or for the time being effectively charged by way of fixed charge or assigned by way of security, but excepting from the foregoing exclusion the whole of the Issuer's undertaking, property assets and rights situated in Scotland or otherwise governed by Scots law all of which are charged by the floating charge).

In addition, as continuing security for the payment or discharge of the Secured Obligations, the Issuer granted and will grant Assignations in Security in favour of the Security Trustee, for itself and on trust for the Transaction Creditors relative to the Scottish Declarations of Trust under which VWFS holds and will hold in trust for the Issuer, *inter alia*, all its present and future rights, title and interest in, to and under the Scottish Receivables.

### **Servicer**

Subject to revocation by the Issuer after a Servicer Replacement Event, the Issuer has appointed VWFS as the Servicer to provide the Services to the Issuer in relation to the Financing Contracts and the Receivables, and also to exercise certain of the Issuer's rights in respect of the Financing Contracts and the Receivables, all as further described below under "**ADMINISTRATION OF THE PURCHASED RECEIVABLES UNDER THE SERVICING AGREEMENT**".

### **Dismissal and Replacement of the Servicer**

After a Servicer Replacement Event, the Issuer is entitled to dismiss the Servicer as outlined in the Servicing Agreement.

### **Replacement of Issuer**

Subject to certain preconditions the Issuer is entitled to appoint another company (the "**New Issuer**") in place of itself as debtor for all obligations arising from and in connection with the Notes, as further described in Condition 10 of the Class A Notes and the Class B Notes "**CONDITIONS OF THE NOTES**".

### **Taxes**

Payments under the Notes shall only be made after the deduction and withholding of current or future taxes, levies or government charges, regardless of their nature, which are imposed, raised or collected (hereinafter collectively referred to as "**taxes**") on the basis of the applicable laws of, or for the account of, an authority or government agency authorised to levy taxes or of any country which claims fiscal jurisdiction, to the extent that such a collection is prescribed by applicable law (or pursuant to FATCA). The Issuer shall render an account of the deducted or withheld taxes accruing to the competent government agencies and shall, upon a Noteholder's request, provide proof thereof. It is not obliged to pay any additional amounts as a result of the deduction or withholding.

### **Limited Recourse and Non-petition**

The Notes and the Subordinated Loan represent obligations of the Issuer only, and do not represent obligations of the Joint Lead Managers, the Arranger, the Security Trustee, VWFS or Volkswagen Bank GmbH, or any of its affiliates (together the "**Volkswagen Group**") or any affiliate of the Issuer or any other third person or entity. Neither the Joint Lead Managers, nor the Arranger, nor the Security Trustee, nor VWFS, nor the Volkswagen Group, nor any affiliate of the Issuer, nor any other third person or entity, assume any liability to the Noteholders if the Issuer fails to make a payment due under the Notes or the Subordinated Loan.

All payment obligations of the Issuer under the Notes and the Subordinated Loan constitute limited recourse obligations to pay only the Available Distribution Amount which includes, *inter alia*, amounts received by the Issuer under the Purchased Receivables and under the other Transaction Documents. The Available Distribution Amount may not be sufficient to pay amounts accrued under the Notes, which may result in an

Interest Shortfall as defined in the Master Definitions Schedule, however, an Interest Shortfall other than non-payment of interest on the most senior Class of the Notes (subject to the expiry of the 5 Business Day grace period) will not constitute a Foreclosure Event. The Notes shall not give rise to any payment obligation in addition to the foregoing. The enforcement of the payment obligations under the Notes and the Subordinated Loan shall only be effected by the Security Trustee in accordance with the Trust Agreement. A Foreclosure Event will, following the service of an Enforcement Notice by the Security Trustee, result in the enforcement of the collateral held by the Security Trustee. If the Security Trustee enforces the claims under the Notes and/or the Subordinated Loan, such enforcement will be limited to those assets which were transferred to the Security Trustee and to any other assets of the Issuer. To the extent that such assets, or the proceeds of the realisation thereof, prove ultimately insufficient to satisfy the claims of all Noteholders the Subordinated Lender or Swap Counterparty in full, then any shortfall arising shall be extinguished and neither any Noteholder, nor the Security Trustee shall have any further claims against the Issuer. Such assets and proceeds shall be deemed to be "ultimately insufficient" at such time when no further assets are available and no further proceeds can be realised therefrom to satisfy any outstanding claims of the Noteholders, and neither assets nor proceeds will be so available thereafter.

If any of the events which require the Security Trustee to take action should occur, the Security Trustee will have legal access to the Security (see the section "**TRUST AGREEMENT**" below) only. The Security Trustee itself is not a guarantor, nor have any guarantees been given by other parties, with respect to which the Security Trustee could assert claims on behalf of the Noteholders and/or the Subordinated Lender.

None of the Noteholders (nor any other Person acting on behalf of any of them) shall be entitled at any time until the expiry of at least one year and one day after the Final Maturity Date, to institute against the Issuer; or join in any institution against the Issuer of, any insolvency proceedings in connection with any obligations of the Issuer relating to the Notes, save for lodging a claim in the liquidation of the Issuer which is initiated by another Person who is not a Noteholder or a party to any Transaction Document.

## **Notices**

Notices to the Noteholders will be validly given if transmitted individually to the address set out in the Register for such Noteholder.

As long as a Global Note is registered in the name of the Registered Holder notices to each respective Noteholder may be validly given if transmitted to Euroclear and Clearstream Luxembourg for further communication to the persons shown as holders of the Notes in their records. Any notice so given shall be deemed to have been given to all Noteholders on the seventh day after the day on which the said notice was given to Euroclear and Clearstream Luxembourg.

In addition, as long as the Notes are listed on the official list of the Luxembourg Stock Exchange and the rules of such exchange so require, all notices to the Noteholders regarding the Notes shall be published on the website of the Luxembourg Stock Exchange ([www.luxse.com](http://www.luxse.com)). Any notice referred to above shall be deemed to have been given to all Noteholders on the seventh day after the day on which the said notice was published on the website of the Luxembourg Stock Exchange ([www.luxse.com](http://www.luxse.com)). Should an official listing be absent, then such notices shall be published in the German Federal Gazette (*Bundesanzeiger*).

## **Modifications**

Save in respect of a Benchmark Rate Modification undertaken in accordance with Condition 13.3 (*Amendments to the Conditions and Benchmark Rate Modification*) the Conditions may only be modified by majority vote and appointment a noteholders' representative (*gemeinsamer Vertreter*) for all Noteholders for the relevant Class of Notes for the preservation of their rights pursuant to the provisions of the German Debenture Act (*Gesetz über Schuldverschreibungen aus Gesamtemissionen* – "**SchVG**") (section 5 (1) sentence 1 SchVG).

The Conditions and any Transaction Document may be amended for the purposes of effecting a Benchmark Rate Modification without the consent of the Noteholders (subject to and in accordance with the mechanism in Condition 12 (*Amendments to the Conditions and Benchmark Rate Modification*)). The Issuer is required to provide the Transaction Creditors (including the Swap Counterparty) with at least 30 days' notice of the proposed modifications to the Alternative Benchmark Rate which shall apply in respect of the Conditions and the Swap Agreement for the purposes of determining the floating amount payable by the floating rate payer in respect of the Swap Agreement without a requirement for the consent of the Swap Counterparty to such change in the benchmark rate and to such other related or consequential amendments to the Transaction Documents (including, if applicable, the Swap Agreement) as are necessary or advisable in the reasonable judgment of the Issuer to facilitate the Benchmark Rate Modification and, in the case of such other related or consequential amendments to the Transaction Documents, the Issuer has obtained the consent of any other Transaction Creditors which are not Noteholders in accordance with the provisions of the Incorporated Terms Memorandum.

The Issuer will also be entitled to amend any term or provision of the Conditions with the consent of the Security Trustee, but without the consent of any Noteholder, the Swap Counterparty, the Subordinated Lender, the Arranger, the Joint Lead Managers or any other Person if it is advised by a third party authorised under Article 28 of the UK Securitisation Regulation, as applicable, or a reputable international law firm that such amendments are required for the Transaction to comply with the EU Securitisation Regulation or the UK Securitisation Regulation, as applicable, or any regulatory and/or implementing technical standards adopted under the EU Securitisation Regulation or any directions, secondary legislation, guidance, regulatory technical standards, implementing technical standards and related documents published by the FCA and the PRA of the United Kingdom under the UK Securitisation Regulation. Insofar as such amendments relate to the originator or Seller, any amendments in order to comply with the EU Securitisation Regulation shall not result in any non-compliance with the UK Securitisation Regulation and insofar as such amendments relate to the Issuer, any amendments in order to comply with the UK Securitisation Regulation shall not result in any non-compliance with the EU Securitisation Regulation.

#### **Applicable Law, Place of Performance and Place of Jurisdiction, Prescription**

The form and content of the Notes and all of the rights and privileges of the Noteholders, the Paying Agent, the Registrar and the Servicer under the Notes shall be subject in all respects to the laws of Germany. The provisions of articles 470-1 to 470-19 of the Luxembourg Companies Act relating to the noteholders' representations and the noteholder register are expressly excluded.

Place of performance and venue is Frankfurt am Main, Germany.

For any litigation in connection with the Conditions of the Notes, which will be initiated against the Issuer in a court of Germany, the Issuer has appointed Intertrust (Deutschland) GmbH, to accept service of process.

Claims arising from the Notes including claims for payment of interest and principal shall be prescribed in accordance with general prescription rules under German law, i.e. either (i) upon the expiry of three years after the end of the year in which the respective claim has come into existence and in which the creditor of such claim had knowledge of such claim (or did not have such knowledge due to its own gross negligence) or (ii) in any event upon the expiry of ten years.

## ABSTRACT OF THE OTHER PRINCIPAL TRANSACTION DOCUMENTS

### Trust Agreement

The Issuer has entered into the Trust Agreement with, *amongst others*, the Security Trustee and VWFS. Under the Trust Agreement the Issuer has instructed and authorised the Security Trustee to act as fiduciary agent for the Transaction Creditors. The Security Trustee is not affiliated with the Issuer or VWFS and maintains no relationships other than arm's length business relationships with the Issuer and VWFS.

The Trust Agreement creates the Trustee Claim of the Security Trustee against the Issuer pursuant to which the Security Trustee shall be entitled to demand that the Issuer makes all payments owed to the Transaction Creditors directly or, in the event of non-performance, to the Security Trustee for transfer of such amounts to the respective Transaction Creditors.

To provide collateral for the Trustee Claim, the Issuer assigns to the Security Trustee all its claims and other rights arising from the German Transaction Documents (with the exception of claims and other rights arising from the Trust Agreement) for the avoidance of doubt (including the rights to unilaterally alter a legal relationship (*unselbständige Gestaltungsrechte*)) and from all present and future German law contracts the Issuer has entered or may enter into from time to time in connection with the Transaction Documents.

The Security Trustee is not obliged to monitor the performance of the duties of the Issuer under the Notes, the Conditions of the Notes, the Subordinated Loan or any other Transaction Documents to which the Issuer is a party. All rights of the Noteholders shall remain at all times and under all circumstances vested in the Noteholders.

In addition, the Issuer pledges to the Security Trustee all its present and future claims against the Security Trustee arising under the Trust Agreement. The parties to the Trust Agreement have agreed that the Security Trustee, under the Trust Agreement, shall act exclusively for the benefit of the Transaction Creditors.

Except as expressly provided for otherwise in the Trust Agreement, the Security Trustee is not required to monitor the fulfilment of the Issuer's obligations under the Notes, the Conditions or any other Transaction Document.

Notwithstanding the provisions of the Trust Agreement, all rights of the Noteholders under the Notes shall remain at all times and under all circumstances vested in the Noteholders.

Subject to the occurrence of a Foreclosure Event, amounts generally will not be due and payable on any Note on any Payment Date prior to the Final Maturity Date of that Note except to the extent there are sufficient funds in the Available Distribution Amount and the General Cash Collateral Amount to pay such amounts in accordance with the Order of Priority of distributions.

Amounts received by the Issuer (or the Cash Administrator on its behalf) which constitute Excess Swap Collateral, Swap Tax Credits and Swap Replacement Proceeds (only to the extent such Swap Replacement Proceeds are applied directly to pay a Swap Termination Payment due and payable by the Issuer to the outgoing Swap Counterparty) shall, to the extent due and payable under the terms of the Swap Agreement, be paid by the Cash Administrator on behalf of the Issuer directly to the Swap Counterparty without regard to the Order of Priority.

VWFS will be entitled to amend the Trust Agreement with the consent of the Issuer if such amendment is notified to the Security Trustee and the Rating Agencies and that such amendment will not, according to the Security Trustee, be materially prejudicial to the interests of any of the Transaction Creditors, or to the extent that any Transaction Creditors are materially affected by such amendment, all such Transaction Creditors have consented to it. If the amendment relates to the amount, the currency or the timing of the cash-flow received by the Issuer under the Purchased Receivables, the application of such cash-flow by the Issuer, or the ranking of the Swap Counterparty in the Order of Priority, then the consent of the Swap Counterparty will be required.

For the complete text of the Trust Agreement please see "**TRUST AGREEMENT**" of this Prospectus.

### Servicing Agreement

Subject to revocation by the Issuer after a Servicer Replacement Event, VWFS is instructed pursuant to the terms of the Servicing Agreement to act as Servicer in order to provide certain management and administrative services to the Issuer and the Security Trustee in relation to the portfolio of assets composed of the Purchased Receivables, the Servicing Agreement, any applicable laws, regulations, judgments and other directions or orders to which it may be subject and its Customary Operating Practices, devoting or procuring that there is devoted to the performance of its obligations under the Servicing Agreement at least the same amount of time and attention and that there is exercised the same level of skill, care and diligence

in the performance of those obligations, the exercise of its discretions under the Servicing Agreement and its exercise of the rights of the Issuer and the Security Trustee in respect of the Purchased Receivables, the Financing Contracts and the Vehicles as it would if it were administering motor vehicle hire purchase agreements and personal contract purchases in respect of which it held the entire benefit (both legally and beneficially).

VWFS, as the Servicer, is entitled to commingle funds such as Collections from the Purchased Receivables with its own funds during each Monthly Period in accordance with the following procedure:

- (a) if and as long as the Monthly Remittance Condition is satisfied, VWFS will be entitled to commingle funds representing Collections with its own funds during each Monthly Period and will be required to make a single deposit of such monthly Collections to the Distribution Account on each Payment Date; and
- (b) if and as long as the Monthly Remittance Condition is not satisfied, VWFS will be entitled to commingle funds representing Collections with its own funds during each Monthly Period only in accordance with the procedure outlined in detail in "**ADMINISTRATION OF THE PURCHASED RECEIVABLES UNDER THE SERVICING AGREEMENT - Commingling**".

VWFS as Servicer undertakes to the Issuer that it will, for as long as the Class A Notes or (if possible in accordance with the Bank of England eligibility criteria in force from time to time) any other Class of Notes are intended to be held in a manner which will allow Bank of England eligibility, make loan level data in such a manner available as required to comply with the Bank of England eligibility criteria and transparency criteria for asset backed securities (as set out in detailed transparency requirements for asset backed securities and covered bonds - Market Notice dated 11 October 2019 as amended and applicable from time to time).

#### *EU Securitisation Regulation – EU Disclosure Requirements*

The Servicer will make such information available on the website of the European Data Warehouse (UK) (<https://editor.eurodw.co.uk/>). There is no requirement to report to a UK securitisation repository where the prospectus has not been approved by the FCA. For the purposes of Article 7(2) of the UK Securitisation Regulation, the Seller and the Issuer designate VWFS, in its capacity as originator, to fulfil the information requirements of Article 7(1) of the UK Securitisation Regulation.

Information as to the present lending business procedures of VWFS are described in the sections entitled "**BUSINESS PROCEDURES OF VOLKSWAGEN FINANCIAL SERVICES (UK) LIMITED**" and "**ADMINISTRATION OF THE PURCHASED RECEIVABLES UNDER THE SERVICING AGREEMENT**" below, however, VWFS will be permitted to change those business procedures from time to time in its own discretion.

The Servicer is permitted to delegate some or all of its duties to other entities, including its Affiliates and subsidiaries, although the Servicer will remain liable for the performance of any duties that it delegates to another entity.

The Servicer will be entitled to receive a fee on each Payment Date for the relevant Monthly Period in accordance with the Order of Priority. The Servicer will pay all expenses incurred by it in connection with its collection activities and will not be entitled to reimbursement of those expenses. The Servicer will have no responsibility, however, to pay or fund any credit losses with respect to the Purchased Receivables.

After a Servicer Replacement Event, the Issuer is entitled to dismiss the Servicer and is required to appoint a successor servicer in accordance with the provisions of the Servicing Agreement.

## Data Protection Trust Agreement

In accordance with the Data Protection Trust Agreement, VWFS, on a Business Day falling no later than 7 Business Days after the Closing Date, will:

- (a) make an encrypted list (with only the names and addresses and contract numbers of the respective Obligors) available to the Issuer (the "**Initial Encrypted List**"); and
- (b) deposit or cause to be deposited with the Data Protection Trustee a sealed containment key (the "**Portfolio Decryption Key**") (which is for the decryption of the Initial Encrypted List of the names and addresses of the respective Obligors for each contract number relating to a Financing Contract which relates to all Purchased Receivables).

On each Payment Date, VWFS further undertakes to update the encrypted list contained in the Initial Encrypted List (or the Additional Encrypted List, as applicable), and to make such updated encrypted list available to the Issuer (the "**Additional Encrypted List**") whilst at the same time ensuring that the Portfolio Decryption Key entrusted to the Data Protection Trustee remains valid and, if not, promptly make a new Portfolio Decryption Key available to the Data Protection Trustee.

The Data Protection Trustee will carefully safeguard the Portfolio Decryption Key and protect it against unauthorised access by any third party. Delivery of the Portfolio Decryption Key is permissible only to (i) (at the request of the Security Trustee) a replacement Servicer or (ii) to the Seller or, at the request of the Seller or the Security Trustee, to the replacement Data Protection Trustee subject to applicable data protection laws and banking secrecy provisions. The Data Protection Trustee has agreed to notify the Obligors of the assignment of the Purchased Receivables to the Issuer and instruct the Obligors to make all payments in respect of the Purchased Receivables to the Distribution Account of the Issuer following delivery to it of a Notification Event Notice.

- (b) it has been demonstrated to the reasonable satisfaction of the Security Trustee that such amendment is not materially prejudicial to the interests of the Noteholders and/or any other Transaction Creditor.

- (a) if it is notified by the party requesting such amendment to the Security Trustee and the Rating Agencies in writing, whereby fax, e-mail or letter shall be sufficient; and
- (b) the Issuer has received the written consent to such amendment from the Security Trustee and the Transaction Creditors that are materially and adversely affected.

The Conditions and any Transaction Document may be amended for the purposes of effecting a Benchmark Rate Modification without the consent of the Noteholders (subject to and in accordance with the mechanism in Condition 12 (*Amendments to the Conditions and Benchmark Rate Modification*)). Any Transaction Document may be amended with the consent of VWFS and the Security Trustee, but without the consent of any Noteholder, the Swap Counterparty, the Subordinated Lender, the Arranger, the Joint Lead Managers or any other Person if it is advised by a third party authorised under Article 28 of the UK Securitisation Regulation, as applicable, or a reputable international law firm that such amendments are required for the Transaction to comply with the EU Securitisation Regulation or the UK Securitisation Regulation, as applicable, or any regulatory and/or implementing technical standards adopted under the EU Securitisation Regulation or any directions, secondary legislation, guidance, regulatory technical standards, implementing technical standards and related documents published by the FCA and the PRA of the United Kingdom under the UK Securitisation Regulation. Insofar as such amendments relate to the originator or Seller, any amendments in order to comply with the EU Securitisation Regulation shall not result in any non-compliance with the UK Securitisation Regulation and insofar as such amendments relate to the Issuer, any amendments

in order to comply with the UK Securitisation Regulation shall not result in any non-compliance with the EU Securitisation Regulation.

## TAXATION

The following information is of a general nature and is not intended as tax advice and does not purport to describe all of the tax considerations that may be relevant to a prospective investor in the Notes. It should be read in conjunction with the section entitled "**RISK FACTORS**". Potential investors in the Notes should satisfy themselves as to the overall tax consequences of purchasing, holding and/or selling the Notes and, therefore, should consult their professional tax advisors.

The attention of prospective Noteholders is drawn to Condition 9 (*Taxes*).

### **Taxation in Luxembourg**

The statements herein regarding certain tax considerations effective in Luxembourg are based on the laws in force in the Grand Duchy of Luxembourg as of the date of this Prospectus and are subject to any changes in law.

The following information is of a general nature only, it is not intended to be, nor should it be construed to be, legal or tax advice, and does not purport to be a comprehensive description of all the Luxembourg tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. Prospective investors in the Notes should therefore consult their own professional advisers as to particular circumstances, the effects of state, local or foreign laws, including Luxembourg tax law, to which they may be subject as a result of the purchase, ownership and disposition of the Notes and as to their tax position.

Please be aware that the residence concept used under the respective headings below applies for Luxembourg income tax assessment purposes only. Any reference in the present section to a tax, duty, levy, impost or other charge or withholding of a similar nature refers to Luxembourg tax law and/or concepts only. Corporate income tax (*impôt sur le revenu des collectivités*), municipal business tax (*impôt commercial communal*), net wealth tax (*impôt sur la fortune*) as well as the solidarity surcharge invariably apply to most corporate taxpayers resident in Luxembourg for tax purposes. Any reference to a resident corporate Noteholder includes non-resident corporate Noteholders carrying out business activities through a permanent establishment or a permanent representative in Luxembourg to which assets would be attributable. Individual taxpayers are generally subject to personal income tax and the solidarity surcharge. Under certain circumstances, where an individual taxpayer acts in the course of the management of a professional or business undertaking, municipal business tax may apply as well. Investors may further be subject to other duties, levies or taxes.

### **Withholding Tax**

Under Luxembourg tax law currently in effect and with the possible exception of interest paid to Luxembourg resident individual holders of the Notes, there is no Luxembourg withholding tax on payments of interest (including accrued but unpaid interest) or upon payment of principal in case of redemption or repurchase of the Notes.

Payments under the Notes will only be made after deduction or withholding of any mandatory withholding or deductions on account of tax. The Issuer will not be required to pay additional amounts in respect of any such withholding or other deduction for or on account of any present or future taxes, duties or charges of whatever nature. See "**TERMS AND CONDITIONS OF THE NOTES — Condition 9 (Taxes)**".

#### **(a) Non-resident Noteholders**

Under Luxembourg general tax law currently in force, there is no withholding tax on payments of principal, premium or interest made to non-resident Noteholders, nor on accrued but unpaid interest in respect of the Notes, nor is any Luxembourg withholding tax payable upon redemption, repurchase or exchange of the Notes held by non-resident Noteholders.

#### **(b) Resident Noteholders**

Subject to the Luxembourg law of 23 December 2005, as amended (the "**Relibi Law**"), there is under general tax laws currently in force no withholding tax on payments of principal, premium or interest made to resident Noteholders, nor on accrued but unpaid interest in respect of Notes, nor is any Luxembourg withholding tax payable upon redemption, repurchase or exchange of Notes held by Luxembourg resident Noteholders.

Under the Relibi Law, payments of interest or similar income made or ascribed by a paying agent established in Luxembourg to or for the benefit of an individual beneficial owner who is resident of Luxembourg will be subject to a withholding tax of 20 per cent.

The withholding tax applied in accordance with the Relibi Law will be in full discharge of income tax if the beneficial owner is an individual acting in the course of the management of his/her private wealth. Responsibility for the withholding of the tax will be assumed by the Luxembourg paying agent. Payments of interest under the Notes coming within the scope of the Relibi Law, as amended, would be subject to withholding tax of 20 per cent.

### ***Income Taxation***

#### **(a) Non-resident Noteholders**

Non-resident Noteholders, not having a permanent establishment, a permanent representative, or a fixed place of business in Luxembourg to which the Notes or income thereon are attributable, are not subject to income taxes on income accrued or received, redemption premiums or issue discounts, under the Notes nor on capital gains realised on the sale, exchange or disposal of the Notes. Non-resident corporate or individual holders acting in the course of the management of a professional or business undertaking, who have a permanent establishment, a permanent representative, or a fixed place of business in Luxembourg to which or to whom such Notes are attributable, are subject to Luxembourg income tax on interest accrued or received, redemption premiums or issue discounts, under the Notes and on any gains realised upon the sale, exchange or disposal of the Notes.

#### **(b) Resident Noteholders**

Luxembourg resident Noteholders will not be liable for any Luxembourg income tax on repayment of principal under the Notes.

##### **(i) resident individual Noteholders**

Resident individual Noteholders, acting in the course of the management of their private wealth, are subject to Luxembourg income tax at progressive rates in respect of interest or similar income received, redemption premiums or issue discounts, under the Notes, except if (i) withholding tax has been levied on such payments in accordance with the Relibi Law, or (ii) the individual holder of the Notes has opted for the application of a 20 per cent. tax in full discharge of income tax in accordance with the Relibi Law, which applies if a payment of interest has been made or ascribed by a paying agent established in an EU Member State (other than Luxembourg) or in a Member State of the European Economic Area (other than an EU Member State).

A gain realised by resident individual Noteholders, acting in the course of the management of their private wealth, upon the sale, exchange or disposal, in any form whatsoever, of Notes is not subject to Luxembourg income tax, provided this sale, exchange or disposal took place more than six (6) months after the Notes were acquired. However, any portion of such gain corresponding to accrued but unpaid interest income is subject to Luxembourg income tax, except if tax has been levied on such interest in accordance with the Relibi Law.

Resident Noteholders, acting in the course of the management of a professional or business undertaking must include interest or similar income received, redemption premiums or issue discounts, under the Notes, as well as any gain realised upon the sale, exchange or disposal, in any form whatsoever, of Notes, in their taxable basis, which will be subject to Luxembourg income tax at progressive rates. If applicable, the tax levied in accordance with the Relibi Law will be credited against his/her final tax liability.

##### **(ii) resident corporate Noteholders**

Resident corporate Noteholders must include any interest or similar income received, redemption premiums or issue discounts, under the Notes, as well as any gain realised upon the sale, exchange or disposal, in any form whatsoever, of the Notes, in their taxable income for Luxembourg income tax assessment purposes.

Noteholders that are subject to and compliant with the law of 11 May 2007 on family estate management companies, as amended, or with the law of 17 December 2010 on undertakings for collective investment, as amended, or with the law of 13 February 2007 on specialised investment funds, as amended, or with the law of 23 July 2016 on reserved alternative investment funds, as amended, where the latter not exclusively investing in risk capital are subject neither to income tax in respect of interest or similar income received, redemption premiums or issue discounts, under the Notes, nor any gain realised upon the sale, exchange or disposal, in any form whatsoever, of the Notes.

## **Net wealth taxation**

Resident corporate Noteholders as well as non-resident corporate Noteholders which maintain a permanent establishment, fixed place of business or a permanent representative in Luxembourg to which the Notes or income thereon are attributable, are subject to wealth tax on such Notes, except if the Noteholders are a family estate management company subject to and compliant with the law of 11 May 2007, as amended, or an undertaking for collective investment subject to and compliant with the law of 17 December 2010, as amended, or a securitisation vehicle subject to and compliant with the law of 22 March 2004 on securitisation, as amended, or a company subject to and compliant with the law of 15 June 2004 on venture capital vehicles, as amended, or a specialised investment fund subject to and compliant with the law of 13 February 2007 on specialised investment funds, as amended, or a pension-saving company or a pension-saving association subject to and compliant with the law of 13 July 2005, as amended, or a reserved alternative investment fund subject to and compliant with the law of 23 July 2016, as amended.

Non-resident corporate Noteholders, not having a permanent establishment, a permanent representative, or a fixed place of business in Luxembourg to which the Notes or income thereon are attributable, as well as individual Noteholders, whether he/she is resident of Luxembourg or not, are not subject to wealth tax.

The net wealth tax charge for a given year can be avoided or reduced if a specific reserve, equal to five times the net wealth tax to save, is created before the end of the subsequent tax year and maintained during the five following tax years. The net wealth tax reduction corresponds to one fifth of the reserve created, except that the maximum net wealth tax to be saved is limited to the corporate income tax amount due for the same tax year, including the employment fund surcharge, but before imputation of available tax credits.

Corporate resident Noteholders will further be subject to (a) a minimum net wealth tax of EUR 4,815, if they hold assets such as fixed financial assets, receivables owed to affiliated companies, transferable securities, postal checking accounts, checks and cash, in a proportion that exceeds 90 per cent. of their total balance sheet value and if the total balance sheet value of these assets exceeds EUR 350,000, or (b) a minimum net wealth tax between EUR 535 and EUR 32,100 based on the total amount of its assets. Items (e.g., real estate properties or assets allocated to a permanent establishment) located in a treaty country, where the latter has the exclusive taxation right, are not considered for the calculation of the 90 per cent. threshold. Notwithstanding the above mentioned exceptions regarding net wealth tax, the minimum net wealth tax also applies if the resident corporate Noteholder is a securitization company subject to and compliant with the law of 22 March 2004 on securitization, as amended, or an investment company in risk capital subject to and compliant with the law of 15 June 2004 on venture capital vehicles, as amended, or a pension-saving company or a pension-saving association subject to and compliant with the law of 13 July 2005, as amended, or a reserved alternative investment fund investing exclusively in risk capital subject to and compliant with the law of 23 July 2016, as amended.

## **Other taxes**

### **Stamp duties, value added taxes and similar taxes or duties**

Neither the issuance nor the transfer of Notes will give rise to any Luxembourg stamp duty, value-added tax, issuance tax, registration tax, transfer tax or similar taxes or duties, provided that the relevant issue or transfer agreement is not submitted to registration in Luxembourg which is not *per se* mandatory.

However, a registration duty may be due upon the registration of the Notes in Luxembourg on a voluntary basis.

### **Inheritance tax**

Where a Noteholder is a resident of Luxembourg for tax purposes at the time of his/her death, the Notes are included in his/her taxable estate for inheritance tax assessment purposes.

### **Gift tax**

Gift tax may be due on a gift or donation of Notes if embodied in a Luxembourg deed passed in front of a notary or recorded in Luxembourg.

### **Residence**

A holder of the Notes will not become resident, or deemed to be resident, in Luxembourg by reason only of the holding of such Notes or the execution, performance, delivery and/or enforcement in respect thereof.

**THE FOREGOING INFORMATION IS NOT EXHAUSTIVE; IT DOES NOT, IN PARTICULAR, DEAL WITH ALL TYPES OF TAXES NOR WITH THE POSITION OF INDIVIDUAL INVESTORS. PROSPECTIVE INVESTORS SHOULD, THEREFORE, CONSULT THEIR PROFESSIONAL ADVISORS.**

## VERIFICATION BY PCS

This Transaction will be verified by Prime Collateralised Securities (UK) Limited ("**PCS**") as being compliant with the criteria stemming from Articles 19, 20, 21 and 22 of the UK Securitisation Regulation (the "**UK STS Verification**"). There can be no assurance that the UK STS Verification shall not, under any circumstances, affect the liability of VWFS (as the originator for the purposes of the UK Securitisation Regulation) and the Issuer (as the SSPE for the purposes of the UK Securitisation Regulation) in respect of their legal obligations under the UK Securitisation Regulation, nor shall it affect the obligations imposed on institutional investors as set out in Article 5 of the UK Securitisation Regulation.

The UK STS Verification is provided by PCS. The UK STS Verification is not a recommendation to buy, sell or hold securities, is not investment advice whether generally or as defined under Markets in Financial Instruments Directive (2004/39/EC) and is not a credit rating whether generally or as defined under the Credit Rating Agency Regulation (1060/2009/EC) or Section 3(a) of the United States Securities Exchange Act of 1934 (as amended). PCS is not an "expert" as defined in the Securities Act.

PCS is not a law firm and nothing in the UK STS Verification constitutes legal advice in any jurisdiction. PCS is authorised by the United Kingdom Financial Conduct Authority, pursuant to Article 28 of the UK Securitisation Regulation, to act as a third party verifying STS compliance. This authorisation covers STS Verifications in the United Kingdom.

By providing the UK STS Verification in respect of any securities PCS does not express any views about the creditworthiness of the Notes or their suitability for any existing or potential investor or as to whether there will be a ready, liquid market for the Notes. Investors should conduct their own research regarding the nature of the UK STS Verification and must read the information set out in <http://pcsmarket.org>. In the provision of the UK STS Verification, PCS has based its decision on information provided directly and indirectly by the Seller. PCS does not undertake its own direct verification of the underlying facts stated in the prospectus, deal sheet, documentation or certificates for the Notes and the completion of the UK STS Verification is not a confirmation or implication that the information provided by or on behalf of the Seller as part of the UK STS Verification is accurate or complete.

In completing an UK STS Verification, PCS bases its analysis on the STS criteria appearing in Articles 19 to 22 of the UK Securitisation Regulation together with, if relevant, the appropriate provisions of Article 43, (together, the "**UK STS Criteria**"). Unless specifically mentioned in the UK STS Verification, PCS relies on the English version of the Securitisation Regulation. The task of interpreting individual UK STS Criteria rests with national competent authorities ("**NCA**s"). Any NCA may publish or otherwise publicly disseminate from time to time interpretations of specific criteria ("**NCA Interpretations**"). The UK STS criteria, as drafted in the UK Securitisation Regulation, are subject to a potentially wide variety of interpretations. In compiling an UK STS Verification, PCS uses its discretion to interpret the UK STS criteria based on (a) the text of the UK Securitisation Regulation, (b) any relevant guidelines issued by FCA and (c) any relevant NCA Interpretation. There can be no guarantees that any regulatory authority or any court of law interpreting the UK STS criteria will agree with the interpretation of PCS. There can be no guarantees that any future guidelines issued by FCA or NCA Interpretations may not differ in their approach from those used by PCS in interpreting any UK STS criterion prior to the issuance of such new guideline or interpretation. In particular, guidelines issued by FCA are not binding on any NCA. There can be no guarantees that any interpretation by any NCA will be the same as that set out in the FCA guidelines and therefore used, prior to the publication of such NCA interpretation, by PCS in completing an UK STS Verification. Although PCS will use all reasonable endeavours to ascertain the position of any relevant NCA as to UK STS criteria interpretation, PCS cannot guarantee that it will have been made aware of any NCA interpretation in cases where such interpretation has not been officially published by the relevant NCA. Accordingly, the provision of an UK STS Verification is only an opinion by PCS and not a statement of fact. It is not a guarantee or warranty that any national competent authority, court, investor or any other person will accept the STS status of the relevant securitisation.

All PCS Services speak only as of the date on which they are issued. PCS has no obligation to monitor (nor any intention to monitor) any securitisation the subject of any PCS Service. PCS has no obligation and does not undertake to update any PCS Service to account for (a) any change of law or regulatory interpretation or (b) any act or failure to act by any person relating to those STS Criteria that speak to actions taking place following the close of any transaction such as, without limitation, the obligation to continue to provide certain mandated information.

## DESCRIPTION OF THE PORTFOLIO

### The Receivables Purchase Agreement

On each Purchase Date on or after the Closing Date, VWFS may sell to the Issuer and the Issuer may purchase from VWFS all rights, title and interest of VWFS to the Receivables specified by VWFS in the relevant Notice of Sale. Each such sale is made by way of absolute assignment and, accordingly, VWFS, with full title guarantee, and so far as relating to the Northern Irish Receivables, as beneficial owner, and so far as relating to the Scottish Receivables (which will be held in trust), with absolute warrandice, assigned and will assign and agree to assign to (or hold in trust for) the Issuer all of its rights, title and interest in and to each Receivable, including to the fullest extent possible under applicable law, all Ancillary Rights related to such Receivables but excluding the Excluded Amounts. These will be equitable assignments until they are perfected following the occurrence of a Notification Event.

VWFS is the "**originator**" for the purposes of Article 2(3) of the UK Securitisation Regulation and the EU Securitisation Regulation. VWFS is legally bound to comply with the provisions of the UK Securitisation Regulation and contractually agrees to comply with the provisions of the EU Securitisation Regulation. All Receivables included in the portfolio have been originated by VWFS and are sold to the Issuer by VWFS in its capacity as Seller.

Under the Receivables Purchase Agreement, VWFS will have the right at its option but not the obligation, to require the Issuer to exercise the Clean-Up Call Option and to repurchase the Purchased Receivables from the Issuer at any time when the Aggregate Discounted Receivables Balances of all such Purchased Receivables is less than 10 per cent. of the Aggregate Discounted Receivables Balance as of the Initial Cut-Off Date, provided that all payment obligations under the Notes will be met in full on the exercise of such option. VWFS shall give one month prior written notice of its intention to require the exercise of the Clean-Up Call Option. Such notice shall be published in accordance with Condition 11 of the Notes (the "**Clean-Up Call Option Notice**") and, in addition shall be published in the Servicer Report.

### The Receivables

The Initial Receivables to be purchased by the Issuer from the Seller on the Closing Date and the Additional Receivables to be purchased from VWFS on each Additional Purchase Date (together the "**Purchased Receivables**") comprise claims against Obligor in respect of payments due under Financing Contracts (excluding Excluded Amounts) for the provision of credit for the purchase of motor vehicles.

Although the borrower ("**Obligor**") is the registered keeper of the vehicle, VWFS retains title to the vehicles. The Financing Contracts contain provisions entitling, but not obliging, the Obligor to purchase the vehicle at the end of the hire period, normally on payment of a specified purchase fee.

The Financing Contracts are governed by English, Scots or Northern Irish law and take the form of hire purchase agreements ("**HP Agreements**" or "**HP No Balloon**"), personal contract purchase agreements ("**PCP Agreements**" or "**PCP**") and lease purchase agreements ("**LP**" or "**LP Agreements**") between VWFS and Obligor.

### HP Agreements

Mainly directed at retail Obligor, HP Agreements are available for both new and used vehicles. HP Agreements contain standard rental terms where an initial payment is made and then the balance is amortised in substantially equal monthly instalments. At the end of the term of the HP Agreement, after an additional "option to purchase" fee is paid, the Obligor owns the Vehicle.

### PCP Agreements

PCP Agreements are used for the financing of new and used vehicles in the retail market. PCP Agreements are similar to HP Agreements but with an additional larger "balloon" final rental payment at the end of the term of the PCP Agreement, where the Obligor can either settle the contract by paying the balloon payment (and thereby purchase the vehicle) or, subject to the vehicle being in a condition acceptable to VWFS and within agreed mileage, return the vehicle to VWFS in full and final settlement of the PCP Agreement.

Where the Obligor chooses not to return the vehicle, title in the vehicle passes to the Obligor when the Obligor pays the additional "option to purchase" fee to VWFS (which fee does not form part of the Receivables). Where the Obligor chooses to return the vehicle, VWFS then acts as the Obligor's agent in selling the vehicle and the sale proceeds of the vehicle are applied to settle the Final Rental Amount. Any surplus on sale in excess of the Final Rental Amount is retained by VWFS as a fee for acting as the Obligor's agent and is not passed back to the Obligor. The sale proceeds of the vehicle, including any surplus on sale in excess of the Final Rental Amount, are transferred to the Issuer as PCP Recoveries and Enforcement Proceeds. Any shortfall between the sale proceeds and the Final Rental Amount is not recovered from the Obligor.

During the first six months of 2023, in respect of maturing PCP Agreements, 0.22% of the Obligors returned the vehicle for sale to VWFS.

### **Lease Purchase Agreements**

Mainly entered into with retail Obligors, LP Agreements are available for both new and used vehicles. LP Agreements contain standard rental terms where an initial payment is made and then the balance is typically amortised in monthly instalments but with an additional larger "balloon" final rental payment at the end of the term of the LP Agreement. At the end of the term of the LP Agreement, after payment of the final balloon rental payment and an additional "option to purchase" fee is paid, the Obligor will own the vehicle.

### **The Initial Receivables Purchase Price**

The Initial Receivables Purchase Price will be paid by the Issuer to VWFS as total consideration with respect to the Initial Receivables, discounted by the Discount Rate (together with the related Ancillary Rights) on the Closing Date.

### **Representations and Warranties in relation to the Sale of the Purchased Receivables**

Representations and Warranties in relation to the Sale of the Receivables

VWFS represents and warrants to the Issuer and to the Security Trustee, in respect of itself (i) as at the Closing Date in relation to the Initial Receivables, and (ii) as at each Additional Purchase Date in relation to the relevant Additional Receivables, that:

- (a) the Seller is a company duly incorporated under the laws of England with full corporate power, authority and legal right to own its assets and conduct its business as such assets are presently owned and its business is presently conducted and with power to enter into the Receivables Purchase Agreement and the other Transaction Documents to which the Seller is a party and to exercise its rights and perform its obligations thereunder.
- (b) all corporate actions required to be done, fulfilled and performed in order (a) to enable the Seller lawfully to enter into, exercise its rights under and perform and comply with the obligations expressed to be assumed by it in each Transaction Document to which the Seller is a party or under any assignment, assignation or transfer, made by it in respect of any Receivable assigned or transferred or scheduled to be assigned or transferred pursuant to the Receivables Purchase Agreement and (b) to ensure that the obligations expressed to be assumed by it in each Transaction Document to which the Seller is a party or under any such assignment, assignation or transfer are legal, valid and binding on it, have been done, fulfilled and performed or shall be done, fulfilled or performed prior to the execution of such Transaction Document or assignment, assignation or transfer (as the case may be).
- (c) the execution by the Seller of each Transaction Document to which the Seller is a party and the making of each assignment, assignation or transfer made by it in respect of any Purchased Receivables assigned or transferred or scheduled to be assigned or transferred pursuant to the Receivables Purchase Agreement and the exercise of its rights and the performance of its obligations in any such assignment, assignation or transfer does not and will not conflict with or violate:
  - (i) its Memorandum or Articles of Association; or
  - (ii) (to an extent or in a manner which has or is likely to have a Material Adverse Effect) any law to which it is subject.
- (d) all approvals, authorisations, consents, orders or other actions of any person or of any governmental or regulatory body or official required in connection with the execution and delivery of each Transaction Document to which the Seller is a party and/or the making of each assignment, assignation or transfer of Purchased Receivables in the manner contemplated herein or therein, the performance of the transactions contemplated by each Transaction Document to which the Seller is a party and the fulfilment of the terms thereof have been obtained.
- (e) so far as it is aware, there are no proceedings or investigations pending against it before any court, regulatory body, arbitral tribunal or public or administrative body or agency or ruling that would in its opinion if adversely determined have a material and adverse effect on the collectability of the Purchased Receivables, or result in any material impairment of the right or ability of the Seller to carry on its business substantially as now conducted, or result in any material liability on the part of the Seller, or which would render invalid the Transaction Documents to which the Seller is a party or the Purchased Receivables or the obligations of the Seller contemplated in those documents, or

which would materially impair the ability of the Seller to perform its obligations under the terms of any Transaction Document to which it is a party.

- (f) the execution of any Transaction Document to which the Seller is a party or the assignment, assignation or transfer of any Receivables in the manner therein contemplated and the exercise by the Seller of its rights and the performance of its obligations thereunder with regard to such Receivables does not and will not conflict with, or constitute a material default under, any agreement, contract, mortgage, deed of charge or other instrument to which it is a party or by which it or any of its assets is otherwise bound.
- (g) all information furnished by or on behalf of the Seller in writing to any Noteholder for purposes of or in connection with the Transaction Documents or any transaction contemplated under the Transaction Documents is true and accurate in all material respects on and as at the date such information was furnished (except to the extent that such furnished information relates solely to an earlier date, in which case such information is true and accurate in all material respects on and as at such earlier date).
- (h) the Seller has not taken any corporate action nor have any other steps been taken or legal proceedings been started or (to the best of its knowledge and belief) threatened against it for its winding-up, dissolution, administration or reorganisation or for the appointment of a receiver, administrator, administrative receiver, trustee or similar officer of it or any or all of its assets.
- (i) the Seller is resident for tax purposes in the United Kingdom and will not cease to be treated as being resident for tax purposes in the United Kingdom by virtue of the application of Section 18 of the Corporation Tax Act 2009. It belongs in the United Kingdom for the purposes of United Kingdom VAT.
- (j) the Seller's centre of main interests is situated in the United Kingdom and it does not have an establishment branch, business establishment or other fixed establishment other than in the United Kingdom. The terms "centre of main interest" and "establishment" have the meanings given to them: in Article 3(1) and Article 2(10) respectively (i) of the EU Insolvency Regulation and (ii) in the EU Insolvency Regulation as it forms part of domestic law of the United Kingdom by virtue of the EUWA and as amended by the Insolvency (Amendment) (EU Exit) Regulations 2019 (SI 2019/146) and Insolvency (Amendment) (EU Exit) Regulations 2020 (SI 2020/647);
- (k) the Purchased Receivables are originated in the ordinary course of the business of VWFS pursuant to underwriting standards which are no less stringent than those which also apply to Financing Contracts which will not be securitised. In particular, VWFS represents and warrants that it has in place (i) effective systems to apply its standard criteria for granting the Purchased Receivables and (ii) processes for approving and, where relevant, amending, renewing and re-financing the Purchased Receivables, in order to ensure that granting of the Purchased Receivables is based on a thorough assessment of each Obligor's creditworthiness taking appropriate account of factors relevant to verifying the prospect of the Obligor meeting its obligations under the relevant agreement. Furthermore, VWFS represents and warrants that the assessment of each Obligor's creditworthiness shall meet the requirements of Article 8 of Directive 2008/48/EC (as it applies in the UK and EU), in particular, the assessment: (i) will be performed on the basis of sufficient information, where appropriate obtained from the Obligor and, where necessary, on the basis of a consultation of the relevant database, and (ii) will be repeated before any significant increase in the total amount is granted after the conclusion of the financial contract, in combination with an update of the Obligor's financial information; and
- (l) the Purchased Receivables comprised in the portfolio will not include: (i) any transferable securities for purposes of Article 20(8) of the UK Securitisation Regulation; (ii) any securitisation positions for purposes of Article 20(9) of the UK Securitisation Regulation; or (iii) any derivatives for purposes of article 21(2) of the UK Securitisation Regulation, in each case on the basis that the Purchased Receivables have been entered into substantially on the terms of similar standard documentation for HP Agreements, LP Agreements and PCP Agreements.

### **Changes to underwriting standards**

VWFS as Seller agrees that if it makes any material changes to its underwriting standards during the Revolving Period it will promptly provide the Issuer, the Rating Agencies and the Security Trustee with details of such changes together with an explanation of the purpose of such changes. The Issuer will notify such changes to investors in accordance with Condition 10 (*Notices*) without undue delay.

- (b) direct (and/or require the Servicer to direct) all or any of the Obligors to pay amounts outstanding in respect of Purchased Receivables directly to the Issuer, the Distribution Account or any other account which is specified by the Issuer or the Security Trustee; and/or
- (c) give instructions (and/or require the Servicer to give instructions) to immediately transfer amounts received in respect of Collections to the Distribution Account but (if applicable) which have not already been paid to the Issuer as Monthly Collections Part 1 or Monthly Collections Part 2 (as applicable); and/or
- (d) take such other action and enter into such documents as it reasonably considers to be necessary, appropriate or desirable in order to recover any amount outstanding in respect of Purchased Receivables or to perfect, improve, protect, preserve or enforce their rights against the Obligors in respect of Purchased Receivables (including, without limitation, entering into supplemental transfer documents).

The Purchased Receivables acquired and transferred by assignment or held in trust under the Receivables Purchase Agreement have characteristics that demonstrate capacity to produce funds to service payments due and payable on the Notes.

## **Written-Off Purchased Receivables**

If during any Monthly Period, the Seller classifies any Purchased Receivable under a Financing Contract as a Written-Off Purchased Receivable, it may repurchase from the Issuer the benefit of all such Written-Off Purchased Receivables on the following Payment Date (or on any Payment Date thereafter) and on the Payment Date on which such Written-Off Purchased Receivable is repurchased pay consideration of £1 per Purchased Receivable repurchased, paid into the Distribution Account in arrear on such Payment Date.

## THE PURCHASED RECEIVABLES POOL

The characteristics set forth in this section are based on the portfolio of Purchased Receivables as of the Initial Cut-Off Date. The statistical distribution of the characteristics of the portfolio of Purchased Receivables as of the Initial Cut-Off Date are illustrated in the tables below.

As of the Initial Cut-Off Date, the Purchased Receivables:

- had an original term of maturity of 9 to 62 months and a remaining term to maturity between 6 and 60 months;
- had a contract rate of 0.00 per cent. to 16.00 per cent. and a weighted average contract rate of 9.20 per cent.;
- were not past due; and
- satisfied the other criteria set forth in the transaction documents, including the criteria set forth under "**DESCRIPTION OF THE PORTFOLIO**" in this Prospectus.

The monthly Servicer Report will contain the information outlined in the paragraph entitled "**ADMINISTRATION OF THE PURCHASED RECEIVABLES UNDER THE SERVICING AGREEMENT - Servicer Report and Duties of the Servicer**" of this Prospectus. As part of the Servicer Report prepared by the Servicer in connection with the Notes, the Servicer will compute Notes Factor.

## DELINQUENCIES

The following data indicates, for the PCP, LP and HP portfolio of VWFS and for a given month the outstanding balance of the receivables which are current, one up to thirty (1-30) days, thirty-one up to sixty (31-60) days, sixty-one up to ninety (61-90) days, ninety-one to hundred-twenty (91-120), hundred-twenty-one to hundred-fifty (121-150), hundred-fifty-one to hundred-eighty (151-180) and more than hundred-eighty (180+) days in arrears, expressed as a percentage of the total outstanding balance of the PCP, LP and HP portfolio at the beginning of such period.

The report records the oldest unpaid instalment as the starting point for the calculation of days in arrears. A payment of subsequent instalments does not affect the reference date for this calculation, which was the case in the old delinquency report.

**Arrear status credit portfolio VWFS** in per cent. of receivables volume (rounded off to two decimal places)

## HISTORICAL PERFORMANCE DATA

### Historical Performance Data

VWFS has extracted data on the historical performance of the entire managed portfolio for the HP, LP & PCP auto loan portfolio. The tables below show historical data on net losses, for the period from Q3 2002 to Q4 2023 from contracts originated since Q3 2002 and defaulted before Q4 2023. Such data was extracted from VWFS' internal data warehouse which is sourced from its contract management and accounting systems.

### Total Portfolio

The net losses data displayed below are in static format and show the cumulative net losses realised after the specified number of months since origination, for each portfolio of loans originated in a particular month, expressed as a percentage of the original principal balance of that portfolio. Net losses are calculated by deducting the vehicle sales proceeds as well as any other recoveries from the outstanding balances of the respective loans up to the final write-off of the loan (net losses are shown in the month where the write-off of the contract has been carried out by the Seller). The data includes standard and balloon loans to corporate and private debtors to finance new and used vehicles. The exposures to which such data relates are substantially similar to those being securitised as they have been originated in accordance with consistent origination procedures, on the basis of similar contractual terms and exposures securitised are selected based on strict eligibility criteria and thus generally perform better than VWFS' managed portfolio as a whole.

The terms used in the following tables have the following meanings:

New Cars: means cars which are first time sold to Obligors.

Used Cars: means cars which are previously owned by other Obligors.

Vintage Loss Curve: means the cumulative net loss ratio in relation to the contact age expressed as a curve for the whole portfolio and each sub portfolio.

## SCHEDULED AMORTISATION OF THE PURCHASED RECEIVABLES

### Weighted Average Lives of the Notes

Weighted average lives of the Notes refers to the average amount of time that will elapse (on a 30/360 basis) from the date of issuance of the Notes to the date of distribution of amounts to the Noteholders distributed in reduction of principal of such Notes (assuming no losses). The weighted average lives of the Notes will be influenced by, amongst other things, the rate at which the Purchased Receivables are paid, which may be in the form of scheduled amortisation, prepayments or liquidations.

### Purchased Receivables

The following table is prepared on the basis of certain assumptions, as described below, regarding the weighted average characteristics of the Purchased Receivables and the performance thereof.

The table assumes, among other things, that the Issuer holds a pool of purchased receivables with the following characteristics:

- (a) the portfolio is subject to a constant annual rate of prepayment as set out under "CPR";
- (b) no Purchased Receivables are repurchased by the Seller;
- (c) the Notes are purchased on the assumed Issue Date of 25 March 2024;
- (d) the Payment Date is assumed to be the 25<sup>th</sup> of each month;
- (e) the Clean-Up Call Option is exercised;
- (f) the Purchased Receivables are fully performing (no losses or delinquencies occur);
- (g) the original outstanding balance of each Class of Notes is equal to the nominal amount set forth on the front cover of this Prospectus;
- (h) a Discount Rate of 7.2293 per cent. and the Monthly Payments are discounted back to the assumed Cut-off Date;
- (i) the run-off profile of the Additional Receivables is assumed to follow the same run-off profile as the Initial Receivables;
- (j) the third party expenses and Servicer Fee together are 1.03 per cent. per annum;
- (k) no Early Amortisation Event has occurred; and
- (l) the Notes amortise at the end of the Revolving Period.

The approximate average life of the Notes, at various assumed rates of prepayment of the Purchased Receivables, would be as follows whereby "CPR" means constant prepayment rate:

CPR	Class A Notes			Class B Notes		
	Weighted Average Life	First Principal Payment in month	Expected Maturity	Weighted Average Life	First Principal Payment in month	Expected Maturity
0.00%	2.55 years	Oct-24	Feb-28	2.66 years	Jan-25	Feb-28
10.00%	2.29 years	Oct-24	Jan-28	2.39 years	Dec-24	Jan-28
20.00%	2.06 years	Oct-24	Dec-27	2.14 years	Nov-24	Dec-27
30.00%	1.84 years	Oct-24	Oct-27	1.91 years	Nov-24	Oct-27
40.00%	1.64 years	Oct-24	Jun-27	1.70 years	Nov-24	Jun-27

The exact average lives of the Notes cannot be predicted as the actual rate at which the Purchased Receivables will be repaid and a number of other relevant factors are unknown.

The average lives of the Notes are subject to factors largely outside the control of the Issuer and consequently no assurance can be given that the assumptions and the estimates above will prove in any way to be realistic and they must therefore be viewed with considerable caution.

## THE SELLER AND SERVICER

### BUSINESS AND ORGANISATION OF VOLKSWAGEN FINANCIAL SERVICES (UK) LIMITED

#### Auto Finance Business in the United Kingdom

The significant pandemic related supply issues for key components such as semiconductors continued into 2022 where the impact was even more significant than in 2021 on new vehicle registration volumes. This was especially the case in the first half of the year and despite several months of growth in year on year sales in new vehicles during the second half of 2022 the market finished 2% down on 2021 with 1.61 million units. However, the used car market continued to perform well with demand and valuations remaining strong, this enabled the company to continue to grow the balance sheet, although at a much slower rate than seen in the pre-pandemic years.

Volkswagen Group United Kingdom Limited saw a decrease in market share in the year at 21.5% (2022: 23.5%) with new car registrations year on year decreased by 10.29% to 347,261 units (2022: 387,104 units). Penetration rate, a measure of the number of new cars funded by VWFS as a percentage of total VW Group registrations, increased in the year to 51.2% (2021: 49.8%) continuing to show strong commitment to our products.

New business written in the year increased 4.4% with 361,022 (2021: 345,669) vehicles being financed with the total value funded during the year of £8,799m (2021: £8,008m). New car business increased marginally from 2021 with £5,305m advanced in 2022 compared to £5,256m an increase of 0.9% with the supply restrictions mentioned limiting recovery post COVID. When compared to the last pre-pandemic year, 2019, new business was down just under 10%. 2022 saw further expansion in used vehicle sales for the company, volumes were up 21.7% with 174,458 contracts activated compared to 143,340 in 2021, and this is also up 19% on pre-pandemic 2019. Used car advances were up 27.0% at £3,495m this is the result of the strong operational performance by the business driving volumes and the high used vehicle valuations supporting value.

In the new car market there continued to be strong growth in electric vehicle sales with Battery Electric Vehicles (BEV) surpassing diesel for the first time to become the second most popular powertrain behind petrol with 16.6% market share. There continues to be a need for the infrastructure to support electric vehicle growth to be in place and expand as popularity increases. Petrol still remains the most popular engine type with just under 56% market share including mild hybrid petrol vehicles, a drop of just over 2% on 2021. Diesel registrations continued to fall finishing the year with under 10% market share, including mild hybrid, for new registrations in the year. The company continues to develop products specifically to support the expansion of the electric vehicle offering of the brands.

The company has a strong financial result recording an operating profit of £649.0m for the year, this was however down 6.7% on 2021 (increase of 120% from £315.4m, the main driver of the positive performance being improvements in used car market values, although this was in part offset with significant increases in funding costs in the year. Net finance lease receivables increased by £0.6bn to £14.3bn (2021: £13.7bn) while operating lease assets increased from £2.6bn to £2.8bn.

Interest costs increased significantly in 2022 compared to 2021 with the rises in interest rates seen across the globe, the company has maintained a broadly stable funding requirement as a result of the stable book, VWFS also has a robust hedging strategy which reduces exposure to interest rates risk.

During 2022 funding was renewed on three existing ABS transactions. The Driver UK Master S.A. acting as Driver UK Master Compartment two transaction was renewed in November 2022 at a size of £6.64bn. The Driver UK Master S.A. acting as Driver UK Master Compartment three transaction was renewed in September 2022 at a size of £610m. The Driver UK Multi-Compartment S.A. acting as Private Driver UK 2020-1 was renewed in June 2022 at a size of £711m. The Driver UK Multi-Compartment S.A. acting as Private Driver UK 2020-1 transaction saw a further tap up issuances of £136m in June 2022, taking the transaction to £867m in total.

With regards to availability of liquidity it can be said that even in a high stress scenario the company continues to have sufficient levels of liquidity to service debts and fund expected volumes of new business. The post-COVID day to day operations are well embedded within the organisation and support and demonstrate the success of the company's long established business continuity plans. All employees now have the option to work on hybrid contracts and the business is able to operate all functions remotely, in the office or hybrid.

### **Incorporation, Registered Office and Purpose**

VWFS is a wholly owned subsidiary of Volkswagen Finance Europe B.V. which has its headquarters in Amsterdam, The Netherlands. Volkswagen Finance Europe B.V. is a wholly owned subsidiary of Volkswagen Financial Services AG which has its headquarters in Braunschweig, Germany. VWFS was incorporated on 11 November 1993 and commenced trading on 1 April 1994. It is currently the second largest (in terms of retail financing) finance subsidiary within the VW Group after the German parent company operation.

Prior to 1994, financial services within the UK were operated under a joint venture agreement, between V.A.G (UK) Limited and Lloyds-Bowmaker (now LUDT) and marketed under the trading name of V.A.G Finance. In 1994 VWFS began to trade within the UK. Core finance case administrative functions were sub-contracted to Lloyds-Bowmaker.

In June 1999, following the development of core operating systems, staffing and processes, VWFS began the origination of finance contracts in order to create its own business portfolio. Existing contracts continued to be administered by Lloyds-Bowmaker.

VWFS provides financial services to support all of the automotive brands within the VW Group. These include Volkswagen (including Volkswagen commercial vehicles), Audi, Bentley, SEAT, CUPRA and Skoda.

Since July 2010, VWFS has also provided financial services to Porsche Cars Great Britain. At the end of November 2016 VWFS acquired the shares of MAN Financial Services P.L.C. (MFS) from its parent company Volkswagen Bank GmbH (VW Bank).

VWFS' administrative headquarters are within a purpose built complex located at Milton Keynes, Buckinghamshire, England. At the end of 2022 the company employed 989 staff. Milton Keynes is also the base for the headquarters of Volkswagen Group (UK) Ltd which is the UK importer for Volkswagen (including Volkswagen commercial vehicles), Audi, Skoda, SEAT and CUPRA.

VWFS co-operates closely with a substantially large number of dealerships of the VW Group. A dealer can thus offer the Obligor a complete, competent, personal one-stop service from a single source, including the financing. The co-operation between VWFS, the importer and the dealer-partner is established by dealer agreements. Under these agreements, the dealer-partner is given the responsibility for marketing the products and services of the VW Group and VWFS and to service the trade-marked products of the VW Group and VWFS. Dealers receive valuable support in the form of diverse training measures and extensive marketing support.

VWFS is incorporated under the laws of the England as a company with limited liability having its corporate seat at Milton Keynes, United Kingdom and its registered offices at Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes with registered number 02835230.

### **Origination and Securitisation Expertise**

As already set out under the section "Incorporation, Registered Office and Purpose" one of the main purposes of VWFS for almost 3 decades has been the origination, underwriting and servicing of finance contracts of a similar nature to those securitised under this Transaction. The members of its management body and the senior staff of VWFS have adequate knowledge and skills in originating, underwriting and servicing automotive finance receivables, similar to the automotive finance receivables included in the Portfolio, gained through years of practice and continuing education. The members of the management body and VWFS senior staff have been appropriately involved within the governance structure of the functions of originating and underwriting of the Portfolio. Additionally, VWFS has been securitising finance contracts actively since 2002 through private as well as public securitisation transactions, similar to this Transaction. The members of its management body and the senior staff responsible for the securitisation transactions of VWFS have also professional experience in the securitisation of automotive finance receivables of many years, gained through years of practice and continuing education. Other subsidiaries of Volkswagen AG have also been securitising lease receivables and loan receivables all across Europe, Australia, Brazil, Canada, Japan, China, Turkey and USA

## **BUSINESS PROCEDURES OF VOLKSWAGEN FINANCIAL SERVICES (UK) LIMITED**

Under the Servicing Agreement, the Receivables are to be administered together with all other receivables of VWFS according to VWFS' normal business procedures as they exist from time to time. The Obligor will not be notified of the fact that the receivables from their Financing Contracts have been assigned to the Issuer, except upon the occurrence of a Notification Event. The normal business procedures of VWFS currently include the following:

### **Negotiation of the Financing Contract and Appraisal of the Creditworthiness of the Prospective Obligor**

Before an application is accepted, VWFS checks the credit standing of the Obligor. Retail applications (consumer and commercial) are assessed against a scoring model and internal policy rules; if the results of the scoring are above a prescribed level and all rules are satisfied the application will approve automatically. For this purpose information from credit reference agencies and data of Obligor profile are brought together into the connect online system.

The scoring system is data driven, takes into account different criteria and factors, and has been developed using advanced analytical techniques. Consumer applications are assessed against a scorecard which has been developed using the logistic regression methodology. Depending on the respective information which applies to each criterion, the financing application receives a certain amount of points per criterion based on statistical methods and historical experience. The sum of scores gives VWFS an assessment of the risk of granting finance to the respective applicant and every application is awarded a Risk Band (A-D, Z). Commercial applications are processed through a scoring model which has been developed using a machine learning algorithm trained on an extensive historical dataset. The machine learning adopted by VWFS is "supervised"; the algorithm iteratively predicts on the training data and is corrected when those predictions are not correct. Every application is awarded a score which is mapped to the VWFS Risk Bands (A-D, Z) and represents the risk of granting finance to the respective applicant.

Consumer applications not automatically accepted by the scoring system are processed through an additional machine learning model which outputs a probability that the application will be accepted. This model is based on historical underwriter behaviour and decisions. If the probability of accept is below the threshold set by VWFS the application will be returned to an underwriter in the new business department and the application will be manually declined. Applications above the cut off will either approve automatically or be referred to an employee of the new business department for further review if required and for a final decision.

All commercial applications not automatically accepted by the scoring system will be returned to new business for further review. The employees of the new business department have a high level of experience in underwriting (generally with at least two years or more experience underwriting and a wider experience within VWFS). Each employee is personally assigned a credit limit up to which she/he may underwrite a loan referred to them.

The scoring process (in particular the weight or the value of the individual scoring criteria and the scoring result) is treated as strictly confidential by VWFS. The performance of the scoring system is monitored regularly by VWFS. Changes to the scoring system are based on the results of regular VWFS statistical analysis through an annual validation/recalibration cycle (or sooner if movements are spotted before). The performance of the machine learning models is also monitored closely using a bespoke monitoring tool. The models implemented are "constrained" meaning that the model does not continually re-fit and recalibrate itself and the output remains static. This ensures that the models are transparent and VWFS are able to explain the model and its results/decision.

The Obligor pays a contractually specified monthly instalment at a stipulated payment date, with the number of payments corresponding with the number of months covered by the financing period. In the case of personal contract purchase agreements a larger final instalment is due at the end of the Financing Contract term. Under personal contract purchase agreements the Obligor has the right to return the vehicle at the contract maturity without payment of the balloon payment, provided that if the vehicle has completed greater than the specified number of miles, excess mileage charges are due from the Obligor.

VWFS requests each Obligor to accept a procedure by which the monthly instalments shall be debited directly from the Obligor's bank account. So far over 99 per cent of all Obligors voluntarily chose to make use of this procedure.

The information provided below further describes the VWFS lending process.

### *The Lending Approval Process*

VWFS operates a linear multi-stage lending approval process. Systemically, only once each particular stage in question has been successfully processed will consideration of the next stage begin. This policy sets out the key questions, tests and standards at each stage of the approval process. Following the system processing for each credit application, it is possible for a customer to achieve an automatic approval which would be automatically communicated to the retailer. Whilst VWFS has 'knock-out criteria', no automated decline process exists and all cases not automatically approved are reviewed by an appropriately skilled individual. This means that none of the rules set in the 7 stage process described below have been breached on origination of any Receivable.

The rules are generated using information obtained from credit reference agencies, application data and information from internal VWFS systems. VWFS will assess the creditworthiness of every customer before entering into a regulated/unregulated credit or regulated/unregulated hire agreement.

In addition to performing a creditworthiness assessment on a proposed customer, VWFS will also carry out a creditworthiness assessment on any guarantor to a regulated credit agreement or regulated hire agreement, where such a guarantor is proposed.

### *Creditworthiness and Affordability Assessments*

VWFS fulfil the creditworthiness and affordability criteria via the Connect Online point of sale system. Credit rules are housed in a system called Decision Strategy and the maintenance and management of those core requirements is managed by the VWFS UK Risk Team. The process flow below shows the key components of the process flow and possible outcomes and rationale to assess customer's creditworthiness and affordability in order to fulfil the FCA's lending expectation. If a credit rule is not passed, i.e. credit referral reasons, it results in a plain English referral reason that is communicated to the underwriter by the private notes section in Connect Online. This referral reason is reviewed by the underwriter and should the creditworthiness and affordability criteria not be met, further work will be undertaken before a decline is communicated to the customer.

### *Process Flow for Risk and Business Rules*

The below details the process flows for the risk and business rules at application / acceptance:

1. **Absolute Rules** - The absolute rules ensure that VWFS product policy is adhered to, including but not limited to the agreement term and deposit percentage. These are usually linked to product policy. These rules ensure that VWFS does not transact business outside of its product policy.
2. **Responsible Lending** - Responsible lending rules are based on data returned from the credit reference agencies and ensure that VWFS adheres to responsible lending rules (for example CIFAS, and customer tracing type rules). These rules also flag potential application fraud and ensure enhanced due diligence processes are adhered to by flagging high-risk individuals, including beneficial owners of companies, who are on the PEPS and Sanctions lists.
3. **Z-Band** - The Z-Band rule is based on the score returned from the credit scoring process. It is expected that manual underwriting decline the application if the score returned is below the predetermined cut-off. These rules ensure that VWFS do not transact with a non-creditworthy borrower.
4. **Proposal Rules** - The proposal rules are based on specific proposal related indicators such as current commitment and loan to value. These are similar to absolute rules but where VWFS operate with tolerance based on underwriter assessment. This rule ensures that the product is fit for the customer.
5. **Borrower Unit** - All applications are assessed to establish whether the applicant belongs to a Borrower Unit. If any of the Borrower Unit rules are flagged a manual review will be conducted to assess whether the customer belongs to an existing Borrower Unit or to enable the creation of a new entity-level Borrower Unit. This rule is looking for connected parties to the customer and trying to establish the customer's true exposure.
6. **Risk Rules Consumer** - The consumer risk rules are based on a combination of the score returned from the credit scoring process and whether the applicant has adverse Closed User Group data returned from the credit reference agencies. This allows VWFS to call out high-risk customer profiles.

7. **Affordability Rules Consumer** - The affordability rules ensure that VWFS conduct a manual assessment of applicants who fail the affordability checks. The application will be referred to the manual underwriting team who will carry out additional checks to assess whether the customer is able to repay the loan in a sustainable manner.
8. **Risk Rules Commercial** - The commercial risk rules are based on a combination of external credit reference agency data and application data, including balance sheet information and adverse data returned from the bureau.

If any of the above business or risk rules are flagged the credit application will be referred out for manual review or, for consumer applications, will be processed through the "constrained" machine learning model which outputs the probability that the application will be accepted. Applications processed through this model will either approve automatically subject to the probability of accept being above the required cut-off set by VWFS, or will be referred to an underwriter for manual review including where further regulatory checks are required.

#### *Know Your Customer*

VWFS verifies the identity of applicants for credit electronically using credit reference agency data or with driving licences and/or other proofs. VWFS will also follow fraud prevention processes as per its established operating practices.

As part of our contract activation process only, we engage with outsourced partners to support the workload demand curve we see every month end, to ensure we meet the customer demand. These outsourced partners go through a stringent training programme and are continually supported and monitored by tenured VWFS colleagues.

#### **Collections and Recoveries**

VWFS Arrears Management policy is designed to ensure that those customers in arrears or those who have indicated to VWFS that they are struggling to make payments are treated fairly, reasonably and responsibly. It also aims to ensure that customers are clearly informed and that matters are dealt with in a timely manner.

VWFS' collections policy pays specific regard to the Financial Conduct Authority (FCA) guidance and rules, including Principle 6 and Section 7 of the Consumer Credit Sourcebook (CONC). The below reflects VWFS Arrears Management Policy Approach - VWFS ensures that:

1. There are clear standards governing the management of arrears;
2. VWFS acts as a responsible lender and the customer is always treated fairly throughout the lifetime of the relationship;
3. Regulatory and industry principles are adhered to;
4. VWFS communicates with customers in a fair, timely, clear and courteous manner and does not put undue pressure on the customer being consistent with the principles of TCF;
5. Customer information is not disclosed to unknown third parties without expressed consent of the customer and that their information is protected in line with the UK General Data Protection Regulation;
6. Losses are minimised by effectively handling past due accounts, using the most cost effective methods available without compromising customer interest;
7. Customers are not subject to harassment, threatening behaviour or act in any way that may embarrass the customer in public;
8. VWFS will also review policies and procedures in an effort to deliver the best results based on customer needs, business needs and within the regulatory guidelines; and
9. All communications with customers including letters will be reviewed on an annual basis or earlier if necessary.

#### *Overview of the Collections Function*

VWFS aims to treat customers with respect, in a calm and professional manner, and demonstrating an empathetic and flexible approach. All customers are individuals, with potentially unique circumstances, which will be taken into consideration when determining the appropriate action taken which ensures fair customer outcomes via justified forbearance and avoids over-forbearance which is particularly important with a depreciating asset. The function of the department is to work with customers who are experiencing, or indicate to VWFS that they are about to or likely to experience financial difficulty, which is, or will adversely affect their ability to make their contractual vehicle finance payments or shortfall balance. At the point of the payment not being made on the agreed date the agreement will fall into arrears and be subject to the collections processes.

In summary VWFS receives regular direct debit payments from Obligors on the due date specified in the Financing Contract. If a payment is not received by VWFS it is usual for VWFS to automatically re-present the direct debit application request. If payment fails for a second time, VWFS will contact the Obligors by multiple contact channels such as telephone, letter, SMS and e-mail. All Financing Contracts in arrears are managed by a bespoke Experian automated collections system, PowerCurve which is risk based.

The aim is to identify, wherever possible, workable arrangements and to allow the customer reasonable time and opportunity to repay amounts where required. These solutions are designed around the customer's personal and financial circumstances, to enable them to retain their vehicle where feasible (feasible is defined as the customer can meet the requirements of the arrangement and this is within established guidelines). Where appropriate, VWFS will signpost the availability of impartial not for profit debt advice services. An FCA fact sheet is also available to VWFS' customers. The customer is provided with a regular statement whilst in arrears and a range of options are considered when agreeing an arrangement to clear the arrears.

Collections and Recoveries advisors have the authority to enable them to work effectively with the customer and have access to a higher authority referral process for accounts that fall outside of their mandate. The team are focused on achieving a good outcome with the customer so where forbearance is being considered the mandate is not applicable. VWFS's advisors are flexible to allow for alternative, affordable payment amounts with the customer. VWFS will always look to understand the customer's financial circumstances, why the customer is experiencing financial difficulties and work with the customer to tailor a payment plan according to their financial circumstances, taking into account whether or not the customer is still in possession of VWFS' vehicle. VWFS will only proceed to debt collection, litigation or repossession action after attempting to agree an acceptable payment plan with the customer.

VWFS has a panel of specialist debt recovery firms who advise on the appropriate actions to take both before and leading to/during legal proceedings. Procedures differ dependent upon the geographic location of the agreement holder i.e. whether the customer is situated within the legal jurisdictions of England and Wales, Scotland or Northern Ireland.

VWFS ensures that its Collections employees are trained to an appropriate standard both in induction and during the course of their employment. Training will include: induction, role specific, I-Learns, ongoing competency, coaching and performance management.

#### *Collections standards*

VWFS Collections Department promotes a professional service at all times and must meet the following conduct standards. VWFS will also provide adequate and appropriate training to colleagues to meet the conduct requirements as detailed below:

1. VWFS will not act in any way that could adversely impact on the customer's confidence that VWFS is a business where the fair treatment of customers is central to its culture;
2. VWFS will take reasonable steps to demonstrate that all members of VWFS and its outsourced partners comply with the requirements of the FCA Handbook, specifically those requirements contained in CONC, tailored support guidance and Consumer Duty;
3. When providing information to customers, VWFS will aim to display the information clearly and in a manner the customer will understand;
4. VWFS will not subject customers to aggressive or oppressive behaviour. This includes acting in a threatening manner towards the customer;
5. VWFS will not unfairly coerce or try to pressure customers;
6. VWFS will not take advantage of a customer's lack of knowledge or understanding of debt and debt collection activities;

7. VWFS will negotiate with customers to reach a sustainable, realistic arrangement to clear arrears;
8. VWFS will never misrepresent VWFS legal position, or the legal position of the customer's liability;
9. VWFS will not contact the customer at unreasonable times;
10. VWFS will not instruct any third parties to visit the customer at an inappropriate location, such as a hospital or their place of work, unless this has previously been agreed with the customer or the contract is with a company and the visit is to the company premises;
11. As appropriate, VWFS will explain to the customer that free and independent debt advice is available;
12. If the customer indicates that they dispute the debt, VWFS will cease debt recovery activities until the complaint has been fully investigated;
13. VWFS will not apply to the court for an order for sale or submit a bankruptcy petition without having fully explored all other options. This is a rare action for VWFS to undertake and will only ever be taken with the approval of the Head of Collections Operations;
14. VWFS will not threaten to commence court action, including an application for a charging order or order for sale, in order to pressurise a customer in default or arrears difficulties to pay more than they can reasonably afford but will instead provide factual information relating to consequences of non-payments;
15. VWFS will provide information of any arrears and balance owing to the customer or person acting on behalf of the customer where the customer offers a payment lower than the total amount owing;
16. VWFS will provide to the customer, upon request, information on the status of their account where VWFS has decided to stop pursuing the debt;
17. VWFS contracts with customers work within UK laws in terms of contracting, however where the vehicle has moved jurisdictions the team will deal within any other geographical jurisdiction.
18. VWFS will take reasonable steps with all of its outsourced partners to ensure they act within all regulatory guidelines with VWFS' customers in relation to debt collection visits;
19. VWFS will not misrepresent its authority or status when dealing with customers; and
20. VWFS will ensure that all customer information is dealt with in accordance with its Data Protection Policy and Outsourcing Policy.

#### *Payment Plans & Proposals*

If a Customer advises they are developing a repayment plan, VWFS will make it clear that it is willing to listen to their proposals. If a Customer advises they are developing a repayment plan – including if the Customer advises that a DMC is assisting in the formulation of the plan – VWFS will take details from the Customer as to when they believe the plan will be finalised. VWFS will ensure these details are noted in the VWFS system and provide 'breathing space' for the customer where relevant. However the customer will continue to receive VWFS' regulatory arrears letters in order that the customer is kept up to date with their agreement. VWFS does not support the use of continuous payment authority for itself or via its external third parties.

#### *Forbearance*

When a customer falls into an arrears position VWFS will treat the customer with empathy and, where appropriate, with justified forbearance. VWFS will enable the customer to make the payments up to the original term of the agreement and will only consider extending collection past the end of the contract in cases where a higher authority referral process has been used or the contract has been terminated by VWFS.

To ensure repayments are sustainable and affordable for the customer, where applicable VWFS will utilise the Income and Expenditure form when agreeing arrears repayment plans with customers where relevant and will never pressurise customers to pay more than they can afford.

VWFS do not charge additional interest on live arrears contracts. VWFS will charge statutory interest after a judgment has been obtained by its panel of law firms. These partners have the authority to suspend application or collection of this statutory interest as part of the forbearance tools. VWFS does not in principal support the long term use of payment holidays or small token payments whilst the contract is live and the

vehicle remains with the customer. This is due to the value of the vehicle depreciating every month, which would in turn increase the customer indebtedness and lead to a detrimental outcome for the customer. Where the vehicle has been recovered and a shortfall debt remains, forbearance tools will be used appropriately.

#### *Performing Accounts and Pre Arrears Accounts*

Customers are encouraged to contact VWFS if they foresee difficulty in maintaining their current payments. The customers' circumstances will be discussed and VWFS will try to establish the reasons behind potential future non-payment and signpost the customers' options.

#### *Vulnerable Customers*

Under the FCA's definition a vulnerable consumer is someone who, due to their personal circumstances, is especially susceptible to detriment. VWFS recognises that vulnerability can impact its customers at any time whether temporary or permanent. The situations and circumstances of vulnerable individuals are diverse, complex and dynamic: the experience of vulnerability is unpredictable, and it can change over time. Therefore VWFS should be flexible in its approach when identifying and dealing with vulnerable customers. Should a customer find themselves in an arrears position, the VWFS Collections and Recoveries Advisor will establish the reasons for missed payments and whether the issues are short or long term, utilising the approved collections and recoveries tools set out in the procedures manuals.

How VWFS recognize vulnerability - Initial notification of vulnerability may come from the customer themselves or a third party, through various channels of communication e.g. telephone, email or letters. Vulnerability is a sensitive matter. By using techniques / tools available to advisors, it will help break down those barriers and outline what support VWFS can offer to help its customers. When a customer contacts VWFS it may be initially difficult to identify if they have vulnerability - it could help to consider some of the language, words, phrases and behaviours they may display.

Procedures are in place to cover all acceptable repayment options that will be extended to customers. This includes authorities of agents and management to agree to such payment options. The use of tools such as an Income and Expenditure Form is useful in understanding the customers' arrears and difficulties in meeting their contractual monthly instalments. Supporting documentation may be requested, this will be detailed in VWFS operational procedures.

#### **Termination Procedure**

Where it is not possible to rectify the arrears that have arisen under a Financing Contract, VWFS' collections department follows a thorough collections process. Once all appropriate reminder notices have been issued (e.g. a default notice is served in respect of a Regulated Financing Contract) and expired, a termination notice is issued. Once the Financing Contract has been terminated, VWFS secures the legal return of the Vehicles as quickly as possible using the most appropriate methods through repossession agents or if the Obligor has paid one-third or more of the total amount payable under the relevant Regulated Financing Contract, VWFS will first attempt to obtain a voluntary surrender of the asset and if this is not possible a return of goods action via VWFS' panel of law firms.

Upon termination of a Financing Contract, the Obligor is required to pay the full balance or the Financing Contract is transferred to one of VWFS' contracted repossession agencies to make contact with the Obligor. Under CCA guidelines, the Obligor is advised of this by letter when the Financing Contract is allocated to the agent.

The respective agency will either secure the return of the Vehicle, by arranging for it to be delivered to a nominated auction site, or will collect payment of the balance outstanding under the Financing Contract.

When a vehicle arrives at the nominated auction site, it is scanned upon entry and is entered into the auction stock management system. Vehicles are then sold in a series of auctions. Some auctions are specific to vehicles owned by VWFS.

If any liability remains outstanding under the Financing Contract following the sale of the vehicle, the Obligor will be advised of the outstanding amount by letter. If the Obligor is unable to clear this remaining liability in full then VWFS' collections department would consider agreeing a payment plan with the Obligor. Where an Obligor is unable to pay its liabilities in full, in exceptional circumstances, in accordance with the Servicer's Customary Operating Practices VWFS may consider a reduced settlement, where the renounced amount will be written off. This will be permissible under the Servicer's Customary Operating Practices when there is no realistic prospect for an improvement of the Obligor's economic circumstances.

VWFS will only proceed to litigation or repossession as a last resort and only after attempting and exhausting all other options to agree an acceptable payment plan with the Obligor. The advice of the appointed legal firm is obtained before taking any action in relation to a Financing Contract where litigation and legal proceedings are being actively pursued.

#### *Charged-Off Receivables*

"Charged-Off Receivable" means a Terminated Receivable upon the occurrence of the earlier of the following events (i) the Vehicle associated to a Terminated Receivable is being sold or written-off (as having a value of zero) or (ii) the value of the associated Terminated Receivable (excluding the Vehicle) is written off in accordance with the Servicer's Customary Operating Practices.

#### *Referral to 3rd Party Suppliers*

As discussed above VWFS appoints outsourced partners and other third partner suppliers that have been appointed to support the work of the department. Contracts are required between both parties to ensure that their approach is in line with VWFS' policies and the requirements of the regulator.

These outsourced partners will be managed in line with the Arrears Management Policy and in relation to CONC 1.2.2.R. This ensures that VWFS partners are aligned to the VWFS culture and controls and can evidence that it is embedded in all processes and practises. This includes, but is not limited to the requirement to comply with its business and regulatory framework including CONC 7. The litigation and vehicle recovery processes cover the specific steps VWFS takes to demonstrate oversight of these outsourced activities.

Referral to third Party Suppliers for the purposes of debt collection, litigation or repossession of a vehicle is initiated by the VWFS Collections Operations department.

Third party suppliers can action the below activities on behalf of VWFS:

1. Telephony white label services
  - (a) Inbound customer contact
  - (b) Email customer contact
  - (c) Outbound customer contact
2. Repossession Agents
  - (a) Collect customer vehicles
  - (b) Transport vehicles to nominated vehicle auction house(s)
  - (c) Field investigations when requested by VWFS
3. Litigation, Probate Specialists and Debt Collection Agencies

  - (b) Negotiate settlements within approved mandates
  - (c) Issue legal proceedings
  - (d) Management of Bankruptcy and Insolvency cases

## ADMINISTRATION OF THE PURCHASED RECEIVABLES UNDER THE SERVICING AGREEMENT

VWFS has agreed to act as Servicer under the Servicing Agreement. In this capacity, VWFS has agreed to perform the following tasks according to its usual business practices as they exist from time to time:

- (a) service and collect the Receivables in accordance with the Servicing Agreement;
- (b) as long as the Monthly Remittance Condition is satisfied, transfer by the Payment Date of each month to the Distribution Account the Collections relating to the Monthly Period (and if the Monthly Remittance Condition is no longer satisfied, take the action set out in "*Commingling*" below);
- (c) repossess and sell Vehicles upon any default by any Obligor or sell the Vehicles upon termination of the Financing Contract where the Vehicle is returned to the Servicer (save to the extent the Receivable relating to such Financing Contract is a Redelivery Purchased Receivable and has been repurchased by VWFS under the Redelivery Repurchase Agreement on the Redelivery Repurchase Date); and
- (d) perform other tasks incidental to the above.

For the purpose of compliance with the requirements stemming from Article 21(9) of the UK Securitisation Regulation, remedies and actions relating to delinquency and default of debtors, debt restructuring, debt forgiveness, forbearance, losses, charge offs, recoveries, payment holidays and other asset performance remedies are applied (if applicable) in accordance with VWFS's Customary Operating Practices.

In the Servicing Agreement, VWFS agrees with the Issuer and the Security Trustee that it shall, in performing the Services, comply with its Customary Operating Practices and, in particular:

- (a) shall not agree to any material amendment to or variation of any Financing Contract except in accordance with its Customary Operating Practices; and
- (b) in relation to any default by an Obligor under or in connection with a Financing Contract, may exercise discretion in applying its Customary Operating Practices in accordance with the Servicing Agreement.

### Commingling

VWFS, in its capacity as the Servicer, will be entitled to commingle funds representing Collections with its own funds during each Monthly Period in accordance with the following procedure:

- (a) if and as long as the Monthly Remittance Condition is satisfied, VWFS will be entitled to commingle funds representing Collections with its own funds during each Monthly Period and will be required to make a single transfer of such Collections to the Distribution Account on the relevant Payment Date;
- (b) if and as long as the Monthly Remittance Condition is not satisfied, VWFS will be entitled to commingle funds representing Collections with its own funds during each Monthly Period provided that, no later than fourteen (14) calendar days after the first day on which the Monthly Remittance Condition has not been satisfied (the "**Monthly Collateral Start Date**"), VWFS shall:
  - (i) advance an amount equal to sum of the Monthly Collateral Part 1 and the Monthly Collateral Part 2 for the Monthly Period in which the Monthly Collateral Start Date falls, plus, if the Monthly Collateral Start Date falls on a date prior to the Payment Date falling in such Monthly Period, an amount equal to sum of the Monthly Collateral Part 1 and the Monthly Collateral Part 2 in respect of the preceding Monthly Period;
  - (ii) for any subsequent Monthly Period in which the Monthly Remittance Condition continues to not be satisfied (save in respect of any Monthly Collateral posted under limb (b)(i) above):
    - (1) on the fifteenth (15<sup>th</sup>) calendar day of the month preceding the first day of such Monthly Period, determine the amount representing the Monthly Collateral Part 1 in respect of the Monthly Period relating to such Payment Date and advance an amount equal to the Monthly Collateral Part 1 to the Distribution Account to be retained until the Payment Date relating to such Monthly Period; and
    - (2) on the first (1<sup>st</sup>) calendar day of the Monthly Period relating to such Payment Date, determine the amount representing the Monthly Collateral Part 2 in respect of the

Monthly Period relating to such Payment Date and advance an amount equal to the Monthly Collateral Part 2 to the Distribution Account to be retained until the Payment Date relating to such Monthly Period;

- (c) provided it complies with its posting obligations in paragraph (b) above and its obligation to transfer Collections to the Distribution Account on the relevant Payment Date in accordance with the Servicing Agreement, VWFS will be entitled to hold, use and invest at its own risk the Collections without segregating such funds from its other funds and VWFS will be required to make a single transfer of Collections and other amounts collected by it to the Distribution Account on the relevant Payment Date. Otherwise, Collections and other amounts collected by it will be required to be remitted by it to the Distribution Account on the third Business Day after receipt of such amounts;
- (d) on any Payment Date, VWFS' obligation to pay Collections for the relevant Monthly Period into the Distribution Account may be netted against its claim for repayment of the Monthly Collateral Part 1 and the Monthly Collateral Part 2 for such Monthly Period and such Monthly Collateral Part 1 and Monthly Collateral Part 2 (after netting) will form part of the Available Distribution Amount on such Payment Date. If for such Monthly Period the Monthly Investor Report shows (a) that the sum of the Monthly Collateral Part 1 and the Monthly Collateral Part 2 which has been transferred to the Distribution Account by VWFS for the relevant Monthly Period exceeds the Collections received by VWFS for such Monthly Period, such excess amount shall be released to VWFS outside the Order of Priority on the relevant Payment Date or (b) that the Collections received by VWFS for such Monthly Period exceed the sum of Monthly Collateral Part 1 and the Monthly Collateral Part 2 which has been transferred by VWFS for the relevant Monthly Period, an amount equal to such excess shall be paid into the Distribution Account by VWFS on the relevant Payment Date; and
- (e) if the Monthly Remittance Condition is satisfied again, any Monthly Collateral Part 1 and Monthly Collateral Part 2 standing to the credit of the Distribution Account shall be released to VWFS outside the Order of Priority on the next Payment Date following such satisfaction.

For the purposes of the above, the "**Monthly Remittance Condition**" shall be no longer satisfied if any of the following events occur:

- (f) either the parent of VW Finance Europe B.V., such company being in turn the parent of the Servicer (or any of its successors within the VW Group as parent of the Servicer) (A) (i) no longer has a short-term rating for unsecured and un-guaranteed debt of at least "A-2" from S&P or a long-term rating for unsecured and unguaranteed debt of at least "BBB" from S&P, or (ii) where the parent of VW Finance Europe B.V., such company being in turn the parent of the Servicer (or any of its successors within the VW Group as parent of the Servicer), is not the subject of an S&P short-term rating, a long-term rating for unsecured and unguaranteed debt of at least "BBB+" from S&P, or (iii) S&P notifies the Issuer and/or the Servicer that VWFS is no longer deemed eligible under the applicable rating criteria by S&P or (B) the profit and loss sharing agreement (*Gewinnabführungsvertrag*) between Volkswagen AG and the parent of VW Finance Europe B.V., such company being in turn the parent of the Servicer (or any of its successors within the VW Group as parent of the Servicer), ceases to be in effect; or
- (g) for so long as the Class A Notes or the Class B Notes are rated by KBRA (irrespective of whether they are rated by Fitch at such time), the Fitch required ratings set out in paragraph (c) below are not satisfied; or
- (h) (i) either (A) Volkswagen AG no longer has a short-term rating for unsecured and unguaranteed debt of at least "F2" by Fitch or (B) Volkswagen AG no longer has a long-term rating for unsecured and unguaranteed debt of at least "BBB" by Fitch; or (ii) in the chain of holdings between Volkswagen AG and the Servicer either (1) the profit and loss sharing agreement (*Gewinnabführungsvertrag*) between Volkswagen AG and the parent of VW Finance Europe B.V., such company being in turn the parent of the Servicer (or any of its successors within the VW Group as parent of the Servicer), or the letter of comfort between the parent of VW Finance Europe B.V. and VW Finance Europe B.V. ceases to be in effect, or (2) any company in such chain is not a branded "Volkswagen", or (iii) Volkswagen AG directly or indirectly holds less than 75 per cent. of the shares of the Servicer.

- (c) recover amounts from Obligor that are not paid when due;
- (d) enforce all obligations of Obligor under the Financing Contracts; and

Based on the Seller's, the Servicer's and the Issuer's understanding of the spirit of Article 20(7) of the UK Securitisation Regulation and the EBA STS Guidelines applicable to Non-ABCP Securitisations (insofar as they remain relevant in the UK in accordance with the FCA's guidance with respect to its approach to non-legislative material published by the EU), the Seller, the Servicer and the Issuer agree not to undertake active portfolio management of the Purchased Receivables included in the Portfolio on a discretionary basis.

The Servicer is not required to monitor the compliance by the Obligor with the insurance provisions and the Servicer shall not be liable for any failure by an Obligor to comply with such provisions.

Upon the termination of a Financing Contract, the Servicer is obliged in accordance with its customary practices as they are applied from time to time to repossess and realise the respective Vehicle. After deducting any fees incurred in the sale of such Vehicle, the Servicer shall treat the remaining proceeds (except to the extent that the same relate to any Written-Off Purchased Receivables) as Collections and credit such amounts to the Distribution Account in accordance with the Servicing Agreement.

provided, however, that if a Servicer Replacement Event referred to under paragraph (a) to (c) above has occurred and was caused by an event beyond the reasonable control of the Servicer and if the respective delay or failure of performance is cured within a period of 150 days from the date on which the original failure to make payment, breach of term, covenant or agreement or breach of representation or warranty referred to under paragraph (a) to (c) occurred, a Servicer Replacement Event will be deemed not to have occurred.

Upon and after (a) such termination, all authority and power of the Servicer will terminate and be of no further effect, (b) the retiring Servicer shall no longer hold itself out in any way as the agent of any party to the Agreement pursuant to any Transaction Document or the Servicing Agreement; (c) the rights and obligations of the retiring Servicer and any obligations of the Issuer, each of the Seller and the Security Trustee to the retiring Servicer shall cease to exist but the relevant termination shall be without prejudice to (i) any liabilities or obligations of the retiring Servicer to the Issuer, each of the Seller or the Security Trustee or any successor servicer incurred or arising up to the Servicer Termination Date; (ii) any liabilities or obligations of the Issuer, each of the Seller or the Security Trustee to the retiring Servicer incurred or arising up to the Servicer Termination Date and (iii) the retiring Servicer's obligation to deliver documents and materials in accordance with the Servicing Agreement or any other Transaction Document.

On the Servicer Termination Date, the retiring Servicer shall (save as prohibited or required otherwise by any applicable laws, regulations, judgments and other directions or orders to which it may be subject) immediately deliver or make available to (and in the meantime shall hold to the order of) (a) if a successor servicer has then been appointed, such successor servicer; or (b) failing such appointment, the Issuer; the Purchased Receivable Records, the Servicer Records and the Transaction Documents (provided that the retiring Servicer shall have the right to make and retain such copies of any such records as it desires at its own cost) and any monies then held by the retiring Servicer on behalf of the Issuer and any other assets of the Issuer then held by it; and take such further action as the Issuer, the Security Trustee or the successor servicer appointed to

replace the retiring Servicer may reasonably direct in order to effectively transfer its rights and obligations under the Servicing Agreement to a successor servicer.

The successor servicer shall be appointed by the Issuer and the Security Trustee with effect from the Servicer Termination Date by the entry of the successor servicer, the Issuer and the Security Trustee into a replacement servicing agreement which complies with the following provisions:

An entity may be appointed as successor servicer only if:

- (a) it has experience of administering assets reasonably similar to the Purchased Receivables being administered by the Servicer or is able to demonstrate that it has the capability to administer assets reasonably similar to the Purchased Receivables being administered by the Servicer;
- (b) it has the permissions pursuant to the Financial Services and Markets Act 2000 necessary to administer the Purchased Receivables on behalf of the Issuer
- (c) it has a net worth of not less than £25,000,000;
- (d) it is willing to enter into an agreement with the parties to the Servicing Agreement (other than VWFS except in its capacity as Seller) which provides for the successor servicer to be remunerated at such a rate as is agreed by the Issuer but which does not exceed the rate then commonly charged by providers of services of the kind described in the Servicing Agreement and required by the Servicing Agreement to be provided by the Servicer and is otherwise on substantially the same terms as those of the Servicing Agreement; and
- (e) the Security Trustee has consented to its appointment.

## RATINGS

The Class A Notes are expected to be rated AAA(sf) from S&P, AAAsf from Fitch and AAA(sf) from KBRA.

The Class B Notes are expected to be rated A+(sf) from S&P, AA-sf from Fitch and AA-(sf) from KBRA.

With respect to the Class A Notes, the rating of AAA(sf) is the highest rating that S&P assigns to long term structured finance debts and AAAsf is the highest rating that Fitch assigns to long term structured finance debts. With respect to the Class B Notes, the rating of A+ is the fifth highest rating that S&P assigns to long term structured finance debts and AA- is the fourth highest rating that Fitch assigns to long term structured finance debts and AA- is the fourth highest rating that KBRA assigns to long term structured finance debts. The rating of the Class A Notes addresses the ultimate repayment of principal and timely payment of scheduled interest according to the Conditions. The rating of the Class B Notes addresses the ultimate payment of principal and timely payment of scheduled interest according to the Conditions. The rating takes into consideration the characteristics of the Receivables and the structural, legal, tax and Issuer-related aspects associated with the Notes.

The ratings assigned to the Notes should be evaluated independently from similar ratings on other types of securities. A security rating is not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal by the Rating Agencies at any time. In the event that the ratings initially assigned to any Class of the Notes by the Rating Agencies are subsequently withdrawn or lowered for any reason, no person or entity is obliged to provide any additional support or credit enhancement with respect to such Class of Notes.

The Issuer has not requested a rating of the Notes by any rating agency other than the Rating Agencies; there can be no assurance, however, as to whether any other rating agency will rate the Notes or, if it does, what rating would be assigned by such other rating agency. The rating assigned to the Notes by such other rating agency could be lower than the respective ratings assigned by the Rating Agencies.

otherwise create security over some or all of its assets or transfer its assets for guarantee purposes, unless permitted by the Luxembourg Securitisation Law.

The Company may generally employ any techniques and instruments relating to investments for the purpose of their efficient management, including, but not limited to, techniques and instruments designed to protect it against credit, currency exchange, interest rate risks and other risks.

The descriptions above are to be understood in their broadest sense and their enumeration is not limiting. The corporate objects of the Company shall include any transaction or agreement which is entered into by the Company, provided that it is not inconsistent with the foregoing enumerated objects.

In general, the Company may take any controlling and supervisory measures and carry out any operation, transaction or acting which it considers necessary or useful in the accomplishment and development of its corporate objects to the largest extent permitted under the Luxembourg Securitisation Law.

### **Compartment**

The board of directors of the Company may, in accordance with the terms of the Luxembourg Securitisation Law, and in particular its article 5, create one or more Compartments within the Company.

The board of directors is entitled to create one or more compartments (referencing the assets of the Company relating to an issue by the Company of securities), in each case, corresponding to a separate part of the Company's estate.

Compartment Driver UK eight is the tenth Compartment of the Company. The Company has already created Compartment Driver UK two, Compartment Driver UK three, Compartment Private Driver UK 2016-1, Compartment Private Driver UK 2018-1, Compartment Driver UK four, Compartment Driver UK five, Compartment Driver UK six, Compartment Driver UK seven and Compartment Private Driver UK 2020-1.

As between investors, each compartment of the Company shall be treated as a separate entity. Rights of creditors and investors of the Company that (i) relate to a compartment or (ii) have arisen in connection with the creation, the operation or the liquidation of a compartment are strictly limited to the assets of that compartment which shall be exclusively available to satisfy such creditors and investors. Creditors and investors of the Company whose rights are not related to a specific compartment of the Company shall have no rights to the assets of any such compartment. Unless otherwise provided for in the resolution of the board of directors of the Company creating such compartment, no resolution of the board of directors of the Company may amend the resolution creating such compartment or to directly affect the rights of the creditors and investors whose rights relate to such compartment without the prior approval of the creditors and investors whose rights relate to such compartment. Any decision of the board of directors taken in breach of this provision shall be void.

Without prejudice to what is stated in the precedent paragraph each compartment of the Company may be separately liquidated without such liquidation resulting in the liquidation of another compartment of the Company or of the Company itself.

If as of any payment date of the assets relating to a compartment (including a hedging agreement entered into by the Company in connection with a compartment) the total amount of monies received under the assets of that compartment exceeds the payments to be made by the Company under the same compartment, the board may use the excess amount to pay off the claims of those creditors of the Company whose claims cannot be allocated to a particular compartment.

The assets allocated to a compartment are exclusively available to (1) the investors in that compartment (the investors), (2) the creditors whose claims have arisen in connection with the creation, operation or liquidation of that compartment and who are provided for in the priority of payments provisions of the relevant issue documentation (the transaction creditors), (3) the creditors whose claims have arisen in connection with the creation, operation or liquidation of that compartment and who are not provided for in the priority of payments provisions of the relevant issue documentation (the compartment-specific claims creditors and, together with the transaction creditors, the creditors) and (4), subject to the provisions of the next following paragraph, the creditors whose claims have not arisen in connection with the creation, operation or liquidation of a compartment and who have not waived their recourse to the assets of any compartment of the Company (the non compartment-specific claims creditors).

The rights of the non compartment-specific claims creditors can be allocated by the Company by decision of the board, on a half year basis in arrear, to all the compartments, on an equal basis and pro rata temporis for compartments created within such half year, where the relevant issue documentation expressly authorises non compartment-specific claims creditors to have recourse against the assets allocated to such compartments. Such right of a non compartment-specific claims creditor against a compartment are hereinafter referred to as the pro rata rights.

The investors and the creditors acknowledge and accept that once all the assets allocated to the compartment under which they have invested or in respect of which their claims have arisen, have been realised, they are not entitled to take any further steps against the Company to recover any further sums due and the right to receive any such sum shall be extinguished. Each non compartment-specific claims creditor acknowledges and accepts that once all the assets allocated to a compartment in respect of which it has pro rata rights, have been realised, it is not entitled to take any further steps against the Company to recover such pro rata rights and the right to receive any sum in respect of the pro rata rights shall be extinguished.

The compartment-specific claims creditors and the non-compartment-specific claims creditors expressly accept, and shall be deemed to have accepted by entering into contractual obligations with the Company, that priority of payment and waterfall provisions, limited recourse provisions and non-petition provisions will be included in the relevant issue documentations and they expressly accept, and shall be deemed to have accepted the consequences of such priority of payments and waterfall provisions, limited recourse provisions and non-petition provisions.

The rights of the shareholders of the Company are limited to the assets of the Company which are not allocated to a compartment.

With board resolution dated 5 December 2023 the Company created Compartment Driver UK eight. With board resolutions dated 4 March 2024, the Issuer authorised the transaction and the issuance of the Notes.

### The Swap Agreement

Under the Swap Agreement the Issuer will undertake to pay to the Swap Counterparty on each Payment Date an amount equal to the amount of interest on the nominal amount of the Class A Notes outstanding on each

<sup>1</sup> As at July 31, 2023: C\$1.00 = US\$0.758

<sup>2</sup> Includes senior long-term debt issued on or after September 23, 2018 which is subject to conversion under the Canadian Bank Recapitalization (Bail-in) regime.

<sup>3</sup> Includes senior long-term debt issued prior to September 23, 2018 and senior long-term debt issued on or after September 23, 2018 which is excluded from the Bail-in regime.

<sup>4</sup> This website URL is an inactive textual reference only, and none of the information on the website is incorporated in this Statement.

Payment Date, calculated on the basis of a fixed rate of interest of 4.9030 per cent. *per annum* on the basis of the actual number of days elapsed in an Interest Period divided by 360. The Swap Counterparty will undertake to pay to the Issuer on each Payment Date an amount equal to the floating rate of interest on such outstanding nominal amount of the Class A Notes, calculated on the basis of Compounded Daily SONIA plus 0.60 per cent. *per annum* on the basis of the actual number of days elapsed in an Interest Period divided by 360, and subject to a floor of zero.

Furthermore, under the Swap Agreement the Issuer will undertake to pay to the Swap Counterparty on each Payment Date an amount equal to the amount of interest on the nominal amount of the Class B Notes outstanding on each Payment Date, calculated on the basis of a fixed rate of interest of 5.6440 per cent. *per annum* on the basis of the actual number of days elapsed in an Interest Period divided by 360. The Swap Counterparty will undertake to pay to the Issuer on each Payment Date an amount equal to the floating rate of interest on such outstanding nominal amount of the Class B Notes, calculated on the basis of Compounded Daily SONIA plus 1.35 per cent. *per annum* on the basis of the actual number of days elapsed in an Interest Period divided by 360, and subject to a floor of zero.

Payments under the Swap Agreement will be exchanged on a net basis on each Payment Date. Payments made by the Issuer under the Swap Agreement (other than termination payments related to an event of default where the Swap Counterparty is a defaulting party, or termination event due to the failure by the Swap Counterparty to take required action after a downgrade of its credit rating) rank higher in priority than all payments on the Notes. Payments by the Swap Counterparty to the Issuer under the Swap Agreement will be made into the Distribution Account and will, to the extent necessary, be increased to ensure that such payments are free and clear of all taxes.

Events of default under the Swap Agreement applicable to the Issuer are limited to, and (among other things) events of default applicable to the Swap Counterparty include, the following:

1. failure to make a payment under the Swap Agreement when due, if such failure is not remedied within three Business Days of notice of such failure being given; or
2. the occurrence of certain bankruptcy and insolvency events.

Termination events under the Swap Agreement include, among other things, the following:

1. illegality of the transactions contemplated by the Swap Agreement; or
2. an Enforcement Event under the Trust Agreement occurs or any Clean-Up Call or prepayment in full, but not in part, of the Notes occurs; or
3. failure of the Swap Counterparty to maintain its credit rating at certain levels required by the Swap Agreement, which failure may not constitute a termination event if (in the time set forth in the applicable Swap Agreement) the Swap Counterparty:
  - (a) posts an amount of collateral (in the form of cash and/or securities) as set forth in the Swap Agreement; or
  - (b) obtains a guarantee from an institution with an acceptable rating; or
  - (c) transfers its rights and obligations under the Swap Agreement to an Eligible Swap Counterparty.

Upon the occurrence of any event of default or termination event specified in the Swap Agreement, the non-defaulting party, an affected party or the party which is not the affected party (as the case may be, depending on the termination event) may, after a period of time set forth in the Swap Agreement, elect to terminate the Swap Agreement. If the Swap Agreement is terminated due to an event of default or a termination event, a Swap Termination Payment may be due to the Swap Counterparty by the Issuer out of its available funds. The amount of any such Swap Termination Payment may be based on the actual cost or market quotations of the cost of entering into a similar swap transaction or such other methods as may be required under the Swap Agreement, in each case in accordance with the procedures set forth in the Swap Agreement. Any such Swap Termination Payment could, if market rates or other conditions have changed materially, be substantial. Under certain circumstances, Swap Termination Payments required to be made by the Issuer to the Swap Counterparty will rank higher in priority than all payments on the Notes. In such event, the Purchased Lease Receivables and the General Cash Collateral Amount may be insufficient to make the required payments on the Notes and the Noteholders may experience delays and/or reductions in the interest and principal payments on the Notes. If a Swap Termination Payment is due to the Swap Counterparty, any Swap Replacement Proceeds shall to the extent of that Swap Termination Payment be paid directly to the

Swap Counterparty causing the event of default or termination event without regard to the Order of Priority as specified in the Swap Agreement.

The Swap Counterparty may, at its own cost, transfer its obligations under the Swap Agreement to a third party which is an Eligible Swap Counterparty. There can be no assurance that the credit quality of the replacement Swap Counterparty will ultimately prove as strong as that of the original Swap Counterparty. Any Swap Termination Payments exceeding Swap Replacement Proceeds will be paid to such Swap Counterparty in accordance with the Order of Priority.

**Governing law**

The Swap Agreement, and any non-contractual obligations arising out of or in connection with the Swap Agreement, is and will be governed by, and construed in accordance with, English law.

Payments shall only be made after the deduction and withholding of current or future taxes, levies or government charges, regardless of their nature, which are imposed, raised or collected (hereinafter collectively referred to as "taxes") on the basis of the applicable laws of, or for the account of, an authority or government agency authorised to levy taxes or of any country which claims fiscal jurisdiction, to the extent that such a collection is prescribed by applicable law (or pursuant to FATCA). The Issuer shall render an account of the deducted or withheld taxes accruing to the competent government agencies and shall, upon a Class B Noteholder's request, provide proof thereof. It is not obliged to pay any additional amounts as a result of the deduction or withholding.

**10. Replacement of Issuer**

10.1. The Issuer is at any time entitled to appoint another company (the "**New Issuer**") in place of the Issuer as debtor for all obligations arising from and in connection with the Notes insofar as (i) the New Issuer assumes all rights and duties of the Issuer under or pursuant to the Class A Notes, the Class B Notes and any other Transaction Documents by means of an agreement with the Issuer; provided further, the Security is, upon the Issuer's replacement, to be held by the Security Trustee for the purpose of securing the obligations of the New Issuer, (ii) no further expenses or legal disadvantages of any kind arise for the Class A Noteholders, the Class B Noteholders or the Subordinated Lender of the Subordinated Loan Agreement from such an assumption of debt and this fact has been established in legal opinions which can be examined at the premises of the Paying Agent, (iii) the New Issuer provides proof that it has obtained all of the necessary governmental approvals in the country in which it has its corporate seat and that it may fulfil all of the duties arising out of or in connection with the Trust Agreement without discrimination against the Noteholders or the Subordinated Lender of the Subordinated Loan Agreement as a whole, (iv) the Issuer and the New Issuer conclude such agreements and execute such documents which the Security Trustee considers necessary for the effectiveness of the replacement, and (v) the New Issuer is incorporated under a tax neutral jurisdiction. Upon fulfilment of the aforementioned conditions, the New Issuer shall in every respect replace the Issuer, and the Issuer shall be released from all obligations relating to the function of an issuer vis-à-vis the Class A Noteholders under or in connection with the Class A Notes, the Class B Noteholders under or in connection with the Class B Notes and the Subordinated Lender under or in connection with the Subordinated Loan Agreement.

As long as the Global Note is registered in the Name of the Registered Holder notices to Noteholders may be validly given if transmitted to Euroclear and Clearstream Luxembourg for further communication to the persons shown as holders of the Notes in their records. Any notice so given shall be deemed to have been given to all Noteholders on the seventh day after the day on which the said notice was given to Euroclear and Clearstream Luxembourg.

11.3. In addition, as long as the Notes are listed on the official list of the Luxembourg Stock Exchange and the rules of such exchange so require, all notices to the Noteholders regarding the Notes shall be published on the website of the Luxembourg Stock Exchange ([www.luxse.com](http://www.luxse.com)). Any notice referred to above shall be deemed to have been given to all Noteholders on the seventh day after the day on which the said notice was published on the website of the Luxembourg Stock Exchange ([www.luxse.com](http://www.luxse.com)). ## 13. Amendments to the Conditions and Benchmark Rate Modification

- 13.1. Save for purposes of complying with the EU Securitisation Regulation and UK Securitisation Regulation in accordance with Condition 13.2 or in respect of a Benchmark Rate Modification undertaken in accordance with Condition 13.3 below, the Conditions of the Class B Notes may only be modified by majority vote and appointment of a noteholders' representative (*gemeinsamer Vertreter*) for all Class B Noteholders for the preservation of their rights pursuant to the provisions of the German Debenture Act (*Gesetz über Schuldverschreibungen aus Gesamtemissionen – "SchVG"*) (section 5 (1) sentence 1 SchVG).
- 13.2. Subject to giving ten (10) Business Days prior notice to the Noteholders and the Rating Agencies, by publishing such notice with the Luxembourg Stock Exchange ([www.luxse.com](http://www.luxse.com)), the Issuer will be entitled to amend any term or provision of the Conditions with the consent of the Security Trustee, but without the consent of any Noteholder, the Swap Counterparty, the Subordinated Lender, the Arranger, the Joint Lead Managers or any other Person if it is advised by a third party authorised under Article 28 of the UK Securitisation Regulation or a reputable international law firm that such amendments are required for the Transaction to comply with the EU Securitisation Regulation or the UK Securitisation Regulation, as applicable, or any regulatory and/or implementing technical standards adopted under the EU Securitisation Regulation or any directions, secondary legislation, guidance, regulatory technical standards, implementing technical standards and related documents published by the FCA and the PRA of the United Kingdom under the UK Securitisation Regulation. - 13.3. The Servicer, on behalf of the Issuer, has the right to amend these Conditions and any Transaction Document for the purpose of changing the benchmark rate in respect of the Notes from Compounded Daily SONIA to an alternative benchmark rate (any such rate, an "**Alternative Benchmark Rate**") (which rate shall apply for the purposes of determining the floating amount payable by the floating rate payer in respect of the Swap Agreement without a requirement for the consent of the Swap Counterparty to such change in the benchmark rate) and making such other related or consequential amendments to the Transaction Documents as are necessary or advisable in the reasonable judgment of the Issuer to facilitate the changes envisaged pursuant to this Condition 13 (a "**Benchmark Rate Modification**"), provided that in relation to any amendment under this Condition 13 the Servicer, on behalf of the Issuer, certifies to the Security Trustee in writing, including by e-mail, (such certificate, a "**Benchmark Rate Modification Certificate**") that:

Notes may be held) within such notification period notifying the Security Trustee that such Noteholders do not consent to the modification;

- (b) the Issuer has provided the Transaction Creditors (including the Swap Counterparty) with at least 30 days' notice of the proposed modifications:
  - (i) to the Alternative Benchmark Rate which shall apply in respect of the Conditions and the Swap Agreement for the purposes of determining the floating amount payable by the floating rate payer in respect of the Swap Agreement without a requirement for the consent of the Swap Counterparty to such change in the benchmark rate; and
  - (ii) to such other related or consequential amendments to the Transaction Documents (including, if applicable, the Swap Agreement) as are necessary or advisable in the reasonable judgment of the Issuer to facilitate the Benchmark Rate Modification and the Issuer has obtained the consent of any other Transaction Creditors which are not Noteholders in accordance with the provisions of the Incorporated Terms Memorandum;
- (c) the Seller pays all fees, costs and expenses incurred by the Issuer and the Security Trustee in connection with such Benchmark Rate Modification;
- (d) such Benchmark Rate Modification is being undertaken by the Servicer, on behalf of the Issuer, due to:
  - (i) a material disruption to SONIA, a material adverse change in the methodology of calculating SONIA or SONIA ceasing to exist or be published or the administrator of SONIA having used a fallback methodology for calculating SONIA for a period of at least 30 calendar days;
  - (ii) the insolvency or cessation of business of the SONIA administrator (in circumstances where no successor SONIA administrator has been appointed);
  - (iii) a public statement or the publication of information by or on behalf of the SONIA administrator announcing that it has ceased or will cease to provide SONIA permanently or indefinitely, provided that, at the time of the statement or publication, there is no successor administrator that will continue to provide SONIA with effect from a date no later than 6 months after the proposed effective date of such Benchmark Rate Modification;
  - (iv) a public statement or publication of information by the regulatory supervisor of the SONIA administrator, the Bank of England, the Financial Conduct Authority or the Prudential Regulation Authority, an insolvency official with jurisdiction over the SONIA administrator, or a court or entity with similar insolvency or resolution authority over the SONIA administrator, which states that the SONIA administrator has ceased or will cease to provide SONIA permanently or indefinitely, provided that, at the time of the statement or publication, there is no successor administrator that will continue to provide SONIA with effect from a date no later than 6 months after the proposed effective date of such Benchmark Rate Modification;
  - (v) a public statement or publication of information by the regulatory supervisor of the SONIA administrator, the Bank of England, the Financial Conduct Authority or the Prudential Regulation Authority that means SONIA may no longer be used or that its use is or will be subject to restrictions or adverse consequences from a date no later than 6 months after the proposed effective date of such Benchmark Rate Modification;
  - (vi) a change in generally accepted market practice in the asset backed floating rate notes market to refer to a benchmark rate endorsed in a public statement by the Bank of England, the Financial Conduct Authority or the Prudential Regulation Authority or any relevant committee or other body established, sponsored or approved by any of the foregoing, including the Working Group on Sterling Risk-Free Rates, despite the continued existence of SONIA;

- (vii) it becomes unlawful for the Principal Paying Agent, the Issuer or the Interest Determination Agent to calculate any payments to be made to any Noteholder using SONIA;
  - (viii) the reasonable expectation of the Servicer that any of the events specified in sub-paragraphs (i), (ii) or (vii) above will occur or exist within six months of the proposed effective date of such Benchmark Rate Modification;
  - (ix) an alternative manner of calculating a SONIA-based rate being introduced and becoming a standard means of calculating interest in the asset backed floating rate notes market;
  - (x) a Benchmark Rate Modification is being proposed pursuant to Condition 13.8, and
- (e) such Alternative Benchmark Rate is:
- (i) a benchmark rate published, endorsed, approved or recognised by the Bank of England, the Financial Conduct Authority or Prudential Regulation Authority or any relevant committee or other body established, sponsored or approved by any of the foregoing, including the Working Group on Sterling Risk-Free Reference Rates (which, for the avoidance of doubt, may be an alternative benchmark rate together with a specified adjustment factor which may increase or decrease the relevant Alternative Benchmark Rate);
  - (ii) a benchmark rate utilised in a material number of new issues of Sterling denominated asset backed floating rate notes prior to the effective date of such Benchmark Rate Modification;
  - (iii) a benchmark rate utilised in a new issue of Sterling denominated asset backed floating rate notes where the originator of the relevant assets is an Affiliate of VWFS; or
  - (iv) such other benchmark rate as the Servicer reasonably determines provided that this option may only be used if the Servicer certifies to the Security Trustee that, in the reasonable opinion of the Servicer, conditions 13.3(e)(i) to (iii) are not applicable and/or practicable in the context of the Transaction, and sets out the rationale in the Benchmark Rate Modification Certificate for choosing the Alternative Benchmark Rate;
- 13.4. The Servicer on the Issuer's behalf, shall (i) provide the Security Trustee with an initial draft of the Benchmark Rate Modification Certificate at least 30 calendar days prior to the date on which it is proposed that the Benchmark Rate Modification would take effect and (ii) provide the Security Trustee with a signed copy of the final Benchmark Rate Modification Certificate on the date on which the Benchmark Rate Modification shall take effect (the "**Benchmark Rate Modification Effective Date**").
- 13.5. The Servicer, on behalf of the Issuer, shall provide at least 30 days' notice to the Noteholders of the Class B Notes of the proposed modification in accordance with Condition 11 (*Notices*) the "**Benchmark Rate Modification Notice**"). The Benchmark Rate Modification Notice shall include the following:
- (a) details of how the Noteholders representing at least 10 per cent. of the Class B Notes then outstanding may object to the proposed Benchmark Rate Modification;
  - (b) confirmation of the sub-paragraph(s) of Condition 13.3(d) under which the Benchmark Rate Modification is being proposed;
  - (c) confirmation of the Alternative Benchmark Rate and where Condition 13.3(d)(iv) is being applied, the rationale for choosing the proposed Alternative Benchmark Rate;
  - (d) details of any consequential modifications that the Issuer has agreed will be made to the Swap Agreement to which it is a party (if any) for the purpose of aligning the Swap Agreement with the proposed Benchmark Rate Modification, if the proposed Benchmark Rate Modification takes effect;

- (e) confirmation that either:
  - (i) the Servicer, on behalf of the Issuer, has obtained from each of the Rating Agencies written confirmation (or certifies in the Benchmark Rate Modification Certificate that it has been unable to obtain written confirmation, but has received oral confirmation from an appropriately authorised person at each of the Rating Agencies) that the proposed Benchmark Rate Modification would not result in (x) a downgrade, withdrawal or suspension of the then current ratings assigned to the Class B Notes by any Rating Agency or (y) would not result in any Rating Agency placing any Class B Notes on rating watch negative (or equivalent) and, if relevant, delivers a copy of each such confirmation to the Issuer and the Security Trustee with the Benchmark Rate Modification Certificate; or
  - (ii) the Servicer on behalf of the Issuer certifies to the Security Trustee in the Benchmark Rate Modification Certificate that the Rating Agencies have been informed of the proposed modification and neither of the Rating Agencies has indicated that such modification would result in (x) a downgrade, withdrawal or suspension of the then current ratings assigned to the Class B Notes by such Rating Agency or (y) such Rating Agency placing any Class B Notes on rating watch negative (or equivalent).
- 13.6. If the Noteholders at least 10 per cent. of the Class B Notes then outstanding have notified the Issuer in writing (or otherwise in accordance with the then current practice of any applicable Clearing System through which Notes may be held) within the notification period referred to above that such Noteholders do not consent to the Benchmark Rate Modification, then such Benchmark Rate Modification will not be made in respect of the Class B Notes unless Noteholders of the Class B Notes unanimously consent in favour of the Benchmark Rate Modification, in accordance with Part B of the German Debenture Act.
- 13.7. Other than where specifically provided in this Condition 13 or any Transaction Document, when implementing any modification pursuant to this Condition 13, the Security Trustee shall not consider the interests of the Noteholders, other Transaction Creditors or any other person and shall act and rely solely and without further investigation, on any Benchmark Rate Modification Certificate or evidence provided to it by the Servicer on behalf of the Issuer or the relevant Transaction Party, as the case may be, pursuant to this Condition 13 and shall not be liable to the Noteholders of the Class B Notes, any other Transaction Creditor or any other person for so acting or relying, irrespective of whether any such modification is or may be materially prejudicial to the interests of any such person.
- 13.8. Any Benchmark Rate Modification shall be binding on all the Noteholders and shall be notified by the Servicer, on behalf of the Issuer, at least 10 Business Days prior to the Benchmark Rate Modification Effective Date to:
  - (a) so long as any of the Class B Notes rated by the Rating Agencies remains outstanding, each Rating Agency;
  - (b) the Transaction Creditors (including, for the avoidance of doubt, the Swap Counterparties); and
  - (c) the Noteholders of the Class B Notes in accordance with Condition 11 (*Notices*).
- 13.9. Following the making of a Benchmark Rate Modification, if it becomes generally accepted market practice in the asset backed floating rate notes market to use a benchmark rate of interest which is different from the Alternative Benchmark Rate which had already been adopted by the Issuer in respect of the Class B Notes pursuant to a Benchmark Rate Modification, the Issuer is entitled to propose a further Benchmark Rate Modification pursuant to this Condition 13.

#### 1.2. Interpretation

#### 1.3. Common Terms

##### (a) Incorporation of Common Terms

Except as provided below, the Common Terms apply to this Agreement and shall be binding on the Transaction Parties to this Agreement as if set out in full in this Agreement.

##### (b) Common Terms

In the event of any conflict between the provisions of the Common Terms and the provisions of this Agreement, the provisions of this Agreement shall prevail, subject always to compliance with clause 10 (*Non-Petition and Limited Recourse*) of the Common Terms.

##### (c) Governing law and jurisdiction

This Agreement and all matters (including non-contractual duties and claims) arising from or connected with it shall be governed by German law in accordance with clause 14 (*Governing Law*) of the Common Terms. Clause 15 (*Jurisdiction*) of the Common Terms applies to this Agreement as if set out in full in this Agreement.

### Duties and position of the Security Trustee

#### 2. Duties of the Security Trustee

This Agreement establishes the rights and obligations of the Security Trustee to carry out the tasks assigned to it in this Agreement. Unless otherwise set forth in this Agreement, the Security Trustee is not obliged to supervise the discharge of the payment and other obligations of the Issuer arising from the Funding and the Transaction Documents or to carry out duties which are the responsibility of the management of the Issuer.

#### 3. Position of the Security Trustee in relation to the Transaction Creditors

- 3.1. The Security Trustee carries out the duties specified in this Agreement as a trustee for the benefit of the Transaction Creditors. The Security Trustee shall exercise its duties hereunder with particular

regard to the interests of the Transaction Creditors, giving priority to the interests of each Transaction Creditor in accordance with the Order of Priority, especially to the interests of the Noteholders.

- 3.2. This Agreement grants all Transaction Creditors the right to demand that the Security Trustee performs its duties under clause 2 (*Duties of the Security Trustee*) and all its other duties hereunder in accordance with this Agreement, and therefore this Agreement constitutes in favour of the Transaction Creditors that are not (validly) parties to this Agreement (in particular the Noteholders) a contract for the benefit of a third party pursuant to section 328 (*echter Vertrag zugunsten Dritter*) of the German Civil Code. The rights of the Issuer pursuant to clause 4.3 (*Position of the Security Trustee in Relation to the Issuer*) shall not be affected.

#### 4. **Position of the Security Trustee in relation to the Issuer**

- 4.1. With respect to the Security, the Security Trustee is legally a secured party (*Sicherungsnehmer*) in relation to the Issuer. Accordingly, to the extent that any rights and claims are assigned by the Issuer to the Security Trustee for security purposes in accordance with clause 5 (*Assignment for Security Purposes*), in insolvency proceedings on the Security Trustee's estate, such rights would be segregated (*Aussonderungsrecht*) as assets of the Issuer held in trust.

- 4.2. The Issuer hereby grants the Security Trustee a separate trustee claim (the "**Trustee Claim**"), entitling the Security Trustee to demand from the Issuer:

- (a) that any present or future obligation of the Issuer in relation to the Noteholders be fulfilled;
- (b) that any present or future obligation of the Issuer in relation to a Transaction Creditor of the Transaction Documents be fulfilled; and
- (c) (if the Issuer is in default in respect of any Secured Obligation(s) and insolvency proceedings have not been instituted against the estate of the Security Trustee) that any payment owed under the respective Secured Obligation will be made to the Security Trustee for non-payment to the Transaction Creditors and discharge the Issuer's obligation accordingly.

The right of the Issuer to make payments to the respective Transaction Creditor shall remain unaffected. The Trustee Claim in whole or in part may be enforced separately from the relevant Transaction Creditor's claim related thereto. In the case of a payment pursuant to clause 4.2(c) hereof, the Issuer shall have a claim against the Security Trustee for non-payment to the respective Transaction Creditors.

- 4.3. The obligations of the Security Trustee under this Agreement are owed exclusively to the Transaction Creditors, except for the obligations and declarations of the Security Trustee to the Issuer pursuant to clause 4.1, the last sentence of clause 4.2, clause 11, clause 32 and clauses 38 through 39 hereof.

#### **Granting of Security**

##### 5. **Assignment for Security purposes**

- 5.1. The Issuer hereby assigns to the Security Trustee for security purposes (*Sicherungsabtretung*) all its claims and other rights arising from the German Transaction Documents (with the exception of claims and other rights arising from this Agreement, but including the rights to unilaterally alter a legal relationship (*unselbständige Gestaltungsrechte*)) and from all present and future German law contracts the Issuer has entered into or may enter into in connection with the Notes, the Subordinated Loan, the Swap Agreement or the Receivables. The Security Trustee hereby accepts such assignments.

- 5.2. The assignments for security purposes pursuant to clause 5.1 are subject to the condition precedent that the German Transaction Documents (for the avoidance of doubt excluding this Agreement) are signed.

- 5.3. If an express or implied current account relationship exists or is later established between the Issuer and a third party, the Issuer hereby assigns to the Security Trustee - without prejudice to the generality of the provisions in clause 5.1 - the right to receive a periodic account statement and the right to payment of present or future balances (including a final net balance determined upon the institution of any insolvency proceedings according to the Applicable Insolvency Law regarding the estate of Driver UK Multi-Compartment S.A.), as well as the right to terminate the current account relationship and to the determination and payment of the closing net balance upon termination.

6. **Pledge**

The Issuer hereby pledges to the Security Trustee all its present and future claims against the Security Trustee arising under this Agreement. The Issuer hereby gives notice to the Security Trustee of such pledge in accordance with Section 1280 of the German Civil Code (*Bürgerliches Gesetzbuch*) and the Security Trustee hereby confirms the receipt of such notice.

7. **Security Purpose**

The assignment for security purposes pursuant to clauses 5.1 and 5.2 and the pledge pursuant to clause 6 (*Pledge*) serve to secure the Trustee Claim. In addition, the assignment pursuant to clauses 5.1 and 5.2 is made for the purpose of securing the rights of the Transaction Creditors against the Issuer arising under the Funding and the Transaction Documents and any potential obligations on the grounds of any invalidity or unenforceability of any Funding or any Transaction Documents, in particular claims on the grounds of unjustified enrichment (*ungerechtfertigte Bereicherung*).

8. **Authority to collect; assumption of obligations; further assignment**

8.1. The Issuer is authorised to collect, to have collected, to realise and to have realised in the ordinary course of its business or otherwise to use, the rights assigned for security purposes pursuant to clause 5 (*Assignment for Security Purposes*) and the rights pledged pursuant to clause 6 (*Pledge*) and to exercise or have exercised the unilateral rights (*Gestaltungsrechte*) pertaining to such rights and the rights and assets assigned for security purposes pursuant to the Deed of Charge and Assignment and the Assignment in Security.

8.2. The authority provided in clause 8.1 above is deemed to be granted only to the extent that all obligations of the Issuer are fulfilled in accordance with the Order of Priority prior to a Foreclosure Event. The authority may be revoked by the Security Trustee if this is necessary in the opinion of the Security Trustee to avoid endangering the Security or their value. The authority shall automatically terminate upon the occurrence of a Foreclosure Event pursuant to clause 17 (*Foreclosure on the Security; Foreclosure Event*) hereof.

8.3. The Security Trustee shall, in its relationship to the Issuer and to the Seller, comply with the continuing duties of care of the Issuer arising from the Receivables Purchase Agreement and the Servicing Agreement (including the treatment of the transfer to the Issuer as an equitable assignment). Such continuing duties shall not include, in particular, the payment obligations of the Issuer (i) pursuant to clause 3 (*Sale of the Initial Receivables*) and clause 4 (*Sales of Additional Receivables*) of the Receivables Purchase Agreement, or (ii) as compensation for damages.

8.4.

(a) The Security Trustee is authorised to assign the Security assigned in accordance with clause 5 (*Assignment for Security purposes*) for security purposes:

(i) in the event the Security Trustee is replaced and all Security is assigned to a new security trustee (the "**New Security Trustee**"); or

(ii) upon occurrence of a Foreclosure Event pursuant to clause 17 (*Foreclosure on the Security; Foreclosure Event*) hereof; or

(iii) as long as Volkswagen Financial Services (UK) Limited is the Servicer, Volkswagen Financial Services (UK) Limited has given its consent to such assignment or if it unreasonably withholds its consent; such a withholding of consent shall as a rule be considered unreasonable if a transfer does not affect the interests of the Seller, the Obligors or the Issuer and the Transaction Creditors risk substantial disadvantages without such a transfer.

(b) In the case of an assignment pursuant to clause 8.4(a)(i) above, the Security Trustee shall be obliged to agree with the respective transferee that the transferee shall assume the obligations of Security Trustee pursuant to clause 8.3 above.

## 9. Representation of the Issuer

9.1. The Issuer represents and warrants to the Security Trustee that:

- (a) the Security granted hereunder has not already been assigned, pledged or otherwise encumbered to a third party by the Issuer; and
- (b) the Issuer has not established any third-party rights on or in connection with the Security.

9.2. The Issuer shall pay damages pursuant to section 280(1) in connection with section 280(3) (*Schadenersatz statt der Leistung*) of the German Civil Code if the legal existence of the Security transferred for security purposes in accordance with this Agreement is invalid as a consequence of an action by the Issuer contrary to clause 9.1 above.

## 10. Representations of the Security Trustee

The Security Trustee represents and warrants to the Issuer:

- (a) that it is legally competent and in a position to perform the duties assigned to it in this Agreement in accordance with the provisions of this Agreement; and
- (b) it has and will continue to have its centre of main interests (as that term is used in Article 3(l) of the EU Insolvency Regulation) in Germany and has not and will not have an establishment (being a place of operations where a company carries out non-transitory economic activity within human means and assets and as that term is used in Article 2(10) of the EU Insolvency Regulation) outside of Germany.

## 11. Release of Security

11.1. As soon as the Issuer has fully and finally discharged all obligations secured by this Agreement, the Security Trustee shall promptly retransfer any remaining Security transferred to it under this Agreement and that it still holds at such time to or to the order of the Issuer. The Security Trustee undertakes to notify each shareholder of the Issuer of the full satisfaction of all obligations secured hereunder and of the retransfer of the Security. For the purpose of release, the Security Trustee may rely on evidence which shows that all moneys necessary for the satisfaction of the obligations secured by this Agreement have been transferred to the Paying Agent who then forwarded the proceeds. A confirmation of the Paying Agent will be sufficient evidence for the purpose of the preceding sentence.

11.2. Subject to the provisions in the Transaction Documents, as soon as the Security has been released, the Transaction and all Transaction Documents shall automatically terminate.

## Duties of the Security Trustee prior to occurrence of the Foreclosure Event

### 12. Acceptance, safekeeping and review of documents; notification of the Issuer

12.1. The Security Trustee shall accept the documents which are delivered to it in connection with the reporting of the Seller pursuant to clause 3 (*Sale of the Initial Receivables*), clause 4 (*Sales of Additional Receivables*) and clause 10 (*Repurchase*) of the Receivables Purchase Agreement and paragraph 2.16 (*Reporting duties and duties under the Swap Agreement*) of Schedule 1 (*Services to be provided by the Servicer*) of the Servicing Agreement and shall:

- (a) keep such documents for one year after the termination of this Agreement and, at the discretion of the Issuer, thereafter either destroy such documents or deliver the same to the Issuer or to the Seller; or
- (b) forward the documents to the New Security Trustee if the Security Trustee is replaced in accordance with clauses 30 (*Termination by the Security Trustee for Good Cause*) through 32 (*Transfer of Security; Costs; Publication*) of this Agreement.

12.2. The Security Trustee shall to a reasonable extent check the conformity of the documents provided to it in accordance with paragraph 2.16 (*Reporting Duties and duties under the Swap Agreement*) of Schedule 1 (*Services to be provided by the Servicer*) of the Servicing Agreement without being obliged to recalculate the figures. If this does not reveal any indication of a breach of duties or any risk for the Security, the Security Trustee is not obliged to examine such documents any further. If, on the basis of such checks, the Security Trustee comes to the conclusion that a Transaction Creditor

is not properly fulfilling its obligations under a Transaction Document, the Security Trustee shall promptly inform the directors of the Issuer thereof. The right of the Security Trustee to obtain additional information from the Seller shall not be affected hereby.

**13. Accounts**

- 13.1. The terms of the Accounts are set out in the Account Agreement. Should the Account Bank cease to have the Account Bank Required Rating or fails to maintain an Account Bank Required Guarantee, Account Bank shall use all endeavours within its control during the remedy period as specified by the relevant Rating Agency which is sixty (60) calendar days to assist the Issuer to, and the Issuer shall: (i) transfer the Accounts held with it to an Eligible Collateral Bank or (ii) find an irrevocable and unconditional guarantor providing the Account Bank Required Guarantee. If within this remedy period none of the measures set out under (i) through (ii) above is taken, the Issuer shall terminate the Account Agreement, provided that such termination shall not take effect until the transition of the Issuer's banking arrangements has been completed. The outgoing Account Bank shall, in case of a termination, reimburse (on a *pro rata* basis) to the Issuer any up-front fees paid by the Issuer for periods after the date on which the substitution of the Account Bank is taking effect. In case of a termination as a result of the Account Bank failing to maintain an Account Bank Required Guarantee or if its short-term or long-term ratings fall below the Account Bank Required Rating, the outgoing Account Bank shall reimburse the Issuer for the costs (including legal costs and administration costs) or pay any costs incurred for the purpose of appointing a Successor Bank up to an amount of GBP 15,000 (the "**Account Bank Replacement Costs**"). For the avoidance of doubt, such Account Bank Replacement Costs shall cover any and all replacement costs incurred in respect of a replacement of The Bank of New York Mellon, London Branch as Account Bank.
- 13.2. Should one of the Accounts be terminated either by the Account Bank or by the Issuer, the Issuer shall promptly inform the Security Trustee of such termination. The Issuer shall, together with the Security Trustee, open an account, on conditions as close as possible to those previously received with the Successor Bank, which has at least the Account Bank Required Ratings or has an Account Bank Required Guarantee. The Issuer shall conclude a new Account Agreement with the Successor Bank as counterparty, and with the consent of the Security Trustee the new Account Agreement shall include a provision in which the Successor Bank undertakes to promptly notify the other contract parties of any downgrade in its rating.
- 13.3. Should one of the Accounts be opened with a Successor Bank, and the Issuer or the Security Trustee receives a notice pursuant to clause 13.1 above, then within sixty (60) calendar days after the Account Bank cease to have the Account Bank Required Rating or fails to maintain an Account Bank Required Guarantee, the Security Trustee shall open the relevant Issuer account with another Successor Bank in accordance with the procedure laid out in clause 13.2 above on behalf of the Issuer and terminate the relevant Issuer account with the previous Successor Bank.
- 13.4. For the avoidance of doubt, in case one of the Accounts is at any time held with a Successor Bank, and the Issuer or the Security Trustee receives a notice pursuant to clause 13.1 above with regard to the Successor Bank, then the procedure laid out in clauses 13.2 and 13.3 shall also apply for such Successor Bank.

**14. Actions of the Issuer requiring Consent**

If the Issuer requests that the Security Trustee grant its consent as required pursuant to clause 37 (*Negative Undertakings*), the Security Trustee may grant or withhold the requested consent at its discretion, taking into account the reasonable interests of the Transaction Creditors in accordance with clause 3.1 hereof.

**15. Breach of obligations by the Issuer**

- 15.1. If the Security Trustee in the course of its activities becomes aware that the existence or the value of the Security is at risk due to any failure of the Issuer to properly comply with its obligations under this Agreement, the Security Trustee shall, subject to the provisions in clause 15.2 below, deliver a notice to the Issuer in reasonable detail of such failure (with a copy to the Servicer) and, if the Issuer does not remedy such failure within 90 days after the delivery of such notice, the Security Trustee shall at its discretion take or induce all actions which in the opinion of the Security Trustee are warranted to avoid such threat. To the extent that the Issuer does not comply with its obligations pursuant to

clause 35 (*Undertakings of the Issuer in Respect of the Security*) hereof in respect of the Security and does not remedy such failure within the ninety (90) day period after the notice set forth above, the Security Trustee is in particular authorised and obliged to exercise all rights arising under the Transaction Documents on behalf of the Issuer.

- 15.1. The Security Trustee shall only intervene in accordance with clause 15.1 above if and to the extent that it is assured that it will be indemnified to its satisfaction, at its discretion either by reimbursement of costs or in any other way it deems appropriate, against all costs and expenses resulting from its activities (including fees for retaining counsel, banks, auditors, or other experts as well as the expenses for retaining third parties to perform certain duties) and against all liability, obligations, and attempts to bring any action in or out of court. Clause 33 (*Standard of Care*) of this Agreement shall not be affected hereby.

16. **Power of Attorney**

The Issuer hereby grants by way of security power of attorney to the Security Trustee, waiving, to the extent legally possible, the restrictions set forth in section 181 of the German Civil Code, and with the right to grant substitute power of attorney, to act in the name of the Issuer with respect to all rights of the Issuer arising under the Transaction Documents (except for the rights vis-à-vis the Security Trustee). Such power of attorney is irrevocable. It shall expire as soon as a New Security Trustee has been appointed pursuant to clauses 30 (*Termination by the Security Trustee for Good Cause*) through 32 (*Transfer of Security; Costs; Publication*) of this Agreement and the Issuer has issued a power of attorney to such New Security Trustee having the same contents as the above power of attorney. The Security Trustee shall only act under this power of attorney in the context of its rights and obligations pursuant to this Agreement.

**Duties of the Security Trustee after occurrence of a Foreclosure Event**

17. **Foreclosure on the Security; Foreclosure Event**

- 17.1. The Security shall be subject to foreclosure upon the occurrence of a Foreclosure Event. A Foreclosure Event shall occur when:

- (a) with respect to the Issuer an Insolvency Event occurs;
- (b) the Issuer defaults in the payment of any interest on the most senior Class of Notes then outstanding when the same becomes due and payable, and such default continues for a period of five (5) Business Days; or
- (c) the Issuer defaults in the payment of principal of any Note on the Final Maturity Date.

It is understood that the interest and principal on the Subordinated Loan and on the Notes (other than interest on the Class A Notes) will not be due and payable on any Payment Date (other than the Final Maturity Date) except to the extent there are sufficient funds in the Available Distribution Amount to pay such amounts in accordance with the Order of Priority.

The Security Trustee shall promptly give an Enforcement Notice to the Noteholders of the relevant Class and the Subordinated Lender and notify the Rating Agencies of the occurrence of a Foreclosure Event.

- 17.2. After the occurrence of a Foreclosure Event, the Security Trustee will at its reasonable discretion foreclose or cause foreclosure on the Security, provided that Security granted under the Deed of Charge and Assignment shall be subject to enforcement in accordance with the provisions therein. Unless compelling grounds to the contrary exist, the foreclosure shall be performed by collecting payments made into the Accounts on the Security or, inter alia, by assignment pursuant to clause 8.4(a) (*Authority to Collect; Assumption of Obligations; Further Assignment*). The provisions of the Corporate Services Agreement shall be unaffected by the foreclosure of the Security (subject to the provisions of clause 8.4 (*Authority to Collect; Assumption of Obligations; Further Assignment*) hereof).
- 17.3. Within fifteen (15) days after the occurrence of a Foreclosure Event, the Security Trustee shall give notice to the Noteholders, the Swap Counterparty and the Subordinated Lender, specifying the manner in which it intends to foreclose on the Security, in particular, whether it intends to sell the Security, and apply the proceeds from such foreclosure to satisfy the obligations of the Issuer, subject to the Order of Priority set out in clause 21 hereof. If, within sixty (60) days after the publication of such notice, the Security Trustee receives written notice from a Noteholder or Noteholders, together

representing more than 50 per cent of the aggregate outstanding principal amount of the Class A Notes, or, provided that no Class A Notes are outstanding, the Class B Notes, objecting to the action proposed in the Security Trustee's notice, the Security Trustee shall not undertake such action (other than the collection of payments on the accounts for the Security). For the avoidance of doubt, upon the occurrence of an Enforcement Event, the Security Trustee is not automatically required to liquidate the Purchased Receivables at market value.

**18. Payments upon Occurrence of a Foreclosure Event**

- 18.1. Upon the occurrence of a Foreclosure Event, the Security may be claimed exclusively by the Security Trustee. Payments on such Security thereafter will have effect only if made to the Security Trustee.
- 18.2. After the occurrence of the Foreclosure Event, payments on the obligations of the Issuer may not be made as long as, in the opinion of the Security Trustee, such payment will jeopardise the fulfilment of any later maturing obligation of the Issuer with higher rank.
- 18.3. In the case of payments on the Notes or the Subordinated Loan, the Security Trustee shall provide the Noteholders and the Subordinated Lender with advance notice of the Payment Date pursuant to the Conditions of the relevant Class of Notes or the Subordinated Loan Agreement. In the case of such payment to the Noteholders, the Security Trustee is only responsible for making the relevant amount available to the Paying Agent. In order to do so, the Security Trustee shall rely on the records of the Registrar in relation to any determination of the principal amount outstanding of each Global Note and on the records that each of the Relevant Clearing Systems holds for its customers which reflect the amount of such customer's interest in the Notes.
- 18.4. After all Secured Obligations have been fulfilled, the Security Trustee shall release any remaining Security and pay out any remaining amounts to the Issuer.

**19. Continuing Duties**

Clauses 12 (*Acceptance, Safekeeping, and Review of Documents; Notification of the Issuer*) through 15 (*Breach of Obligations by the Issuer*) of this Agreement shall continue to apply after a Foreclosure Event has occurred.

**Accounts; Order of Priority**

**20. Distribution Account; Accumulation Account; Counterparty Downgrade Collateral Account; Swap Provisions**

- 20.1. The Distribution Account shall be used for the fulfilment of the payment obligations of the Issuer.
- 20.2. The Issuer shall ensure that all payments made to the Issuer (other than the collateral under the Swap Agreement and Swap Termination Payments which shall be deposited in accordance with clauses 20.3 and 20.5 below) shall be made by way of a bank transfer to or deposit or in any other way into the Distribution Account.
- 20.3. The Issuer has entered into the Swap Agreement, in a form satisfactory to the Rating Agencies, to hedge the floating rate interest exposure on the Class A Notes and the Class B Notes. The Issuer may, from time to time, enter into one or more replacement Swap Agreement with one or more replacement Swap Counterparty in the event that the Swap Agreement is terminated prior to its scheduled expiration pursuant to an "event of default" where the Swap counterparty is the Defaulting Party (as defined in the Swap Agreement) or "termination event" under the Swap Agreement. The replacement of the Swap Agreement will have initial notional amounts equal to the aggregate principal amounts of the Class A Notes and the Class B Notes, on the Issue Date. The notional amount of the Swap Agreement will decrease by the amount of any principal payments on the applicable Class A Notes or Class B Notes.
- 20.4. In the event that the Swap Counterparty is required to collateralise its obligations pursuant to the terms of the Swap Agreement such amounts will be held in the Counterparty Downgrade Collateral Account and any such amounts deposited therein will be held on trust for the Swap Counterparty. The Counterparty Downgrade Collateral Account shall be segregated from the Distribution Account and from the general cash flow of the Issuer. Collateral deposited in the Counterparty Downgrade Collateral Account shall not constitute Available Distribution Amounts and shall be monitored on a specific collateral ledger. Amounts standing to the credit of the Counterparty Downgrade Collateral Account (or securities deposited therein) shall secure solely the payment obligations of the Swap Counterparty to the Issuer under the Swap Agreement. The amounts in the Counterparty Downgrade

Collateral Account will be applied in or towards satisfaction of the Swap Counterparty's obligations to the Issuer upon termination of the Swap Agreement. Any Excess Swap Collateral owing to the Swap Counterparty pursuant to the Swap Agreement shall not be available to Transaction Creditors and shall be returned to the Swap Counterparty in accordance with the Swap Agreement and outside of the Order of Priority. Any Swap Tax Credits will be applied to the Swap Counterparty outside of the Order of Priority. The Swap Counterparty shall bear any costs and expenses in connection with the Counterparty Downgrade Collateral Account. If the Issuer incurs any liabilities, costs or expenses in connection with the Counterparty Downgrade Collateral Account, the Swap Counterparty shall reimburse the Issuer immediately upon request from the Issuer.

- 20.5. The Servicer shall calculate and provide, by delivery of the Servicer Report, written notification to the Swap Counterparty and to the Security Trustee of the notional amount of the Swap Agreement as of each Payment Date on or before the Servicer Report Performance Date in the month of the related Payment Date. The Interest Determination Agent shall provide the Servicer with the calculation of Compounded Daily SONIA in accordance with the Agency Agreement. The Servicer shall provide the calculation of Compounded Daily SONIA to the Security Trustee under this Agreement and shall forward the amounts calculated by the calculation agent under the Swap Agreement in respect of all payments due under the Swap Agreement on each Payment Date, including Net Swap Receipts and Swap Termination Payments, payable in accordance with clause 21 (*Order of Priority*) below, and shall provide written notification of such amounts to the Swap Counterparty and to the Security Trustee prior to such Payment Date. The parties hereto hereby acknowledge that with respect to the obligations under the Swap Agreement of the parties thereto, all calculations shall be performed by the calculation agent as appointed under the Swap Agreement.
- 20.6. In the event of any early termination of the transaction under the Swap Agreement the Swap Termination Payments received by the Issuer or the Security Trustee on behalf of the Issuer from the related Swap Counterparty will be remitted to such Counterparty Downgrade Collateral Account.
- 20.7. The Issuer shall promptly, following the early termination of the Swap Agreement due to an "event of default" or "termination event" (each as defined in the applicable Swap Agreement) and in accordance with the terms of the Swap Agreement, enter into a replacement Swap Agreement with an Eligible Swap Counterparty to the extent possible and practicable through application of amounts in the Counterparty Downgrade Collateral Account (after returning any Excess Swap Collateral to the Swap Counterparty).
- 20.8. Subject to clause 20.07, on each Payment Date following the termination of the Swap Agreement, funds standing to the credit of the Counterparty Downgrade Collateral Account (after returning any Excess Swap Collateral to the Swap Counterparty) shall be used to cover any shortfalls in the amounts payable under items first through tenth according to the Order of Priority set out in clause 21.3 (*Order of Priority*) or items first through ninth in the Order of Priority set out in clause 21.5 (*Order of Priority*), as applicable, provided that in no event will the amount withdrawn from the Counterparty Downgrade Collateral Account for such purpose exceed the amount of Net Swap Receipts that would have been required to be paid to the Issuer on such Payment Date under the terminated Swap Agreement had there been no termination of such Swap Agreement.
- 20.9. Any Swap Replacement Proceeds which are received by the Issuer or the Security Trustee on behalf of the Issuer from a replacement Swap Counterparty will be remitted directly to the Counterparty Downgrade Collateral Account. Such Swap Replacement Proceeds shall be applied in payment of any Swap Termination Payments to the Swap Counterparty under the initial Swap Agreement outside the Order of Priority. If Swap Replacement Proceeds are insufficient to pay the Swap Termination Payment due to the initial Swap Counterparty, any shortfall shall be paid in accordance with the Order of Priority. If Swap Replacement Proceeds exceed the Swap Termination Payment due to the initial Swap Counterparty, any excess shall be treated as part of the Available Distribution Amount.
- 20.10. Upon payment of all amounts payable under the Notes the sums remaining in the Counterparty Downgrade Collateral Account shall be paid according to the following order of priority:
  - (a) *first*, to the Subordinated Lender amounts payable in respect of accrued and unpaid interest on the Subordinated Loan (including, without limitation, overdue interest);
  - (b) *second*, to the Subordinated Lender, until the aggregate principal amount of the Subordinated Loan has been reduced to zero; and
  - (c) *third*, to pay all remaining excess to VWFS by way of a final success fee.

20.11. The Issuer will on the date of this Agreement establish at the Account Bank the Accumulation Account to collect during the Revolving Period payments as set forth in the ninth and tenth items, of the Order of Priority according to Clause 21.3. During the Revolving Period, amounts on deposit in the Accumulation Account shall be used by the Issuer for the purchase of Additional Receivables from the Seller according to the terms for the purchase of Additional Receivables as set forth in Clause 4 (*Sales of Additional Receivables*) of the Receivables Purchase Agreement. Upon the occurrence of an Early Amortisation Event, an Enforcement Event or the end of the Revolving Period, the Accumulation Account shall be closed on the subsequent Payment Date and any amounts on deposit in the Accumulation Accounts shall be transferred on the subsequent Payment Date to the Distribution Account.

21. **Order of Priority**

21.1. Prior to the full discharge of all obligations of the Issuer to the Transaction Creditors, any credit in the Distribution Account and the Cash Collateral Account (the "**Credit**") shall be allocated exclusively in accordance with clauses 21.2 to 21.6 below and clause 22 (*Cash Collateral Account*).

21.2. Interest accruing on the Distribution Account and the Accumulation Account shall form part of the Available Distribution Amount. Interest accruing on the Counterparty Downgrade Collateral Account (other than amounts payable under Clause 20.5 and Clause 20.6 (*Distribution Account; Accumulation Account; Counterparty Downgrade Collateral Account; Swap Provisions*)) and the Cash Collateral Account will not form part of the Available Distribution Amount. Such accrued interest and earned income will be retained on the relevant Account and (i) in the case of the Counterparty Downgrade Collateral Account, interest accruing in respect of amounts other than Swap Termination Payments received by the Issuer, be paid to the Swap Counterparty in accordance with the Swap Agreement (ii) in the case of the Counterparty Downgrade Collateral Account, interest accruing in respect of Swap Termination Payments received by the Issuer, be paid to the Subordinated Lender and/or VWFS in accordance with the priority of payment set out in Clause 20.9 (*Distribution Account; Accumulation Account; Counterparty Downgrade Collateral Account; Swap Provisions*) unless otherwise specified in this Agreement; (iii) in the case of the Cash Collateral Account, form part of the General Cash Collateral Amount and be applied accordingly in accordance with Clause 22.2 (*Cash Collateral Account*).

24.2. If third parties are retained pursuant to clause 24.1 above, the Security Trustee shall only be liable for the exercise of due care in the selection and supervision of the third party to a degree that the Security Trustee would exercise in its own affairs. The Security Trustee shall, however, not be liable for any negligence of the third party provided that the Security Trustee has assigned his claims against the third party to the relevant damaged party of this Agreement.

24.3. The Security Trustee shall promptly notify the Rating Agencies of every hiring pursuant to clause 24.1 above.

## 25. **Advisors**

25.1. The Security Trustee is authorised, in connection with the performance of its duties under the Funding and the Transaction Documents, at its own discretion, to seek information and advice from legal counsel, financial consultants, banks, and other experts in Germany or elsewhere (and irrespective of whether such Persons are already retained by the Security Trustee, the Issuer, a Transaction Creditor, or any other Person involved in the transactions under the Notes, the Subordinated Loan or the Transaction Documents), at market prices (if appropriate, after obtaining several offers).

25.2. The Security Trustee may rely on such information and such advice without having to make its own investigations. The Security Trustee shall not be liable for any damages or losses caused by its acting in reliance on the information or the advice of such Persons. The Security Trustee shall not be liable for any negligence of such Persons.

## **Fees; Reimbursement of Expenses; Indemnification; Taxes**

### 26. **Fees**

26.1. The Issuer will pay the Security Trustee a fee, the amount of which shall be separately agreed between the Issuer and the Security Trustee.

26.2. Upon the occurrence of a Foreclosure Event or a default of any party (other than the Security Trustee) to a Transaction Document which results in that the Security Trustee undertakes tasks, the Issuer shall pay or procure to be paid to the Security Trustee such additional remuneration as shall be agreed between them. In the event that the Issuer and the Security Trustee fail to agree as to whether and/or in which amount an additional remuneration shall be payable in accordance with the preceding sentence, such matters shall be determined by a bank, financial services institution or auditing firm of recognised standing (acting as an expert and not as an arbitrator) jointly determined by the Issuer and the Security Trustee. The determination made by such expert shall be final and binding upon the Issuer and the Security Trustee. It is understood that the additional tasks to be performed by the Security Trustee will not be delayed, but instead will be continued as if the Issuer and the Security Trustee would have agreed on a fee immediately.

### 27. **Reimbursement of Expenses;**

The Issuer shall bear all reasonable costs and disbursements (including costs for legal advice and costs of other experts) incurred by the Security Trustee (other than in relation to tax on its own income, profits or gains or any FATCA Deduction) in connection with the performance of its duties under this Agreement, including the costs and disbursements in connection with the creation, holding, and foreclosure on the Security.

**28. Right to Indemnification**

- 28.2. The Security Trustee shall not be bound to take any action under or in connection with this Agreement or any other Transaction Document or any document executed pursuant to any of them including, without limitation, forming any opinion or employing any agent, unless in all cases, it is fully indemnified or secured, and is reasonably satisfied that the Issuer will be able to honour any indemnity in accordance with the Order of Priority as set out in clause 21 hereof, against all liabilities, proceedings, claims and demands to which it may be or become liable and all costs, charges and expenses which may be incurred by it in connection with them (other than taxes on the Security Trustee's own income, profits or gains or any FATCA Deduction) for which purpose the Security Trustee may require payment in advance of such liabilities being incurred of an amount which it considers (without prejudice to any further demand) sufficient to indemnify it or security satisfactory to it.
- 28.3. Notwithstanding any other provision of this Agreement, the Issuer will have no obligation to indemnify the Security Trustee for any FATCA Deductions.

**29. Taxes**

- 29.1. The Issuer shall bear all stamp and transfer taxes and other similar taxes or charges which are imposed in the United Kingdom, Germany or Luxembourg on or in connection with (i) the creation, holding, or foreclosure on Security, (ii) on any measure taken by the Security Trustee pursuant to the Conditions, the Subordinated Loan Agreement or the other Transaction Documents, and (iii) the Issue of the Notes, the execution of the Subordinated Loan Agreement or the execution of the other Transaction Documents.
- 29.2. All payments of fees and reimbursements of reasonable expenses to the Security Trustee shall include any irrecoverable turnover taxes, value added taxes or similar taxes, other than taxes on the Security Trustee's own income, profits or gains, or any FATCA Deduction which are imposed in the future on the services of the Security Trustee.

**Replacement of the Security Trustee**

**30. Termination by the Security Trustee for Good Cause**

- 30.1. The Security Trustee may resign from its office as Security Trustee for good cause (*aus wichtigem Grund*) at any time, provided that upon or prior to its resignation, the Security Trustee, on behalf of the Issuer, appoints a reputable bank in the European Union or a reputable German auditing company and/or fiduciary company as successor and such appointee who needs to be experienced in the business of security trusteeship in Germany assumes all rights and obligations arising from this Agreement and has been furnished with all authorities and powers that have been granted to the Security Trustee.
- 30.2. Without prejudice to the obligation of the Security Trustee to appoint a successor in accordance with clause 30.1 above, the Issuer shall be authorised to make such appointment in lieu of the Security Trustee.
- 30.3. The appointment of the new Security Trustee pursuant to clause 30.1 or clause 30.2 above shall only take effect if (i) VWFS consents to the appointment of the proposed new Security Trustee; and (ii) the Issuer consents to the appointment of the proposed new Security Trustee or withholds such consent unreasonably. Consent pursuant to number (i) above shall be deemed granted if the Issuer or the Security Trustee requests VWFS in writing, including by e-mail, for consent to the appointment and consent is not refused by VWFS within five banking days in London of having received the request. Consent pursuant to number (ii) shall be deemed granted if the Security Trustee requests the Issuer in writing, including by e-mail, for consent to the appointment and consent or proof of reasonable cause for refusing to give consent is not provided within five banking days in Luxembourg after the Issuer receives the request.

- 30.4. A termination pursuant to clause 30.1 above notwithstanding, the rights and obligations of the Security Trustee shall continue until the appointment of the new Security Trustee has become effective and the rights pursuant to clause 32 (*Transfer of Security; Costs; Publication*) hereof have been assigned to it.
- 30.5. The outgoing Security Trustee shall, in case of a termination, reimburse (on a pro rata basis) to the Issuer any up-front fees paid by the Issuer for periods after the date on which the substitution of the Security Trustee is taking effect. In case of a termination by the Issuer for good cause (*aus wichtigem Grund*) which is attributable to a breach by the Security Trustee of its standard of care set out in clause 33 hereof, the outgoing Security Trustee shall reimburse the Issuer for the costs (including legal costs and administration costs) or pay any costs incurred for the purpose of appointing a new Security Trustee up to a maximum amount of GBP 15,000 (the "**Security Trustee Replacement Cost**").

**31. Replacement of the Security Trustee**

The Issuer shall be authorised and obliged to replace the Security Trustee with a reputable bank or a reputable German auditing company and/or law firm and/or a fiduciary company who needs to be experienced in the business of security trusteeship in Germany if the Issuer has been so instructed in writing by a Noteholder or Noteholders and the Subordinated Lender owning at least 50 per cent of the aggregate outstanding principal amount of the Notes and the Subordinated Loan. The Issuer shall be obliged to notify VWFS and the Rating Agencies within thirty (30) calendar days upon receipt of such request to replace the Security Trustee.

**32. Transfer of Security; Costs; Publication**

- 32.1. In the case of a replacement of the Security Trustee pursuant to clause 30 (*Termination by the Security Trustee for Good Cause*) or 31 (*Replacement of the Security Trustee*) of this Agreement, the Security Trustee shall forthwith transfer the Security it holds as fiduciary under this Agreement, as well as its Trustee Claim under clause 4 (*Position of the Security Trustee in Relation to the Issuer*) (including the pledge rights granted for the same pursuant to clause 6 (*Pledge*)) in its capacity as trustee to the new Security Trustee. Without prejudice to this obligation, the Issuer is hereby irrevocably authorised to effect such transfer on behalf of the Security Trustee subject to the condition set forth in sentence 1.
- 32.2. The costs incurred in connection with replacing of the Security Trustee pursuant to clause 30 (*Termination by the Security Trustee for Good Cause*) or 32 (*Replacement of the Security Trustee*) of this Agreement shall be borne by the Issuer. If the replacement pursuant to clause 30 (*Termination by the Security Trustee for Good Cause*) or clause 31 (*Replacement of the Security Trustee*) of this Agreement is caused by a violation of obligations of the Security Trustee as set out in clause 33 hereof, the Issuer shall be entitled, without prejudice to any additional rights, to demand damages from the Security Trustee in the amount of such costs. The Security Trustee Replacement Cost, as defined in clause 30.5, shall be limited to GBP 15,000, however, any additional rights to demand damages from the Security Trustee shall not be limited to the amount of the Security Trustee Replacement Cost.
- 32.3. The appointment of a new Security Trustee in accordance with clauses 30 (*Termination by the Security Trustee for Good Cause*) and 31 (*Replacement of the Security Trustee*) of this Agreement shall be published without delay in accordance with the Conditions of the Notes and the Subordinated Loan Agreement, or, if this is not possible, in any other appropriate way.
- 32.4. The Security Trustee shall provide the new Security Trustee with a report regarding its activities within the framework of this Agreement.

**Liability of the Security Trustee**

**33. Standard of Care**

The Security Trustee shall be liable for breach of its obligations under this Agreement only if and to the extent that it fails to meet the standard of care which it would exercise in its own affairs (*Sorgfalt in eigenen Angelegenheiten*).

**34. Exclusion of Liability**

The Security Trustee shall not be liable for: (i) any action or failure to act of the Issuer or of other parties to the Transaction Documents, (ii) the Notes, the Subordinated Loan, the Purchased

Receivables and the Transaction Documents being legal, valid, binding, or enforceable, or for the fairness of the provisions set forth in the Notes, the Subordinated Loan Agreement or in the aforementioned Transaction Documents and (iii) – without prejudice to the provisions of clause 15 (*Breach of Obligations by the Issuer*) hereof – VWFS's failure to meet all or part of its contractual obligations to submit documents to the Security Trustee. In addition, no shareholder, officer or director of the Security Trustee shall incur any personal liability as a result of the performance or non-performance by the Security Trustee of its obligations hereunder. Any recourse against such a shareholder, officer or director is excluded accordingly, save for any such shareholder's, officer's or director's own gross negligence (*grobe Fahrlässigkeit*) or wilful misconduct (*Vorsatz*).

## **Undertakings of the Issuer**

The Issuer undertakes vis-à-vis the Security Trustee:

- (a) not to sell the Security and to refrain from all actions and failure to act (excluding the collection and enforcement of the Security in the ordinary course of business) which may result in a significant (*wesentlichen*) decrease in the aggregate value or in a loss of the Security; to the extent that there are indications that a Transaction Creditor does not properly fulfil its obligations under a Transaction Document, the Issuer will in particular exercise the due care from a prudent merchant (*Sorgfalt eines ordentlichen Kaufmanns*) to take all necessary action to prevent the Security or their value from being jeopardised;
- (b) upon request of the Security Trustee, to mark in its accounting records the transfer for security purposes and the pledge to the Security Trustee and to disclose to third parties having a legal interest in becoming aware of the transfer for security purposes and the pledge that the transfer for security purposes and the pledge has taken place;

As long as the Notes and the Subordinated Loan are outstanding, the Issuer is not authorised without prior written consent of the Security Trustee to:

### Miscellaneous Provisions

#### 38. Amendments

- 38.1. VWFS will be entitled to unilaterally amend any term or provision of this Agreement, including this clause 38.1 with the consent of the Issuer but without the consent of any Noteholder, the Swap Counterparty, the Subordinated Lender, the Arranger, the Joint Lead Managers or any other Person; provided that such amendment shall only become valid,
  - (a) if it is notified to the Security Trustee, the Rating Agencies and the Issuer and VWFS have received a confirmation (x) from the Security Trustee that in the sole professional judgment of the Security Trustee, such amendment will not be materially prejudicial to the interests of any such Transaction Creditor and (y) the Rating Agencies that the ratings then assigned to the Notes will not be adversely affected by such amendment; and
  - (b) if any of the amendments relate to the amount, the currency or the timing of the cash-flow received by the Issuer under the Purchased Receivables, the application of such cash-flow by the Issuer, or the ranking of the Swap Counterparty in the Order of Priority, then the consent of the Swap Counterparty will be required; and
  - (c) in case of amendments which materially and adversely affect the interests of the Issuer, the Security Trustee, the Swap Counterparty and/or the Subordinated Lender if such Transaction Parties that are materially and adversely affected have consented to such amendment.
- 38.2.
  - (a) The Swap Counterparty and the Issuer shall be entitled:
  - (b) to amend the Swap Agreement to ensure that the terms hereof, and the parties obligations thereunder, are in compliance with the Regulation (EU) No 648/2012 of the European Parliament and of the Council of 4 July 2012 on OTC derivatives, central counterparties and trade repositories, known as the European Market Infrastructure Regulation, as amended from time to time, ("**EMIR**") and/or the then subsisting technical standards under EMIR; or
  - (c) to amend or waive (subject at all times to Article 15 (Dispute resolution), Chapter VII of the technical standards under EMIR (which relate to, inter alia, non-financial counterparties, risk-mitigation techniques for over the counter derivative contracts not cleared by a central counterparty) any of the time periods set out Part 6(c) of the schedules to the Swap Agreement.
  - (d) The Servicer or the relevant Transaction Party(ies), as the case may be, and the Issuer shall be entitled to amend the Servicing Agreement or any other Transaction Documents to ensure that the terms thereof, and the parties obligations thereunder, are in compliance with EMIR and/or the then subsisting technical standards under EMIR;

in each case of (a) and (b) above, with the consent of the Issuer but without the consent of any Noteholder, the Subordinated Lender or any other Person; provided that such amendment or waiver shall only become valid if it is notified to the Security Trustee and the Rating Agencies, and the Issuer and the Swap Counterparties or the Servicer or the relevant Transaction Party(ies), as the case may

be, have received a confirmation from the Security Trustee that in the sole professional judgment of the Security Trustee, such amendment or waiver will not be materially prejudicial to the interests of any such Transaction Creditor.

- 38.3. Notwithstanding clauses 38. and 38.2 above, VWFS will be entitled to amend any term or provision of this Agreement with the consent of the Security Trustee, but without the consent of any Noteholder, the Swap Counterparty, the Subordinated Lender, the Arranger, the Joint Lead Managers or any other Person if it is advised by a third party authorised under Article 28 of the UK Securitisation Regulation or Article 28 of the EU Securitisation Regulation, as applicable, or a reputable international law firm that such amendments are required for the Transaction to comply with the EU Securitisation Regulation or the UK Securitisation Regulation, as applicable, or any regulatory and/or implementing technical standards adopted under the EU Securitisation Regulation or any directions, secondary legislation, guidance, regulatory technical standards, implementing technical standards and related documents published by the FCA and the PRA of the United Kingdom under the UK Securitisation Regulation. Insofar as such amendments relate to the originator or Seller, any amendments in order to comply with the EU Securitisation Regulation shall not result in any non-compliance with the UK Securitisation Regulation and insofar as such amendments relate to the Issuer, any amendments in order to comply with the UK Securitisation Regulation shall not result in any non-compliance with the EU Securitisation Regulation.
- 38.4. The Security Trustee shall have the right to request a reputable international law firm to confirm the legal validity of such amendment and/or to describe the legal effects of such amendment and to incur reasonable expenses for such consultation which shall be reimbursed by VWFS.
- 38.5. This Agreement may also be amended from time to time in accordance with the provisions set out in sections 5 to 21 of the German Debenture Act (Gesetz über Schuldverschreibungen aus Gesamtemissionen (Schuldverschreibungsgesetz – "SchVG")) with the consent of (a) the Issuer and (b) the Class A Noteholders evidencing not less than 75 per cent. of the aggregate outstanding principal amount of the outstanding Class A Notes, for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of modifying in any manner the rights of the Noteholders; (x) provided that no such amendment shall (i) reduce the interest rate or principal amount of any Note or delay the Scheduled Repayment Date or Final Maturity Date of any Note without the consent of the respective Noteholder, or (ii) reduce the percentage of the aggregate outstanding principal amount of the Class B Notes without the consent of Class B Noteholders evidencing not less than a majority of the aggregate outstanding principal amount of the outstanding Class B Notes, and (y) provided further that if any of the amendments relate to the amount, the currency or the timing of the cash-flow received by VWFS under the Purchased Receivables, the application of such cash-flow by the Issuer, or the ranking of the Swap Counterparty in the Order of Priority, or materially and adversely affects the interests of the Swap Counterparty, then the consent of the Swap Counterparty will be required. The manner of obtaining such consents may be either a meeting of Noteholders or by way of a decision without a meeting of Noteholders (Abstimmung ohne Versammlung), in each case as further provided in sections 5 to 21 SchVG. The manner of obtaining any other consents of Noteholders provided for in this Agreement and of evidencing the authorisation of the execution thereof by Noteholders will be subject to such reasonable requirements as the Security Trustee may prescribe, including the establishment of record dates. Upon full redemption of all Class A Notes, the foregoing sentence shall apply with the modification that the required Class A Noteholder consent as set out under (b) shall be replaced by consent of Class B Noteholders evidencing not less than 75 per cent. of the aggregate outstanding principal amount of the outstanding Class B Notes.

39. **Condition Precedent**

This Agreement is subject to the condition precedent that the Issue occurs. If by the Issue Date this has not been done then this Agreement shall lose all effect by operation of law.

The payment date is 25 March 2024. All rights and obligations of each Joint Lead Manager under the Note Purchase Agreement are several and not joint.

The issuance of the Notes is not designed to comply with the U.S. Risk Retention Rules other than the exemption under Section 20 of the U.S. Risk Retention Rules. "**U.S. Risk Retention Rules**" means Regulation RR (17 C.F.R Part 246) implementing the risk retention requirements of Section 15G of the U.S. Securities Exchange Act of 1934, as amended, adopted pursuant to the requirements of Section 941 of the Dodd-Frank Wall Street Reform and Consumer Protection Act.

The Notes sold on the Closing Date may not be purchased by any person except for persons that are not "U.S. persons" as defined in the U.S. Risk Retention Rules ("**Risk Retention U.S. Persons**"). Prospective investors should note that whilst the definition of "U.S. person" in the U.S. Risk Retention Rules is substantially similar to the definition of "U.S. person" in Regulation S, the definitions are not identical and persons who are not "U.S. persons" under Regulation S may be "U.S. persons" under the U.S. Risk Retention Rules.

Each purchaser of Notes, including beneficial interests therein will be deemed, and in certain circumstances will be required, to represent and agree that it (1) is not a Risk Retention U.S. Person (2) is acquiring such Note or a beneficial interest therein for its own account and not with a view to distribute such Note to an U.S. person; and (3) is not acquiring such Note or a beneficial interest therein as part of a scheme to evade the requirements of the U.S. Risk Retention Rules. Each prospective investor will be required to make these representations (a) on or about the time of the announcement of the securitisation transaction involving the issuance of the Notes and (b) if such representations have not been previously made, as a condition to placing any offer to purchase the Notes. The Issuer, VWFS, the Arranger and the Banks will rely on these representations, without further investigation.

The Notes may not be sold to, or for the account or benefit of, U.S. persons except (i) pursuant to an exemption from, or in a transaction not subject to the registration requirements of, the Securities Act and (ii) in accordance with an exemption from the U.S. Risk Retention Rules.

#### Selling Restrictions

##### General

All applicable laws and regulations must be observed in any jurisdiction in which the Notes may be offered, sold or delivered, to the best of each Bank's knowledge and belief (subject that each Bank shall have no liability to the Issuer or VWFS in respect of any non-observance of the U.S. Risk Retention Rules by the Issuer or VWFS or any other person). Each Bank has agreed that it will not offer, sell or deliver any of the Notes, directly or indirectly, or distribute the Prospectus, the Preliminary Prospectus or any other offering material relating to the Notes, in or from any jurisdiction except under circumstances that will result in compliance with the applicable laws and regulations thereof (other than the U.S. Risk Retention Rules), to the best of such Bank's knowledge and belief, and that it will not impose any obligations on the Issuer in connection with the U.S. Risk Retention Rules except as set out in the Note Purchase Agreement provided that, as part of the initial distribution of the Notes, each Bank undertakes to the Issuer and VWFS to use reasonable efforts prior to the Closing Date to only, directly or indirectly, sell and deliver the Notes to a prospective investor in the Notes who has provided representations to the Issuer and VWFS relating to its status as a Risk Retention U.S. Person. Each prospective investor will be required to provide representations

to the Issuer and VWFS relating to its status as a Risk Retention U.S. Person: (a) on or about the time of the announcement of the securitisation transaction involving the issuance of the Notes and (b) if such representations have not been previously made, as a condition to placing any offer to purchase the Notes. The Banks, the Issuer and VWFS will rely on the representations each prospective investor will be required to make as outlined in the immediately preceding sentence without further investigation.

Notwithstanding the foregoing, the Banks will not have any liability to the Issuer or VWFS for compliance with the U.S. Risk Retention Rules by the Issuer or VWFS or any other person except to the extent as set out in the Note Purchase Agreement.

Notwithstanding the foregoing, the Banks acknowledge and agree that the Issuer can, with the consent of, and in reliance on, the Seller, sell a limited portion of the Notes to, or for the account or benefit of, Risk Retention U.S. Persons under the "foreign offering" exemption from the U.S. Risk Retention Rules.

The Notes have not been and will not be registered under the U.S. Securities Act, 1933, as amended (the "**Securities Act**") and may not be offered, sold or delivered within the United States or to, or for the account or benefit of, U.S. persons, except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state or local securities laws and under circumstances designed to preclude the issuer from having to register under the Investment Company Act. Each of the Banks has represented and agreed that it has not offered, sold or delivered the Notes, and will not offer or sell the Notes (i) as part of its distribution at any time or (ii) otherwise until forty (40) calendar days after the later of the date the Notes are first offered to Persons other than distributors in reliance on Regulation S and the Closing Date except, in either case, only in accordance with Rule 903 of Regulation S under the Securities Act. Neither the Banks nor their respective affiliates (as defined in Rule 501(b) of Regulation D under the Securities Act) nor any Persons acting on their behalf have engaged or will engage in any "directed selling efforts" with respect to the Notes, and they have complied and will comply with the offering restrictions requirements of Regulation S under the Securities Act. At or prior to confirmation of the sale of Notes, the respective Banks will have sent to each distributor, dealer or person receiving a selling concession, fee or other remuneration that purchases Notes from them during the distribution compliance period (as defined in Regulation S) a confirmation or notice to substantially the following effect:

"The Securities covered hereby have not been registered under the U.S. Securities Act of 1933, as amended (the "**Securities Act**"), and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (i) as part of their distribution at any time or (ii) otherwise until forty (40) calendar days after the later of the date the Notes are first offered to Persons other than distributors in reliance on Regulation S and the Closing Date except, in either case, in accordance with Regulation S under the Securities Act. Terms used above have the meaning given to them in Regulation S under the Securities Act".
